William E. Paul

Eternal Security Charles F. Stanley,

The Bible Knowledge Word Study Darrell Bock, 2006 Analyzes words in biblical context, rather than providing a simple dictionary definition. Gives Verse-by-verse commentary in a neat, clear, easy-to-read format.

The Bible For Beginners And The Rest of Us Arlington McRae, The Holy Spirit, 2016-06-17 In this new series - BIBLE THREADS, *Keys to Understanding the Bible* - Arlington McRae offers us a fresh new 21st century paradigm for how we approach the Bible and understand its essential message. The Bible presents us with a series of stories and related events. The question becomes, How are these stories and events connected? And what are we to do with them? The answer is found in understanding Bible Threads. A Bible thread is the link or bridge that connects the stories and books. A Bible thread is what each story and/or book has in common with other books or stories from Genesis to Revelation. This series addresses the indispensable threads to prepare you to read your Bible enthusiastically with great understanding; and to allow you the joy of discovering other threads for yourself through your own daily Bible study. This volume offers a power packed, Jesus inspired, potentially life-changing resource as it presents the Bible to us in its simplest form. Starting at the beginning, the author walks us through a new perspective and a new context for how we understand and interpret what we read. It is designed for (a) those of us new to the Bible, and (b) those who never received a comprehensive overview of the Bible that makes sense to them. In this volume, the author lays out the structure and the over all story - the big picture - of the Bible. This presentation is designed to broaden the context for how we interpret and unify the various books and stories. At the completion of this volume, you will be encouraged to read your Bible and to study it more intelligently with much more confidence and with a satisfying sense of accomplishment.

The Bible Knowledge Commentary Major Prophets John F. Walvoord, Roy B. Zuck, 2018-03-01 Hard Truths and Amazing Grace Isaiah, Jeremiah, Ezekiel, and Daniel spoke words of warning, comfort, and punishment to the people of Israel in Judah and during the Babylonian Captivity. Though they faced incredible loss and persecution as they grieved the choices the Israelites made, these major prophets of the Old Testament fulfilled their role as God's voice to a rebellious people. In this highly respected commentary, Dallas Theological Seminary scholars explore the historical and cultural background of the prophets, the literary devices they used, and what these books teach us about God's call to us to follow Him today.

Reflections of a Disenchanted Calvinist Ronnie W. Rogers, 2016-03-28 *Reflections of a Disenchanted Calvinist: The Disquieting Realities of Calvinism* engages one of the classical strands of Protestant thought with the classical strength of Protestantism shedding the light of the Scriptures on the questions of the faith. Author Ronnie W. Rogers leads readers through the intricacies of Calvinist thought, touching on such topics as the sovereignty of God, predestination, unconditional election, the origin of evil, free will, and faith and works. The intent of this journey is to provide a critique of Calvinism and to present readers with a clear picture of the ramifications of subscribing to Calvinist doctrines. Chapters address particular theological topics by stating both affirmations rooted in the Scriptures and disaffirmations drawing their support from the Scriptures as well. The lines of thought do not shy away from complex theological questions, but instead rely upon the riches of theological reflection to assure the critiques of Calvinism are fair both to the doctrines and to the Scriptures. If you are a part of the Calvinist tradition and want to explore the nuances of your background, or if you locate yourself outside of that tradition but have deep curiosity about the questions the Calvinist tradition raises, then *Reflections of a Disenchanted Calvinist: The Disquieting Realities of Calvinism* offers a rigorous guide to exploring the depths of the tradition and critique of the tenets of Calvinism.

The Delicate Balance Adrienne Evans Johnson, 2011-10-05 *Marriage is in crisis. The divorce rate is high and both men and women have gravitated to roles that are unstable, unhealthy and unnatural. The thing that we desire the most seems to give the most turmoil. How can it be that God created marriage as the foundational relationship for society and yet it is the most difficult of relationships? How is it that God said, It is not good for man to be alone, yet every time man and woman get together their union brings more smoke than fire? Is it the two becoming one that creates the problem or the choices we make in marriage? God has a wonderful plan for marriage that carefully blooms into a delightful union when you choose Him as your guide. Every woman who desires a marriage made in heaven will appreciate Adriennes honest, open and real approach to the difficult areas of marriage. She shares real life experiences that inspire, encourage and re-affirm the value of womanhood and the beauty of holy matrimony.*

The Jezebel Syndrome Daniel Klender, 2021-03-30 *The Jezebel Syndrome* by Daniel Klender

Does God Love All or Some? Ronnie W. Rogers, 2019-04-19 The term “extensivism” describes my position regarding the doctrine of salvation. Specifically, extensivism believes that man was created in the image of God with otherwise choice; God’s salvation plan involves an all-inclusive unconditional offer of salvation to every person, reception of which is conditioned upon grace-enabled faith rather than Calvinism’s exclusive plan of a limited actual offer of salvation to only the unconditionally elected. Generally, it replaces the term “non-Calvinism.” These are the five primary objectives of the book: First, my considerations would result in a deeper understanding of God. Second, I will demonstrate that God salvationally

loves every single person. Third, I intend to offer a precise and respectful critique of Calvinism's internal and biblical inconsistencies (these are largely due to its commitment to compatibilism and unconditional election). Fourth, I will demonstrate that God's free choice to endow man with libertarian freedom is a more biblical perspective. Fifth, because a significant percentage of people who become Calvinists do not actually understand Calvinism, I seek to present Calvinism and extensivism in language that is precisely and consistently reflective of the commitments of each perspective regarding God's sovereignty, salvific love, foreknowledge, and man's freedom; this so a person can make an informed choice about Calvinism.
