Bridge to Terabithia - Literature Kit Gr. 5-6 Marie-Helen Goyetche,2007-02-01 Travel to an imaginary land to discover the true power of friendship and the heartache of loss. Provide open-ended application and journal prompts to excite students about the reading. Make a prediction on what the story will be about based solely on the front cover of the novel. Put events in order that led to the creation of Terabithia. Find the meaning of vocabulary words, then use each word in a sentence. Students describe how they would respond to someone bullying them. Then, students create their own imaginary place like Terabithia. Keep track of events as they happen month by month in the novel with an Events Calendar graphic organizer. Aligned to your State Standards, additional crossword, word search, comprehension quiz and answer key are also included. About the Novel: A dramatic and fascinating story of friendship! Jesse Aarons is a fourth grader who loves to run. Once the fastest and best runner at Lark Creek Elementary School in Virginia, until he was challenged by a girl—Leslie Burke. Leslie and her parents were new to this community, and they soon became best friends; their relationship was a strong one. Then, Leslie gets a great idea to create Terabithia, a secret place in the woods only for themselves. One day, while Jesse is not there, Leslie tries to cross the bridge to Terabithia, but falls in and drowns. When Jesse finds out, he is devastated. Soon after, the Burke family moves away, but Jesse believes that she has taught him something.

Supporting Inclusive Practice and Ensuring Opportunity is Equal for All Gianna Knowles, 2017-07-06 This third edition of Supporting Inclusive Practice builds on the successful format of the previous two editions, both in content and structure. It explores many aspects of inclusive practice relevant to those who work with children in schools and other educational settings, aiming to provide the most up-to-date theoretical knowledge and understanding in the field, and illustrating the theory with examples of good practice in the areas explored. Many of the topics that have appeared in the previous editions, including supporting children for whom English is a second language, children on the autistic spectrum and children with neurodiversity conditions, also appear in this edition. The revised content of this third edition also covers recent and relevant changes in national policy and legislation, particularly, for example, around changes in equality and disability, same-sex parenting and transgender children and parenting policy and legislation. It explores the impact on aspects of inclusive practice legislation such as the Equality Act 2010, Marriage (Same Sex Couples) Act 2013 and the Children and Families Act 2014. It also explores in detail the revised 2014 SEN Code of Practice and the introduction of the pupil premium in 2011, which provides support for the education of children from low income families or who may be children who are fostered or in care.
