Living Folk Magic Mary-Grace Fahrūn, 2025-11-03 Folk magic is more than casting a spell or creating a ritual. It is a way of life, a way of living, a way of perceiving the world and all within it. Living Folk Magic explores how to build an entire folk magic practice--to understand the practices of folk magic so that they can be applied wherever they are needed. Every culture has its folk magic--the magical practices that are shared by cultures, communities, locations, and different groups of people. Until recently, its sheer ubiquity caused it to be among the least respected schools of magic, often relegated to the ranks of superstition or low magic. Folk magic was something Grandma did, something for the old folks, something for modern young people to laugh about. However, in the twenty-first century, there has been a resurgence in the popularity of folk magic, a practice now treated with respect and approached with fascination. No longer something done in secret, there are now bestselling books and social media groups dedicated to the love of folk magic. Among the architects of this celebration and appreciation of folk magic is author Mary-Grace Fahrūn, whose book *Italian Folk Magic* (Weiser Books, 2018) has been a major contributing factor to this phenomenon. More and more, people want to practice folk magic but, unlike in the old days, they may not have elders to access for information. They are learning from books, social media, TikTok, and YouTube videos. But folk magic is more than casting a spell or creating a ritual. It is a way of life, a way of living, a way of perceiving the world and all within it. Although the details of folk magic practices vary by culture and community, there are shared commonalities. In her new book, *Living Folk Magic*, Fahrūn explores how to build an entire folk magic practice--to understand the practices of folk magic so that they can be applied wherever they are needed. Mary-Grace offers an exploration of the primary functions of folk magic--cleansing, protecting, blessing, cursing--as well as instructions on how to build altars (whether openly or secretly), practicing divination, communicating with spirits, and more. Her book is titled *Living Folk Magic* to emphasize that folk magic is not a dead thing of the past but something alive, vital, and modern. Her goal is to help readers actually live folk magic, so that it is a fulfilling and successful practice.

Sex, Love, and Dharma Simon Chokoisky, 2015-09-17 Discover your dharma type and prepare your body, mind, and spirit to attract and build a lifelong union with your soul mate • Explores how the dharma types align in relationships, giving quick and simple insights into which dharma pairings work and which ones need work • Details methods for attracting a mate as well as practical techniques for improving your sex life, including the best time to have sex during the day • Provides self-tests to determine your dharma type and outlines unique ayurvedic diet, exercise, detox, and lifestyle tips for better health and sex appeal The people of ancient India understood that most humans are incomplete without an intimate partner, a soul mate to share life's journey. Drawing upon astrology, Ayurveda, and dharma type--your personality and spiritual purpose archetype--they developed detailed systems to analyze physical, emotional, and spiritual compatibility between people. This analysis encouraged joyous relationships by revealing the sexual compatibility of a couple, the innate relationship conflicts they face, and their potential for financial success together. In this way, couples were able to distinguish biological attraction from long-term compatibility, lust from love, and soul mates from playmates. Sharing ancient Vedic secrets of sex, love, health, and dharma, Simon Chokoisky explains how to prepare your mind, body, and spirit for the right partner and how to determine if a potential mate is a good match for your unique chemistry. He provides self-tests to determine your dharma type and outlines unique ayurvedic diet, exercise, detox, and lifestyle tips for each type to reclaim your health and vitality and, by doing so, your sexiness. He explores how the dharma types align in relationships to create harmony or disharmony, giving quick and simple insights about which dharma pairings work and which ones need work. Highlighting the skills inherent to each dharma type, he makes suggestions on how to improve day-to-day relationships for personal and financial benefit and to build lifelong romance that grows into a spiritual union. Moving to the bedroom, the author details methods for attracting a mate as well as practical techniques for improving your sex life, including the best time to have sex during the day and month. Showing how knowing who you are will help you find your right mate, and keep away those unsuitable for you, Chokoisky explains how living your dharma helps you flow with nature in a way that makes life and your relationships more fulfilling.

Sanathana Sarathi English Volume 04 (1990 to 1999) Sri Sathya Sai Media Centre, 2022-11-10 Started in 1958, Sanathana Sarathi is a monthly magazine devoted to Sathya (Truth), Dharma (Righteousness), Shanti (Peace) and Prema (Love) - the four cardinal principles of Bhagawan Baba's philosophy. It is published from Prasanthi Nilayam (the Abode of Highest Peace) and acts as a mouthpiece of Baba's Ashram as it speaks of the important events that take place in His sacred Abode, besides carrying Divine Messages conveyed through Divine Discourses of Bhagawan Sri Sathya Sai Baba. The word meaning of Sanathana Sarathi is the 'Eternal Charioteer'. It signifies the presence of the Lord in every being as the atma guiding their lives like a charioteer. It implies that he who places his life, the body being likened to a chariot, in an attitude of surrender in the hands of the Lord, will be taken care of by the Lord even as a charioteer would take the occupant of his chariot safely to its destination. The magazine is an instrument to disseminate spiritual knowledge for the moral, physical and mental uplift of humanity without any discrimination as the subject matter discussed therein is always of common interest and of universal appeal. The fifteen Vahinis - streams of sacredness - known as the Vahini Series comprising annotation and interpretation of the Upanishads and other scriptures, Itihasas like the Ramayana, the Bhagavatha and the Mahabharata, and authentic explanations on Dhyana, Dharma, Prema, etc., have been serially published in this magazine as and when they emanated from the Divine pen of Bhagawan Baba. This magazine is published in almost all Indian languages, English and Telugu from Prasanthi Nilayam and others from respective regions. Every year Sanathana Sarathi comes out with a special issue in November commemorating the Divine Birthday. The English and Telugu magazines are posted on the 10th and 23rd respectively, of every month, from Prasanthi Nilayam. This magazine has wide, ever increasing circulation in India as well as

abroad, as the study of it brings the reader closer to the philosophy of the Avatar in simple understandable language THUS SPAKE SAI... Discoursing during the launch of Sanathana Sarathi... From this day, our Sanathana Sarathi will lead to victory the cohorts of truth - the Vedas, the Sastras and similar scriptures of all faiths, against the forces of the ego such as injustice, falsehood, immorality and cruelty. This is the reason why it has emerged. This Sarathi will fight in order to establish world prosperity. It is bound to sound the paeon of triumph when universal Ananda is achieved.

Seed Mantra Miracles Doron Alon,2015-11-28 In all mystical traditions, a tremendous amount of respect is given to the spoken and written word. What you say could be the difference between abundance and poverty. What you say can be the difference between health and illness. Words Are Powerful. In the Buddhist and Hindu traditions; Seed Mantras are used extensively. In fact, they are the backbone of meditation practice in these traditions. Mantras are chanted thousands upon thousands of times daily by individuals who have become intoxicated by the bliss these mantras can induce. In ancient Egypt, The Goddess Isis was known to be the embodiment of magical power, her use of words of power was so potent, that RA, the creator God himself needed her help. In the Kabalistic traditions, the backbone of EVERYTHING is the word. Whole books such as the Sepher Yezirah are dedicated to the power of letters and words and how God used them to create the universe. A select group of master kabbalists used word and letter permutations to change events in time and the very fabric of the universe. In Christianity, as summarized in the John 1:1, the word is all-powerful. In fact, the WORD IS GOD. The Seed mantras presented in this book are no exception; they are very powerful Hindu seed mantras. Millions of people use these mantras to bring abundance, love and so much more into their lives. These ancient mantras have stood the test of time and their power is infinite in scope. When you chant any mantra, you change your bodily and spiritual vibration, this change in vibration is IMMEDIATE, you do not need to wait for the energy to be activated. It is, however, with constant practice that

these energies become manifest in physical form; although, often times it can be almost immediate. The Mantras in this book can be used to improve all areas of your life: Financial abundance. Attract Love. Attract Health. Attract Peace of Mind. Enhance your creative and intellectual abilities. Deepen Your Connection with Source.
