A Collection of Satirical Short Stories: A Bigly Clever Title Craig Rozniecki, 2017-12-13 While in nonsensical actuality Donald Trump's campaign slogan was Make America great again!, it probably should have been either Make facts fake again! or Make bigly stinky BS smell good again! It's appeared to be the president's goal to transform the U.S. into a bizarro world, where up is down, black is white, right is wrong, left is right, and a bouquet of herpes is a popular item at supermarkets every February 14th. Cite a fact? That's fake news. Cite fake news? That's a fact. So what do we do when the leader of our country tries turning reality on its head? Resort to 24-hour all-you-can-eat buffets, binge-drinking, and laughter, not necessarily in that order. That's where author Craig Rozniecki's fifteenth book, *A Collection of Satirical Short Stories: A Bigly Clever Title*, will come in handy! So join him in attempting to cope with Trump's bizarro world, as he satirizes politics, religion, race, every light topic you're advised to talk about on a first date.

Only a Joke Can Save Us Todd McGowan, 2017-09-15 *Only a Joke Can Save Us* presents an innovative and comprehensive theory of comedy. Using a wealth of examples from high and popular culture and with careful attention to the treatment of humor in philosophy, Todd McGowan locates the universal source of comedy in the interplay of the opposing concepts lack and excess. After reviewing the treatment of comedy in the work of philosophers as varied as Aristotle, G. W. F. Hegel, Sigmund Freud, Henri Bergson, and Alenka Zupancic, McGowan, working in a psychoanalytic framework, demonstrates that comedy results from the deployment of lack and excess, whether in contrast, juxtaposition, or interplay. Illustrating the power and flexibility of this framework with analyses of films ranging from Buster Keaton and Marx Brothers classics to *Dr. Strangelove* and *Groundhog Day*, McGowan shows how humor can reveal gaps in being and gaps in social order. Scholarly yet lively and readable, *Only a Joke Can Save Us* is a groundbreaking examination of the enigmatic yet endlessly fascinating experience of humor and comedy.

Non-Punitive School Discipline Adam H. Frank, 2022 When educators are challenged to address problem student

behaviors, the question in their minds should never be “What’s the right punishment?” Instead, this book describes the benefits to both teachers and students of using a relational discipline approach. The author draws on deep experiences as a teacher, coach, and school principal to show how discipline done right can help students to grow in self-management and responsibility. Listening to students and getting to know them are key to helping them to see consequences and make good choices. The author includes sample teacher-student dialogs with actual words to use to deflect power struggles, develop positive relationships, and keep kids accountable without fostering resentment. Frank shares guidelines that have already helped hundreds of grateful teachers to avoid the frustration and discouragement that often occur when working with student misbehavior. Featuring enlightening stories and situation-specific strategies, *Non-Punitive School Discipline* will help K-12 teachers, school administrators, and support staff experience the joy and satisfaction that can come when students grow in positive ways. Book Features: Provides guidance for how to handle minor and major misbehaviors. Promotes discipline that includes accountability, within a non-punitive, restorative, and relational approach. Shows how schools can foster relationships that lead to positive growth for every student, even those who present problem behaviors. Ready-to-use forms and practical strategies to aid in implementation.
