*Sandcastle* Einat Tsarfati,2020-05-05 Step inside a sumptuous sandcastle packed with amazing and amusing visual details for a beach day that's fit for royalty. A young girl loves building sandcastles. But not just any sandcastles. She builds one so big and grand and lovely that all the royals of the world come to visit. There are banquets and balls and tournaments, a greenhouse for cacti, a staircase for skateboarding, and ice cream around the clock. Everyone seems to be having fun, until they discover sand in the royal almond strudel . . . and the fig milk bath . . . and everywhere! With a keen eye for the absurd, author-illustrator Einat Tsarfati invites readers beyond the crocodile moat to explore the intricately detailed, increasingly wild festivities that echo the arc of a day at the beach, from euphoria to gritty discomfort. The diverse cast of regal guests, from a Rapunzel-esque princess in pj's and unicorn slippers to a pair of knights playing badminton, is just as inspired. A visual treat of a tale, *Sandcastle* opens the doors to a world by the sea where wit and imagination reign.

Kate and CICI Cary Zierenberg-Senge,2018-12-12 What goes into building the world's best sandcastle? This is the deceptively simple question that 6-year-old Kate asks herself on a family vacation to the beach. In her serious quest to build the perfect sandcastle, she meets Cici, who oozes creativity and is willing to offer a helping hand...if Kate is willing to take it. As Kate overcomes obstacles in design and execution, she figures out how to be more empathetic and flexible. In the end, their beach adventure leads the girls to discovering the importance of collaboration, critical-thinking and friendship. *Kate and Cici Build a Sandcastle* is based on the real-life friendship of the author and artist. Funny and beautifully illustrated, the girls' story proves that learning how to do something new is better together.
