Teachings of Gordon B. Hinckley Gordon Bitner Hinckley, 1997

Church History Study Guide, Pt. 3 Randal S. Chase, 2012-05-31 Latter-Day Prophets Since 1844. This volume is the third of three on Church History and the Doctrine and Covenants. It covers Church history during the administration of all of its Prophet-Prophets since Joseph Smith. It begins with the succession of the Apostles after Joseph Smith's martyrdom, the building of the Nauvoo Temple, and the trek to the west of the Latter-day Saint pioneers. We follow them through Iowa, Winter Quarters, and on to Utah. We witness the colonization of the state of Deseret, while the rest of the country suffered from Civil War. Then we follow events through the administrations of all of the 19th-Century, 20th-Century, and 21st-Century prophets from John Taylor to Thomas S. Monson. We become familiar with the early lives, missions, marriages, and callings of each of these prophets, seeing how the Lord prepared them for the particular time that they led the Church. We finish with a look toward the future as we await the Second Coming of our Lord. The cover features a beautiful photograph of the Salt Lake Temple, taken at dusk during the Christmas season from the roof of the Joseph Smith Memorial Building.

Standing for Something Gordon B. Hinckley, 2001-03-20 In this national bestseller, the president of The Church of Jesus Christ of Latter-day Saints, Gordon B. Hinckley, has created a classic look at the values that can change our world--and how to stand up for them. Drawing on anecdotes from his much-admired life of faith and service, as well as examples from American culture today, he examines ten virtues that have always illuminated the path to a better world: love, honesty, morality, civility, learning, forgiveness and mercy, thrift and industry, gratitude, optimism, and faith. He then shows how the two guardians of virtue--marriage and the family--can keep us on that path, even in difficult times. Standing for Something is an inspiring blueprint for what we all can do--as individuals, as a nation, and as a world community--to rediscover the values and virtues that have historically made us strong and that will lead us to a brighter future.

Hinckley The Church of Jesus Christ of Latter-day Saints, The First Presidency and the Quorum of the Twelve Apostles have established the Teachings of Presidents of the Church series to help you draw closer to your Heavenly Father and deepen your understanding of the restored gospel of Jesus Christ. They can also help you prepare family home evening lessons, prepare other lessons or talks, and answer questions about Church doctrine. This book features the teachings of President Gordon B. Hinckley, who served as President of The Church of Jesus Christ of Latter-day Saints from March 12, 1995, to January 27, 2008.

Five Essential Principles of Scripture Study Sylvia Brown Allan, 2025-07-15 This book has been many years in coming. The Lord has required of me to do the impossible and write. I am not a writer, furthermore, I have been ridiculed my whole life for my weakness in writing. I have been humbled by the challenge to do something I know I cannot do unless the Lord, using a million of His tender mercies, helps me every step of the way. This book has been written and rewritten at least a dozen times without success. Publishers have rejected it many, many times! Actually as total failures! The purpose of this is not to share my life history, but to give brief insights of my journey that lead me, (out of sheer desperation) to a system of studying the scriptures effectively, in order to truly receive PERSONAL answers to prayers, inspiration, and guidance through the words in the scriptures.

Living with LDS Alcoholics Memoirs by Trixie Neal, 2023-03-21 Trixie grew up as the oldest sibling in her family, active members of The Church of Jesus Christ of Latter-day Saints. Alcoholism was present but well-hidden throughout the early

years of her life and beyond, with the kind of impact on family dynamics that have been documented repeatedly and featured in novels, biographies, and movies. The unique twist here is the prohibition against alcohol in the Church, which adds another level of complexity and healing to the recovery process. How safe is it for a family in distress to openly discuss the root cause of the problem in a faith that espouses abstention and has a shadow side of making judgments? Trixie's objective in sharing her memoirs is to give others struggling with addiction consequences an enhanced hope through the Atonement of our Savior Jesus Christ.

Hockey's Hidden Gods S. C. Megale, 2022-12-14 A Library Journal Best Arts & Humanities Book 2022 The extraordinary true story of the U.S. sled hockey team that overcame physical adversity and internal strife to win Paralympic gold. When former NHL star Rick Middleton accepted the position of head coach for the United States sled hockey team, he wasn't sure what to expect. The program had never medaled—had never even come close, in fact. But where Middleton might have found despair, he instead found an incredible group of men who had battled their way back from hell to play the sport they love. In *Hockey's Hidden Gods: The Untold Story of a Paralympic Miracle on Ice*, S.C. Megale uncovers the remarkable tale of a team that shocked the world by taking U.S. sled hockey from worst to first in the 2002 Paralympics. Odds of winning were dismal. The road to victory seemed unfathomable. But this cast of fifteen athletes with disabilities, athletes who had helped build a groundbreaking U.S. sled hockey program with almost no outside support, ultimately persevered on the global stage. Featuring a fascinating history of sled hockey, exclusive interviews with players and coaches, action-packed game coverage, and intimate profiles sharing the players' personal journeys, *Hockey's Hidden Gods* is the uplifting story of how once-shattered dreams can be reborn and rebuilt through tenacity, grit, and an indomitable spirit.
