

What Was The Caravel

Washington Irving

What Was the Renaissance? Roberta Edwards, Who HQ, 2025-03-04 Discover all there is to know about the Renaissance, the period in history that took Europe from the Middle Ages to modern times! Beginning in Italy, the Renaissance was a cultural movement that spread throughout Europe and affected art, science, technology, politics, and thought. From the 1300s to the beginning of the 1600s, scholars started to question what they knew and looked to literature and historical texts to develop new ideas for why things were the way they were. In just a short amount of time, the foundations for European life were uprooted and examined, leading people, including Leonardo da Vinci and Michelangelo, to explore new ways of thinking and being. Readers will learn why the Renaissance was such a pivotal time in European history and how it still influences us.

What Was the Age of Exploration? Catherine Daly, Who HQ, Jake Murray, 2021-03-09 Land ho! Discover what the Age of Exploration was all about in this wonderful addition to the bestselling Who HQ series! Before the fifteenth century, European sailors were unsure what waited for them beyond their well-known travel routes around the Mediterranean Sea, so they kept within sight of land. But all of that changed after Prince Henry the Navigator of Portugal started sending ships down the coast in the hope of finding a sea route to India and Africa. This was the beginning of a giant leap toward understanding what the globe actually looked like. Certain European nations grew rich and powerful from the New World gold and lands they claimed, while advanced, long-standing civilizations like the Aztecs and Incas were destroyed in the cruelest of ways. This book also features the fun black-and-white illustrations and engaging 16-page photo insert that readers have come to love about the What Was? series!
