A Manual of Navaho Grammar Berard Haile,1926

Converse with God Personally Tangia Lin Fu Jing Lin,2013-03-08 Growing up, children and teenagers have parents to protect and guide, but many become rebellious against parents and societal rules. At adulthood, many are lost in who or what to trust; most rely on immature feelings or judgment to make major life decisions. Consequently, many lives drift from one predicament to another, and most do not know why they keep encountering similar failures. From youth to old age, people need God to be at side to help make major life decisions, to choose a soul mate or partner, and to grow spirituality. Specifically, God can help to mend character flaws, boost merits, and improve personal judgment. This is the first book to guide people in receiving God's consent to communicate with him directly and some basics of such communication. Faith or religion not required to communicate.

**Ryder** Djuna Barnes,2024-01-01 This modernist, experimental, and controversial novel examines gender politics in the lives of an American family. Lesbian poet, journalist, and illustrator Djuna Barnes's debut novel was a sensation when it was originally published in 1928. A bawdy parody of patriarchal repression, the book was heavily censored upon its release in America. An exploration of sexuality that is thought to be based on Barnes's own life, the novel depicts a family headed by polygamist Wendell Ryder through the eyes of his daughter, Julia. Employing a variety of literary styles, from parable, poetry, sentimental fiction, and drama, Barnes satirizes masculinity and femininity in one of modern literature's first and best examinations of gender and power dynamics.

You Have a Match Emma Lord,2021-01-12 INSTANT NEW YORK TIMES BESTSELLER A REESE'S BOOK CLUB WINTER YA PICK INDIE NEXT PICK A BEST YA PICK OF 2021 BY POPSUGAR \* PARADE A new love, a secret sister, and a summer she'll never forget. From the beloved author of Tweet Cute comes Emma Lord's You Have a Match, a hilarious and heartfelt

novel of romance, sisterhood, and friendship... When Abby signs up for a DNA service, it's mainly to give her friend and secret love interest, Leo, a nudge. After all, she knows who she is already: Avid photographer. Injury-prone tree climber. Best friend to Leo and Connie...although ever since the B.E.I. (Big Embarrassing Incident) with Leo, things have been awkward on that front. But she didn't know she's a younger sister. When the DNA service reveals Abby has a secret sister, shimmery-haired Instagram star Savannah Tully, it's hard to believe they're from the same planet, never mind the same parents — especially considering Savannah, queen of green smoothies, is only a year and a half older than Abby herself. The logical course of action? Meet up at summer camp (obviously) and figure out why Abby's parents gave Savvy up for adoption. But there are complications: Savvy is a rigid rule-follower and total narc. Leo is the camp's co-chef, putting Abby's growing feelings for him on blast. And her parents have a secret that threatens to unravel everything. But part of life is showing up, leaning in, and learning to fit all your awkward pieces together. Because sometimes, the hardest things can also be the best ones. "A YA contemporary set at summer camp? Count us in." —BuzzFeed "Heartfelt and engaging, You Have a Match is a masterclass on love in all its forms." —Sophie Gonzales, author of Only Mostly Devastated and Perfect on Paper "A bright summer tale of connection and self-discovery." —Booklist "A cute, feel-good coming-of-age story." —Kirkus
