*Things We Don't Talk about* Pandora Owl, 2019-01-27 Things we don't talk about is a collection of words, thoughts and poetry about love, anxiety, depression and overall mental health. It can get a little too raw for some and a little too real for others.

Depression, Anxiety, and Other Things We Don't Want to Talk About Ryan Casey Waller, 2021-01-05 Mental illness loves to tell lies. One of those lies is that you should be able to manage what you're struggling with all by yourself, but in *Depression, Anxiety, and Other Things We Don't Want to Talk About*, pastor and psychotherapist Ryan Casey Waller reminds us that we don't have to suffer alone. Mental health issues aren't a symptom of a spiritual failing or insufficient faith. In fact, suffering is the very thing our Savior seeks to heal as he leads us toward restoration. And yet, as Waller has experienced firsthand, the battle can be lonely and discouraging--but it doesn't have to be. Combining practical theology, clinical insights, and deep empathy, Waller offers a rare mix of companionship and truth, inviting us to: Have shame-free conversations about mental health Discover why self-knowledge is so important to a deep relationship with God Understand the intersection of biology, psychology, and spirituality Explore varying avenues of healing in community, therapy, and medication Be equipped to support loved ones while practicing self-care Waller bridges the gap between the spiritual and the psychological in this empathetic, imminently helpful guidebook, reminding us all that we are not alone. Hope starts now. Praise for *Depression, Anxiety, and Other Things We Don't Want to Talk About*: I work with Christian leaders from all over the country and have seen firsthand how desperately we need to be talking about depression and anxiety. What prior generations considered taboo, the leaders of today and tomorrow consider essential. Whether you're new to the conversation of mental health or intimately familiar with its complexities, Waller's book has something for you. I can't wait for you to read this. --Grant Skeldon, author of *The Passion Generation* and Next Gen Director at Q

**We Dont Talk About That** Giselle Roeder, 2014-04 Millions of women were abused and raped during the final stages of WW II, and while the attitude among many survivors is We don't talk about that, this woman has found the courage to place her memories on record. Growing up in a rural village in Pomerania, Gila's tranquil life turned tragic when the fighting approached her neighborhood. Her father was captured and taken to Siberia while she and her family became displaced persons and joined the trek of thousands on the road to nowhere. She was witness to gruesome acts of violence that quickly

aged her before her years. She barely survived diphtheria and later, recovering from typhoid fever, she took responsibility for her three siblings while her mother worked. Despite her interrupted schooling through circumstances beyond her control, Gila's determination empowered her to become a Physical Education teacher and successful competitive kayaker. The division of Germany into East and West with its political ramifications caused her to escape to West Germany. Here she was able to fulfill an old dream despite having to face new challenges, including an unwanted affair. Gila's story is one of heartache, courage, pain, love, liberation and reclaiming life....

**Relationships** Dr. Stacye Branché Msc.D,2016-03-15 The one thing we all desire in life is to love and be loved. We desire to have a special connection with another person. The kind of connection only that special person can share with us. But where and how do we find that special connection? The answer to this question is one I have noticed many people seem to be struggling to find. What made me decide to write this book was that fact that I saw so many people struggling to find and have the type of loving relationship that, it seemed, many of us could only dream about. I thought long and hard about the subject of love and relationships, what we learn or don't learn, and I realized that it was time to change how we look at and approach love and relationships. I looked at my own life and relationships, and the life and relationships of people around me, and decided to take what I learned and found useful, and share it. I realized while researching for this book that there are so many things that we are taught throughout our lives, but there is never really any formal teaching on how to love ourselves and others or how to find that meaningful connection that we all desire to have.
