When You Were Mine: A Calamity Falls Small Town Christmas Romance Erika Kelly, 2025-02-20 Planning a wedding for the ex-husband who left her in Vegas was not on her To-Do list. Jessica Elsworth isn't the small town girl she

used to be. She built her resort empire from pieces of a broken heart. Now, she's on her way to snowy Iceland to take on a last-minute consulting job where she'll renovate a hotel for a wedding. Four days and two hundred thousand dollars. It should be easy. Until she meets the groom. It's him. Trevor Montgomery. The only man she's ever loved. And her ex-husband. Trevor Montgomery might be one of the world's most famous faces, but he'll always be the boy from Wyoming with stars in his eyes. Recently retired, he's heading to Iceland to marry his best friend's little sister. She's proposed a marriage of convenience—business and friendship together in one union. Why not? Everything's going well...until he meets the wedding planner. It's Jessica. The woman who still owns his heart. Now that fate's brought them together, nothing will stop him from winning her back. Not even his own wedding.

The World is Mine William James Blake,1938 The story of Spaniard Cristobal Pinzon, whose adventurous life reproduces in miniature the whole story of modern finance, modern war, and modern revolution, from 1892 to the present day (1937). The book is a combination of realism and melodrama, rooted in an encyclopedic knowledge of finance and contemporary history. The main character is involved in finance and conflict in several European countries as he attempts to right perceived wrongs done to him and others.

Mystic Modernity Ashim Dutta,2021-12-05 This is a transnational and bilingual investigation of the cross-fertilisation of mystical religiosity and modern poetical imagination in the works of the Bengali poet Rabindranath Tagore and the Irish poet W. B. Yeats. The book demonstrates how their commitments to transnational mysticism deeply form and inform the modernist literary projects of these poets as well as their understanding of cultural modernity. Although its primary interest lies in their poetry and poetics, the monograph also includes some of their relevant prose works. This study begins with a close look at and around the phase of 1912-1913, when Yeats and Tagore met over the collection of the latter's English translations of his spiritual verses, *Gitanjali*, and took mutual interests in each other's works and cultural significances. The monograph then expands on both sides of that phase, selectively covering the whole career of the poets in its exploration of their parallel mystic-modern cultural-poetical projects.
