Are you exhausted watching families crumble under state-enforced feminist dogma? What if the root of male suffering isn't progress—but a 2,000-year-old Satanic rebellion? - Expose Gloria Steinem's C.I.A.-backed sabotage of nuclear families. - Reverse the mangina brainwashing turning men into feminist foot soldiers. - Unleash data proving workplace policies fuel male suicide—not equality. - Decode Derrida's linguistic warfare hiding in your H.R. handbook. - Shatter the courtroom myths bankrupting divorced fathers. - Reclaim biological truths buried by gender ideology. - Resist Lilith's digital mirror spreading narcissism through TikTok. - Revive primal masculinity with

**Strong Men in Tough Times** Edwin Louis Cole,1994-05 The world is looking for strong men who will overcome drifting philosophies and bring order, hope and dignity back to a world in desperate need. In **Strong Men in Tough Times**, Edwin Louis Cole points the way toward hope.

**Letter To My Son** Rohit Dubey,2025-05-22

This book is a heartfelt collection of 20 letters from a father to his unborn child, written with the awareness that life is unpredictable. Having lost his own father at a young age, the author understands the struggles of growing up without guidance. These letters aim to offer essential life, lessons the child might need after completing their education-covering topics like career, relationships, health, finances, and personal growth.

Though addressed to a son, the advice is universal and intended for both sons and daughters. This book serves as a practical and emotional guide for teenagers, young adults, and parents seeking to support their children through life's early challenges.

**Intersectionality and Leading Social Change in Education** Aubrey H. Wang,Margaret Grogan,2024-07-02 This book explores a social change and transformational approach to leadership. As educational leaders are increasingly serving a changing demographic of students and also address persistent challenges and heightened tension around race and equity, it is becoming necessary for educators to approach leadership in new and radical ways. Designed for aspiring and current leaders, this book highlights stories of courageous educational leaders with intersectional identities who interrogate and reflect on how their intersectionality shaped their leadership. In turn, these stories help readers explore how lived experiences and deeply held values can shape and inform their own leadership. Chapters conclude with a reader's guide, prompting reflection upon the nuances of each leader's journey, and thus, facilitating the discourse of marginalized experiences in educational leadership. This new approach to professional learning helps today's aspiring principals, aspiring superintendents, and practicing administrators learn how intersectional leadership can help them navigate multiple marginalized spaces and codify new notions of power and success. This volume generates a collection of compelling counter narratives that the field needs to hear. Winner of "Society of Professors of Education 2025 Outstanding Book Award Honorable Mention"

**Unfit to Fight** Amber Smith,2024-04-30 Our Woke Military Could Lose the Next War Wokeness used to be an annoying

distraction in the U.S. military. Now it is a major threat to national security. Faster than most of us thought possible, our military has become a woke, dysfunctional bureaucracy focused not on winning wars but on identity politics, gender ideology, climate change, and other favored causes of the leftist elite. Don't think that China isn't watching. Don't think that Russia, Iran, and North Korea haven't noticed. But so has Amber Smith, a former U.S. Army combat helicopter pilot and Deputy Assistant to the Secretary of Defense. In her riveting new book, *Unfit to Fight*, she sounds the alarm that our military and our nation are at grave risk. In *Unfit to Fight*, you'll learn: Why the military should not "reflect American society," but be a select group of lethal professionals How the Pentagon rewards lowered standards for the sake of "diversity" Why failure often leads to promotion—if you have the right friends Why a return to combat merit, battlefield mission, and trust in leadership are essential—or we will lose our next war Elections, as they say, have consequences, and catastrophic damage to national security is among the most important. Amber Smith's *Unfit to Fight* needs to be in the hands of everyone who cares about our military and our survival as a nation.

*Becoming A Real Father* Eddy Leo,Hendra Zefanya,2025-04-23 Why then do so many fathers fail to live out their role as fathers to the fullest? I believe, as Edwin Louis Cole said, that the main factor is because men are not growing into maturity — and the reason men are not maturing is due to the lack of discipleship within the local church. For this reason, it is the task of church pastors to disciple men, and it is the task of men to disciple their families. This material is a 30 day devotional, designed as a follow-up to Module 2 Men's Discipleship. After participants attend Camp Module 2: Becoming a Real Father, they are to go through this material together with their Havruta-Micro Cell group to dive deeper and apply the principles of fatherhood within their families.

### **I Am Stronger Than Strong Man** Joseph Ngoma ,2025-10-17

I am stronger than strong man, is an exploration of the dogma of the strongman-a metaphor for the forces of evil that challenge believers in their daily lives. The Powerful Guide by Joseph Ngoma stresses that without a deep, abiding fear of God and a commitment to living a sanctified life, no one can successfully overcome these forces. Heavily drawn from biblical scriptures, the book illustrates how individuals can harness their God-given power to defeat the strongman. He reminds readers that through the Holy Spirit, every believer has the strength to resist evil and live victoriously.

I am stronger than strong man addresses the modern-day challenges faced by Christians, including materialism, spiritual immaturity, and the lack of genuine leadership in the church. He highlights the need for true spiritual leaders who fear God and live lives of humility and sanctification. By doing so, they can inspire and train others to become stronger than the strongman.

The book encourages readers to meditate on God's word, as it is through this meditation that one gains the wisdom and strength needed to overcome life's challenges. He also underscores the importance of understanding one's true identity in Christ, which is essential for living a life of victory and power.

I Am Stronger Than Strong Man is not just a book but a call to action for Christians to awaken to their spiritual potential. It offers practical guidance on how to live a life that reflects the power and authority that comes from being a child of God.

Cole, 2014-05-01 Society's widening gap between technological achievement and moral decay compels men of courage, integrity, and true manhood to stand strong. In a quest for satisfaction, many men have lost the meaning of manhood, surrendering ideals to things immoral, illegal, unethical, or irresponsible. Today's tough times require men to overcome dangerous philosophies and bring hope, dignity, and order back to a world in desperate need - men who are willing to be heroes.
