

The Good Rat A True Story

George Thorndike Angell

The Good Rat Jimmy Breslin, 2009-10-13 A Pulitzer Prize winning journalist reveals a history of the American mob with “perfect diabolical detail. . . . A master at transforming crookery into opera” (New York Times Book Review). In his inimitable New York voice, New York Times bestselling author Jimmy Breslin gives us a look through the keyhole at the people and places that define the Mafia—characters like John Gotti, Sammy “the Bull” Gravano, Anthony “Gaspipe” Casso (named for his weapon of choice), and Jimmy “the Clam” Eppolito—interwoven with the remarkable true-crime saga of the good rat himself, Burt Kaplan of Bensonhurst, Brooklyn, the star witness in the trial of two NYPD detectives indicted for carrying out eight gangland executions. Through these unforgettable real-life and long-forgotten Mafia stories, Jimmy Breslin captures the moments in which the mob was made and broken. “The ineffable Breslin, the mob’s Homer, may not have done much to ensure Kaplan’s longevity, but he has surely granted him immortality.” —Boston Globe “Bad cops, good crook, great story.” —USA Today “Breslin is a writer of the heart. It’s hard to name another author who demonstrates a better understanding of the passions of urban misrule.” —Playboy “Completely sure of what he’s doing, the author knows how to hook a reader.” —New York Observer “Brilliant . . . a colorfully nuanced depiction of Burt Kaplan.” —New York Daily News “Jimmy Breslin at his best.” —New York Times “The Good Rat tells us about the corkscrew workings of the criminal mind where Dostoevsky’s Crime and Punishment left off.” —Nicholas Pileggi, New York Times bestselling author of Wiseguy “Smart and stinging . . . a winner.” —Kirkus Reviews “[Breslin’s] writing, like the Mafia itself, breezily transitions from humorous to horrifying.” —Publishers Weekly

The Good Rat Jimmy Breslin, 2008-02-05 He was the first to put the mafia on the page exactly as they were—before The Sopranos, before The Godfather, there was Jimmy Breslin of the New York Herald Tribune. As Breslin says, ‘I hate legitimate people. They all proclaim immaculate honesty, but each day they commit the most serious of all felonies, being a bore. To whom do you care to listen, Warren Buffet, the second richest and most boring person on earth, or Burt Kaplan out of Bensonhurst, Brooklyn?’ Breslin can sniff out a story like he can sniff out a rat. Characters like the Honorable Jack Weinstein, the judicial heavyweight who snapped Vincent Gigante’s insanity defense in two, Sammy the Bull, the original snitch, Gaspipe Casso, named for his weapon of choice; and hangouts like Pep McGuire’s, the legendary watering hole where reporters and gangsters (all hailing from the same working class neighbourhoods) rubbed elbows and traded stories, the dog-fight circles

and body dumps at Ozone Park, the back room at Midnight Rose's candy store where Murder, Inc. hired and fired. But best of all, Breslin captures the moments in which the Mafia was made and broken- Breslin was there the night John Gotti celebrated his acquittal at his Ravenite Social Club on Mulberry, having bribed his way to innocence, only to incite the wrath of the FBI, who would later crush Gotti and others with the full force of the RICO laws. Woven throughout Breslin's stories is the aforementioned 'Burt Kaplan out of Bensonhurst, Brooklyn,' and star witness in the recent trial of the two New York City detectives indicted for acting as mob hit men in eight homicides. Kaplan was a former handler for the Luchese crime family who owed the law 18 years in the penitentiary, and, like all rats, he knew when to flee a sinking ship.

The Mafia Rat Jimmy Breslin, 2009 He came from the same streets as mob bosses John Gotti & Vito Genovese. Before 'Scarface', 'The Godfather' or 'The Sopranos', there was Pulitzer Prize winner Jimmy Breslin. In 'The Mafia Rat', Breslin shows us the people and places that defined the Mafia.

Bad Choices Make Good Stories: The Strange True Story of the First Influencer Oliver Markus Malloy, 2020-07-27 Special Anniversary Omnibus: Get all three books for the price of one! ____ Part 1: Going to New York ____ The strange true story of the first influencer. Oliver, a hacker living in Germany, meets Donna online. She's an American girl living in New York. After chatting and talking on the phone for months, he finally decides to surprise her with a visit. But he soon finds out that things are not what they appeared to be, and that this visit will change his life forever. "Nobody has ever killed themselves over a broken arm. But every day, thousands of people kill themselves because of a broken heart. Why? Because emotional pain hurts much worse than physical pain." -Oliver Markus Malloy, *Bad Choices Make Good Stories* "Don't ever think you're better than a drug addict, because your brain works the same as theirs. You have the same circuits. And drugs would affect your brain in the same way it affects theirs. The same thought process that makes them screw up over and over again would make you screw up over and over as well, if you were in their shoes. You probably already are doing it, just not with heroin or crack, but with food or cigarettes, or something else you shouldn't be doing." -Oliver Markus Malloy, *Bad Choices Make Good Stories* A must read. One of those rare books that sucks you in from the first to the last page. □□□□ - Amazon Review ____ Part 2: The Heroin Scene in Fort Myers ____ America has a heroin problem. Oliver moves from New York to Florida. Battling with depression, he gets sucked into the seedy underworld of Fort Myers, where he encounters a number of female drug addicts. He empathizes with them because of his own traumatic past. Oliver feels compelled to try to help them escape the addict lifestyle, but learns the hard way that he is in way over his head. A truly fascinating and unexpected look at the darker side of addiction. □□□□ - A. Allyson, Goodreads ____ Part 3: Finding Happiness in Los Angeles ____ If you're a fan of Dave Chappelle or John Oliver, you'll love this book. After writing a book about his bizarre adventures in America's underbelly, Oliver finally finds love among his readers on Goodreads. I think it will become a standard for people who are dealing with loved ones struggling with addictions. □□□□ - B. Bridges, Amazon Review Dear Reader, You're a little late to the party.

Where the hell have you been? This is already the third and final part of the trilogy, and you're only joining us now? Tsk tsk tsk. Let me get you up to speed on what you've missed so far: In book one, *Going to New York*, you missed the utterly fascinating, nay spellbinding saga of me growing up in Germany and later emigrating to New York. I was a brooding, troubled teenage hacker. Wow! Good stuff! It's almost like my life was the perfect kind of crazy to make a really awesome book! Anyway, being a teenage hacker came in handy later in life. I went from rags to riches thanks to my keen understanding of technology and how to use the web to my advantage. In New York I was married to Donna, a girl I had met online. She was an agoraphobic, prone to temper tantrums. And fun was had by all, which led to a divorce 16 years later. That's where the story gets really interesting. I began dating. It didn't go well. I was no good at it. OK, truth be told, I was really bad at it. Apparently I had terrible taste in women. A heroin-addicted hooker named Alice broke my heart and robbed me of my will to live. Doesn't sound very fun, does it? But it's a fun read, I promise. Dark, but fun. Mesmerizing even! Brokenhearted, I moved from New York to Florida. That's where the first book ends. The second book you missed (I'm not mad at you. I'm just disappointed.) is called *The Heroin Scene in Fort Myers*, which is a very fitting title, believe me. Sometimes I'm a slow learner, so I dated my way through the heroin scene in Florida, and I couldn't figure out for years why I wasn't finding any wife material. But oh how I tried. And tried. In all the wrong places. Pretty sad. I'm not proud of it. After years of sad pathetic sex with heroin addicts I was a wreck. My younger self wouldn't have even recognized me. Lucy and Veronica had turned me into a broken, humiliated shell of a man. My heart had been ripped out of my chest so many times, it was a miracle I hadn't killed myself yet. (Seriously, it's a fun read. I promise!) At the end of the book I had it up to here with heroin addicts. I told myself never again would I let myself be sucked in by the sweet lies of manipulative, fake love. The name of the final chapter was NO MO HO. No more whores. I needed to change my life before my life was going to kill me. I hopped on a plane, back to my native Germany, to lick my wounds and heal before returning to America. That's where the second book ended. And now, for our third and final act...

The Real Story Book Wallace Wadsworth, 1927

Toto Reveals the True Story Dennis Sanchez, 2024-08-31 L. Frank Baum got it all wrong. Well, that's the way Toto saw it. Toto asserts that the inconsistencies between L. Frank Baum's version and how the adventures truly unfolded are due in part to Baum's inability to understand Toto's Cairn terrier accent. Toto has now decided to set the record straight. Toto asserts that the inconsistencies between L. Frank Baum's version and how the adventures truly unfolded are due in part to Baum's inability to understand Toto's Cairn terrier accent. This failure prompted Baum to focus primarily on Dorothy, Scarecrow, Tin Woodman, and Lion, overlooking Toto's contributions. Toto, now in his declining years, has decided to set the record straight and show how he, with courage, foresight, and determination, guided his companions unscathed through one perilous mishap after another. For without Toto's guidance, his companions could still be wandering aimlessly through the Land of Oz. Toto's

Adventures with Dorothy, as told by Toto, is the true tail of their exploits in the Land of Oz. Although Toto can articulate his thoughts and observations clearly, it is when he attempts to verbalize them to his companions that he finds himself hampered by his thick canine accent. In other words, he barks. Toto nonetheless offers his advice whenever they find themselves in one perilous mishap after another. For without Toto's courage, foresight, and determination, as far as he is concerned, they could all still be wandering futilely through the Land of Oz. Or worse, slain by any of the evil threats they encounter. When told that the Wizard of Oz never appears in his true form, and presuming that Wizards are mostly likely courageous, brilliant, generous to a fault, and the best companion one could ever wish for, Toto concluded that the Wizard's true form is most certainly a breed of dog. A, perhaps? Having ascertained this knowledge by deduction, Toto was eager to meet snout to snout what he envisioned as the Great Wizard Dog!

Too Good to Be True Jan Harold Brunvand, 2011-02-07 If you enjoy these too-good-to-be-true tales, Brunvand's new book will give you hours of pleasure.—Chicago Tribune A fabulously entertaining book from the ultimate authority on those almost believable tales that always happen to a friend of a friend. Alligators in the sewers? A pet in the microwave? A tragic misunderstanding of the function of cruise control? No, it didn't really happen to your friend's sister's neighbor: it's an urban legend. And no matter how savvy you think you are, you are sure to find in this collection of over 200 tales at least one story you would have sworn was true. Jan Harold Brunvand has been collecting and studying this modern folklore for over twenty years. In *Too Good to Be True* he captures the best stories in their best retellings, along with their latest variations and examples of how the stories have changed as they move from person to person and place to place. To help you find your favorite, Brunvand has arranged the tales thematically. *Bringing Up Baby* is full of episodes of child-rearing gone wrong, including the grisly tale of the drugged out baby-sitter who mistakes the kid for a turkey. *Funny Business* showcases stories of infamous lapses in customer service, such as the story of the shockingly expensive chocolate chip cookie recipe. And *The Criminal Mind* features both brilliant --if they were real --scams, as well as the purported antics of the less mentally gifted. Whether you want to become an expert debunker or just have plenty of laughs, this book will surprise and entertain you. Illustrated throughout. Informative and entertaining.... Brunvand has collected more than 200 of the most-repeated and best-known examples of modern folk-myth.—Tampa Tribune [N]ot only an entertaining anthology, but an excellent introduction to the study of folklore itself.—Publishers Weekly A fun read... . All the classics are here from the killer upstairs to the Kentucky Fried Rat.—New City Resonant stories that express our hidden anxieties ... make us laugh, [or] arouse our fascinated horror.—San Francisco Chronicle Book Review Informative and entertaining... . Brunvand has collected more than 200 of the most-repeated and best-known examples of modern folk-myth.—Tampa Tribune [N]ot only an entertaining anthology, but an excellent introduction to the study of folklore itself.—Publishers Weekly

Handbook of the American Short Story Erik Redling, Oliver Scheiding, 2022-01-19 The American short story has

always been characterized by exciting aesthetic innovations and an immense range of topics. This handbook offers students and researchers a comprehensive introduction to the multifaceted genre with a special focus on recent developments due to the rise of new media. Part I provides systematic overviews of significant contexts ranging from historical-political backgrounds, short story theories developed by writers, print and digital culture, to current theoretical approaches and canon formation. Part II consists of 35 paired readings of representative short stories by eminent authors, charting major steps in the evolution of the American short story from its beginnings as an art form in the early nineteenth century up to the digital age. The handbook examines historically, methodologically, and theoretically the coming together of the enduring narrative practice of compression and concision in American literature. It offers fresh and original readings relevant to studying the American short story and shows how the genre performs American culture.

Our Dumb Animals George Thorndike Angell, 1922

Life Stories Maureen O'Connor, 2011-08-23 Memoirs, autobiographies, and diaries represent the most personal and most intimate of genres, as well as one of the most abundant and popular. Gain new understanding and better serve your readers with this detailed genre guide to nearly 700 titles that also includes notes on more than 2,800 read-alike and other related titles. The popularity of this body of literature has grown in recent years, and it has also diversified in terms of the types of stories being told—and persons telling them. In the past, readers' advisors have depended on access by names or Dewey classifications and subjects to help readers find autobiographies they will enjoy. This guide offers an alternative, organizing the literature according to popular genres, subgenres, and themes that reflect common reading interests. Describing titles that range from travel and adventure classics and celebrity autobiographies to foodie memoirs and environmental reads, *Life Stories: A Guide to Reading Interests in Memoirs, Autobiographies, and Diaries* presents a unique overview of the genre that specifically addresses the needs of readers' advisors and others who work with readers in finding books.

The Good Rat A True Story Introduction

In today's digital age, the availability of The Good Rat A True Story books and

manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of The Good Rat A True Story books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of The Good Rat A True Story books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing The Good Rat A True Story versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, The Good Rat A True Story books and manuals for download are incredibly convenient. With just a computer or smartphone and an

internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing The Good Rat A True Story books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely

distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for The Good Rat A True Story books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of

America, which provides a vast collection of digitized books and historical documents. In conclusion, The Good Rat A True Story books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of The Good Rat A True Story books and manuals for download and embark on your journey of knowledge?

FAQs About The Good Rat A True Story Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader

engagement and providing a more immersive learning experience. The Good Rat A True Story is one of the best book in our library for free trial. We provide copy of The Good Rat A True Story in digital format, so the resources that you find are reliable. There are also many Ebooks of related with The Good Rat A True Story. Where to download The Good Rat A True Story online for free? Are you looking for The Good Rat A True Story PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another The Good Rat A True Story. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of The Good Rat A True Story

are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials.
