Edgar Allen Poe: The Raven - An Analysis Thorsten Klein,2006-10-17 Seminar paper from the year 2002 in the subject English Language and Literature Studies - Literature, grade: 1,4, University of Flensburg (Englisches Seminar), course: Reading Poetry, language: English, abstract: The Ravenby Edgar Allen Poe is one of the most popular poems in literature. I chose this poem because of its tense, atmospheric and stylistic features. In this paper I will try to point out some of the most important features ofThe Raven.At first I will give some information about the life and work of the author Edgar Allan Poe and the plot ofThe Ravenwhich is said to be his best known piece of work. I will analyse the poem by looking at the arrangement of the poem and I will give some background information about the history of the text. In the Concluding remark I will summarize my results by trying to answer the questions if Poe's life influenced the story that is told inThe Ravenand why the poem may be so famous.

"The Raven" by Edgar Allan Poe. An Analysis of the Raven as a Symbol of Death Christoph Grave,2017-07-24 Essay from the year 2016 in the subject Didactics for the subject English - Literature, Works, grade: 2,0, Johannes Gutenberg University Mainz, course: Proseminar I - Introduction to Colonial Literature, language: English, abstract: "The Raven" is one of the most famous poems by Poe, published in January 1845, and will be the basis of this paper. The poet Richard Wilbur said that "of American writers, it is Poe who most challenges the reader not only to read him but to solve him". Based on this quote it seems to be hard work to understand Poe's poems. Nevertheless, this paper aims to 'solve' his poem "The Raven" by analyzing it and by pointing out the significance of the raven within the poem itself, and, on an abstract level, its impact on our everyday life. At first glance, the raven seems to be a symbol of death, which holds control over the narrator within the poem, and moreover becomes a constant reminder about the inability of man to escape his ultimate fate.

Edgar Allan Poe: Interpretation of his poem "The Raven" Anja Frank, 2009-06-08 Seminar paper from the year 2006 in the subject American Studies - Literature, grade: 1,2, Ernst Moritz Arndt University of Greifswald (Anglistik/ Amerikanistik), course: Proseminar: American Poetry, language: English, abstract: The power of literature is a great one indeed. It absorbs us, transforms our environment, changes our way of thinking. For a moment we are able to live another life, try different opportunities and imagine fantastic worlds. Especially poems seem to touch us within our deepest soul. A poem can often say things that might never be said in any other way. It gives us goose bumps and butterflies in our stomach; it makes us cry, makes us laugh, makes us feel better- makes us think. Poetry expresses not only love, or disgust, but also giddy elation, mild bemusement, wild imagination and any other feelings we can or cannot imagine. Throughout the years many authors have expressed their opinions, hopes and critics in magazines, in books filled with pages and pages of poetry. Nevertheless some of them clearly stand out with their life and their work. Some of them are authors that made great contributions to the world of literature and that are still unforgotten. One of them is Edgar Allan Poe. Edgar Allan Poe did not only have a great influence on the development of horror and fantasy genres, he also stands (with Mary Shelley) for a new strain in literary Romanticism, later called Gothic. Poe is known as the father of the American short story and the detective story, but furthermore he wrote wonderful pieces of poetry. (Magistrale 2001: xiii) Tony Magistrale writes in his book "Student Companion to Edgar Allan Poe": "Poe was one of those rare literary geniuses who not only labored successfully in multiple genres- poetry, fiction, the essay- but also went on to contribute significantly to defining and exploring the fullest range of possibilities inherent in these genres." (Magistrale 2001: xii) One of his most famous poems that spread out through the world and got translated into many languages is "The Raven". This essay offers a summary and an interpretation of "The Raven" and tries to respect Poe's own analysis in "The Philosophy of Composition". Nevertheless, when reading or analyzing a poem it is always profitable to read about the life of the poet, too. Some of his biographical facts may be the link to understand his way of writing. That's why this essay also deals with Edgar Allan Poe's life and the time he grew up.

Edgar Allan Poe's short story "The Tale-Tell Heart" - Guilty or not guilty? The accountability of the protagonist, 2022-01-10 Pre-University Paper from the year 2021 in the subject Didactics for the subject English - Literature, Works, grade: 2, , language: English, abstract: Edgar Allen Poe's short story The Tell-Tale Heart was published in 1834. It is a story of a murder who tells us how he acted out his plan. Through this, the narrator wants to convince us that he is not insane

because Madmen know nothing. But you should have seen me. You should have seen how wisely I proceeded. He insists that his plan was without passion. He only murders the old man because of his blue eye, after which he hides his body under the floorboards. Then three policemen show up. They were alerted through the scream of the old man. The narrator allows them in. He feels safe because of how well he hid the body. While he is talking to the three-man, he starts to hear the old man's heart beating through the floor. It grows louder and louder until he confesses the murder. The first time I stumbled upon this story was through a reading published online by the Poe Museum. Instantly I was hooked as it was not just a reading but also a discussion about the protagonist's accountability. I have read some American literature over the years, but the horror stories always engaged me the most. The difference between someone like H.P. Lovecraft, who writes fantastical and outer worlds stories, Poe's stories always seem more human, more natural. They were about people and what scared them at the time. It was not until some odd weeks later that when I thought about what I could choose as a topic for a term paper, I thought back to myself, this discussion would be fascinating to flesh out even more, so, decided it was. Firstly, I will summarize Poe's life and the historical cases on which the story is based. Then, I will analyse the story, after which I will conclude if the protagonist is accountable or not.
