Are you failing to fulfil your potential because of your inability to wield words in the ways you'd like? This book has the solution. Written by a University of Cambridge Communication Course lead, journalist and former BBC broadcaster, it covers everything from the essentials of effective communication to the most advanced skills. Whether you want to write a razor sharp briefing, shine in an important presentation, hone your online presence, or just get yourself noticed and picked out for promotion, all you need to know is here. Z Jonar C. Nader,2010 A philosophical thriller with fast-paced military action, espionage, corporate corruption, human greed, romantic tension, and scientific revelations that are both worrisome and enlightening. The 'war on terror' is merely child's play. There will come a time when terrorists will declare real war, on each other, and you'll be forced to take sides. You've seen the horror that freedom-fighters can unleash. You've seen the devastation that demented terrorists can inflict. But could you combat the new breed of sophisticated terrorists who are intent on absolute power? Could you out-smart educated terrorists who seek retribution in the name of righteousness? Would you ever condone vigilante terrorists who commit the worst of acts for the purest of motives? This novel is about a group of inspired terrorists whose actions not only changed the world, but also distorted it. They made their mark in a way that no dictator or fanatic had ever managed. No think-tank and no government had ever predicted such a scenario. Would you fight for peace? Would you die for freedom? Would you kill for justice? Then again, what would convince you to surrender?

Best of Friends Cathy Kelly,2007-11-01 You can have it all! Abby Barton's TV career is taking off and now she and her husband can have the life they've always dreamed of in a lovely Irish town -- at least, in theory! But when your husband takes you for granted and your teenage daughter hates you, an adoring old flame can spell danger to your seemingly perfect life.

Fortunately, Abby has her friends to keep her sane. For starters, her best friend, Sally, owns a beauty salon, and Sally and her husband throw fantastic parties, where there are still more friends to be made. Just be sure to share. Sally's friend Lizzie makes time for everybody: her gal pals, her grown children, even her ex-husband. But when her ex finds someone new, Lizzie can't help but wonder if she'll ever love again. The women are all thrilled to meet Erin, who has moved home to Ireland from Chicago for her husband's new job. But is she cut out for small-town life, and what of the family she left behind years ago? Together and on their own, these four women are about to face highs and lows they never anticipated. Only from each other can they learn that life is for the living and that they need to grab it with both hands....

Always, in December Emily Stone,2021-10-12 “A poignant, heart-tugging, life-affirming story that will wrap around you like a hug during any season. Keep tissues nearby!”—Josie Silver, #1 New York Times bestselling author of *One Day in December* It started with a letter. It ended with a love story. Every December, Josie posts a letter from her home in London to the parents she lost on Christmas night many years ago. Each year, she writes the same three words: Missing you, always. But this year, her annual trip to the postbox is knocked off course by a bicycle collision with a handsome stranger--a stranger who will change the course of Josie's life. Josie always thought she was the only one who avoided the Christmas season, but this year, Max has his own reasons for doing the same—and coincidence leads them to spending the holiday together. Aglow with new love, Josie thinks this might be the start of something special. Only for Max to disappear without saying goodbye. Over the course of the next year, Max and Josie will find that fate continues to bring them together in places they'd never expect. New York City. Edinburgh. The quiet English countryside. And it turns out, Max had every reason to leave and every reason to stay. But what does fate hold for Josie and Max as Christmas approaches again? A devastating, romantic, life-affirming love story, *Always, in December* will stay with readers long after they've finished the last page.

Confounding Images Susan S. Williams,1997 In an important rereading of American fiction in the decades preceding the Civil War, Williams (English, Ohio State University) recovers the literary and cultural significance of early photography. Williams contends that in reaction to photography's challenge to the pictorial function of narrative, authors filled their pages with descriptions of fictional portraits--fanciful and romantic, often haunted, magic, or demonic, and generally resistant to straightforward representation. She provides readings and interpretations from forgotten as well as canonical writers as examples. c. Book News Inc.

This book is the story of his start-up, but also a conversation with his mentors, clients and fellow entrepreneurs about how to make a business idea work?and how to have the time of your life trying. From Pat Lencioni to Marc Benioff of salesforce.com, Ben has won over the best and brightest of the business world?now it's your turn!
