MegaloPsychia Rami Elias Kremesti,2024-01-05 According to Rami Elias Kremesti, nothing in life is worse than living in ignorance... After many years of living in depression, fear, anxiety, hate and confusion, the author feels he is finally emancipated and enlightened and wants to bring a taste of this sweetness to the reader... In his third book, he talks about the accomplishments of the Jewish people, the same people that were and are still demonized in his home country of Lebanon. Rami was lucky he was able to escape from the toxic milieu of Lebanon after the end of the civil war. Instead of East, he went to the decadent "West" where paradoxically, he tasted the truth in the poetry of Rumi in Los Angeles, which was his home for about six years. There he also met some Jewish people that became his lifelong loyal friends. As Rumi puts it, his soul caught fire... He discovered the meaning of loving one's enemy and turning the other cheek... You see dear reader, when one tastes divine love, all pettiness, anger, and attachment dissolves... One starts to see unity instead of division... All religions, one praise, as Rumi puts it...In his first book, The Other Cheek of Islam, he reached out to his Muslim brothers. In his second book, For Love of the Sacred Awe, he talks about beauty and aesthetic. In his third one he reaches out to his Jewish brothers.

Posh & Becks Andrew Morton,2007-07-24 SHE IS A FASHION ICON WITH A LUST FOR FAME. HE IS POSSIBLY THE MOST FAMOUS ATHLETE ON THE PLANET. Together they are one of the most loved -- and hated -- pairs on Earth. This sensational, highly addictive biography delves beneath the Beckhams' glossy, glamorous facade to expose the real Posh and Becks behind the headlines and the hype. Celebrity biographer Andrew Morton, hailed for his insightful, in-depth coverage of

luminaries such as Princess Diana and Madonna, explores in detail how David and Victoria Beckham followed their passions - football and fame -- to become two of the most recognizable people in the world. From their individual childhood stories of relentlessly pursuing their dreams to achieving fame together on an international level, Posh and Becks have earned their unofficial titles as the King and Queen of Popular Culture, and they never disappoint their fans -- or the tabloids -- when it comes to making news. Their whirlwind courtship, royal wedding, alleged affairs, and family struggles have been lived out under the glare of flashbulbs, which they seem to simultaneously court and shun as they attempt to balance their personal lives with their public personas. With up-to-date coverage and commentary on all things Beckham, including David's disappointing stint at Real Madrid and the family's relocation to Los Angeles, Posh & Becks lays bare the truth behind the tabloids on this fascinating couple.
