Dating You / Hating You Christina Lauren, 2017-06-06 A sexy, compulsively readable romantic comedy that dives headlong into the thrill and doubt of modern love by exploring what two high-powered agents will—and won't—do to get everything they ever wanted, from the New York Times bestselling authors of *The Unhoneymooners* and *Love and Other Words*. Despite the odds against them from an embarrassing meet-awkward at a mutual friend's Halloween party, Carter and Evie immediately hit it off. Even the realization that they're both high-powered agents at competing firms in Hollywood isn't enough to squash the fire. But when their two agencies merge—causing the pair to vie for the same position—all bets are off. What could have been a beautiful, blossoming romance turns into an all-out war of sabotage. Carter and Evie are both thirtysomething professionals—so why can't they act like it? Can Carter stop trying to please everyone and see how their mutual boss is really playing the game? Can Evie put aside her competitive nature long enough to figure out what she really wants in life? Can their actor clients just be something close to human? Whether these two Hollywood love/hatebirds get the storybook Hollywood ending, or just a dramedy of epic proportions, you get to enjoy Christina Lauren's heartfelt, hilarious story of romance in the modern world.

Dating you Hating you Christina Lauren, 2024-05-15 « Une authentique romance du xxie siècle, aussi futée que sexy pour les lecteurs friands de girl power. » Kirkus Review Lors de la fête d'Halloween d'un ami commun, le courant passe instantanément entre Carter et Evie, deux des plus influents agents d'Hollywood au service de deux entreprises concurrentes, ce qui ne suffit pas à éteindre leur flamme. Quand leurs agences fusionnent, les mettant en compétition pour le même poste, tous les paris sont ouverts. Ce qui aurait pu devenir une belle romance se transforme en une guerre ouverte de sabotage. Carter et Evie sont pourtant deux trentenaires compétents et haut placés, alors pourquoi ne se comportent-ils pas en conséquence ? Ces deux adeptes du je t'aime/moi non plus, parviendront-ils à vivre un scénario de conte de fées à la manière des films d'Hollywood ? Entre happy end hollywoodien et tragédie aux proportions épiques, une romance hilarante, tapageuse et touchante de Christina Lauren, au meilleur de sa forme.

Twice in a Blue Moon Christina Lauren, 2019-10-22 From the New York Times bestselling authors of The Unhoneymooners and Love and Other Words comes a modern love story about what happens when your first love reenters your life when you least expect it... Sam Brandis was Tate Jones's first: Her first love. Her first everything. Including her first heartbreak. During a whirlwind two-week vacation abroad, Sam and Tate fell for each other in only the way that first loves do: sharing all of their hopes, dreams, and deepest secrets along the way. Sam was the first, and only, person that Tate—the long-lost daughter of one of the world's biggest film stars—ever revealed her identity to. So when it became clear her trust was misplaced, her world shattered for good. Fourteen years later, Tate, now an up-and-coming actress, only thinks about

her first love every once in a blue moon. When she steps onto the set of her first big break, he's the last person she expects to see. Yet here Sam is, the same charming, confident man she knew, but even more alluring than she remembered. Forced to confront the man who betrayed her, Tate must ask herself if it's possible to do the wrong thing for the right reason... and whether "once in a lifetime" can come around twice. With Christina Lauren's signature "beautifully written and remarkably compelling" (Sarah J. Maas, New York Times bestselling author) prose and perfect for fans of Emily Giffin and Jennifer Weiner, *Twice in a Blue Moon* is an unforgettable and moving novel of young love and second chances.

Dating Makes You Want to Die Daniel Holloway, Dorothy Robinson, 2008-08-19 You have two choices: Be attacked by a wolverine or go on a date. If you're smart, you chose wolverine. If not—well, wait, are you sure you don't want the wolverine? Happily ever after isn't so easy anymore. It's all speed dating, matchmaking terror, and visits to your therapist. Whether it's the mortification, frustration, or just plain exhaustion that's got you ready to give up on love, this book is here to help. After all, there are only two ways out of the dating scene. One involves giving up all your possessions and taking a vow of chastity. The other involves finding a permanent (or semi-permanent, anyway) partner. This book will help you get through the latter. From the bar scenes and the first sexual encounter to deciding whether to move in together, *Dating Makes You Want to Die* walks you through every stage of the dating process—and, like a Belarusian arms dealer, provides the heavy artillery you'll need to destroy the potential problems lurking in each one. Each chapter discusses the problems that can arise when dating, offers a remedy, and includes hilarious sidebars and quizzes to further help you prepare for the jungle out there. Some sanity-keeping tips include: How to make a first impression that is more good than totally crazy. How to not panic the moment you realize you're actually in an honest-to-God relationship. Helpful, foolproof breakup lines for total damage control. Intelligent, snarky, and entertaining, *Dating Makes You Want to Die* may make you actually want to live through a relationship.

Find out in *The Perks of Hating You*, an enemies to lovers romance that will leave you wanting more.

Love and Other Words Christina Lauren, 2018-04-10 Love, loss, friendship, and the betrayals of the past all collide in this

first women's fiction novel from New York Times and #1 international bestselling author Christina Lauren (Autoboyography, Dating You / Hating You). The story of the heart can never be unwritten. Macy Sorensen is settling into an ambitious if emotionally tepid routine: work hard as a new pediatrics resident, plan her wedding to an older, financially secure man, keep her head down and heart tucked away. But when she runs into Elliot Petropoulos—the first and only love of her life—the careful bubble she's constructed begins to dissolve. Once upon a time, Elliot was Macy's entire world—growing from her gangly bookish friend into the man who coaxed her heart open again after the loss of her mother...only to break it on the very night he declared his love for her. Told in alternating timelines between Then and Now, teenage Elliot and Macy grow from friends to much more—spending weekends and lazy summers together in a house outside of San Francisco devouring books, sharing favorite words, and talking through their growing pains and triumphs. As adults, they have become strangers to one another until their chance reunion. Although their memories are obscured by the agony of what happened that night so many years ago, Elliot will come to understand the truth behind Macy's decade-long silence, and will have to overcome the past and himself to revive her faith in the possibility of an all-consuming love.
