Early Broadway Sheet Music Donald J. Stubblebine, 2015-06-08 This work, a companion to the author's Broadway Sheet Music: A Comprehensive Listing of Published Music from Broadway and Other Stage Shows, 1918 through 1993 (McFarland 1996), provides information about all sheet music published (1843-1918) from all Broadway productions--plus music from local shows, minstrel shows, night club acts, vaudeville acts, touring companies, and shows on the road that never made it to Broadway--and all the major musicals from Chicago.

If Not This Dream Larry D. Clark, 2015-08-06 If Not This Dream is an 1134-page fast-paced novel presented in three books. The night before Zaki, his family, Safiyah Hadejia, and Thomas depart for Nigeria, Africa, to search for Mdawwri, Biggs shows him where his family has buried sixteen giant black-iron cauldrons full of gold coins, now worth billions. When the group arrives at Lagos, Nigeria, they board a Sikorsky S-92, a five-blade helicopter, and fly northeast. When they land at Hadejia, Ahmadu Hadejia, Safiyah's father, and his men surround the machine, all pointing assault rifles at it. The group exits the helicopter, all inspected by Ahmadu. After taking the group into his modern home, Ahmadu gives permission for his daughter to accompany them to the village of the circle, charging Zakis mother with her safety. Three weeks later, the group returns, this time Safiyah asking her father if she can return to America with the family. When he learns that his daughter has lost her virginity to Zaki, an infidel, he goes into a rage, threatening to behead his daughter and Zaki. Safiyah's mother pleads for mercy from her husband. He finally bans Safiyah from his home under curse, never to see her again. They escape in their chartered Sikorsky S-92, a five-blade helicopter. The young pureblooded American Hausa fulfills his ancestors dream and embarks on his own dream, building a self-sustaining all-black private school and town outside Charleston, South Carolina. Tragedy propels Zaki into national spotlight. Interviews on Larry King Live, the Oprah Winfrey Show, and an overnight stay in the Obama White House on the fourth of July facilitate the acceleration of phase two of his dream. Phase three of the dream is for all African American people to return to their roots to rebuild their culture in the original Dixie states of America. Phase three will shake Americas foundation.

Dream World Solo Piano Sheet Music , 2021-08-06 Dream World is my fifth songbook and includes ten pieces from the album Dream World (the alternate take of A Moonlit Dance found on the album is not included in the songbook). The sheet music was carefully notated to match the recordings. Chord symbols were added to help understand the harmony within each

measure, and at times, fingerings were added for suggestions. But my number one suggestion is to enjoy playing the music. Enjoy!

Both are part Native American, Anna being part Navajo and Jim part Cherokee. As they go about their work, both seek to delve deeper into their heritages as well as Native American culture. Each explores past feelings and tries to relate them to their present-day selves. They travel together, and they catch former spies as part of their intelligence work. They begin their lives together amid considerable conflict. This writing is classified as fiction but is based to a large extent on actual happenings in the past.

'Twas Only an Irishman's Dream W. H. A. Williams, 1996 The image of the Irish in the United States changed drastically over time, from that of hard-drinking, rioting Paddies to genial, patriotic working-class citizens. In 'Twas Only an Irishman's Dream, William H. A. Williams traces the change in this image through more than seven hundred pieces of sheet music - popular songs from the stage and for the parlor - to show how Americans' opinions of Ireland and the Irish went practically from one extreme to the other. Because sheet music was a commercial item it had to be acceptable to the broadest possible song-buying public. Negotiations about their image involved Irish songwriters, performers, and pressured groups, on the one hand, and non-Irish writers, publishers, and audiences, on the other. Williams ties the contents of song lyrics to the history of the Irish diaspora, suggesting how ethnic stereotypes are created and how they evolve within commercial popular culture.
