Lead Yourself to Success Alan Chambers,2019-01-04 Let your lifelong adventure begin today *Lead Yourself to Success* is your personal guidebook to greatness. Alan Chambers has led many expeditions to the North and South poles but you don't have to lead a national team or a multinational corporation to be successful, as long as you can lead yourself. The desire to learn is human nature, and lessons from those who have been where you want to go are extraordinary opportunities. You gain the insight and guidance you need to get there, and learn how to lead your own expedition down the path to success. Like any adventure, good preparation is key. You don't take off for the North pole on a whim, and you don't just leap into leadership without understanding the responsibilities it entails. This book shows you how to develop the leadership mindset to get wherever you want to go in life, trust your own judgement and come out on top of the world. Uncover your inner leadership potential Learn how others succeed Find the adventure in everyday life Lead yourself on an expedition to greatness Alan helps thousands of people every year unlock the door to higher performance. Every single one of those people was a leader waiting to happen, even if they didn't know it - but once they truly realised where their potential could take them, they became unstoppable. Let yourself become unstoppable with *Lead Yourself to Success*.

End of Active Service Matt Young,2024-06-18 A raw and rampaging debut novel from the author of the “inventive, unsparing, irreverent and consistently entertaining” (NYTBR) memoir *Eat the Apple*--the last phase of war for US veterans: returning home. What was it like? It's the only thing anyone wants to know about war--and the last thing Corporal Dean Pusey wants to talk about, at least not with one of these fat and happy civilians crowding the bar. Dean is two months free from the Marine Corps, and life back in his Indiana hometown is anything but peaceful. That's when the woman next to him offers to buy him a drink. Max is nice--gorgeous, funny, easy to talk to. Dean doesn't dare tell her about the sheep he took care of on his first deployment, only to watch it get torn to shreds by a pack of wild dogs; or the naked, shivering Iraqi teenager his platoon detained after an IED blast. He needs to leave all that behind and become a new person--the kind who

sticks around when Max gets pregnant. He's white-knuckling it, trying to keep calm, and it's not easy. Harder still when his friend and comrade Ruiz starts showing up all over the place like he's been invited--like he didn't die a year ago. He has Max now, he has his baby daughter, River. He doesn't have time for ghosts. With his signature black humor, hard-eyed honesty, and stylistic ingenuity, Matt Young delivers a novel that turns the typical war story on its head--beginning not with enlistment but with retirement, and locating the life-or-death stakes not in battle, but in the domestic theaters of fatherhood, family, forgiveness, and love.

Conversation Starter Steve C. McCullar, 2023-02-08 Conversation Starter: Let's Talk Business, Teaching, and Training in Churches By: Steve C. McCullar Are your business meetings at church unproductive? Do your leadership development programs need to be developed? Are you lacking experienced teachers and trainers, and only using the volunteers that are available – and have no program to build them up? Have you ever had those tough conversations about your church's needs in the areas of business, teaching, and training? Motivational speaker, corporate trainer, and business professor, Steve McCullar talks about starting those conversations. With over 20 years of teaching and training experience in academic and corporate settings, along with experience working in ministry and developing church programs. Steve uses biblical principles to start conversations. Through stories, humor, and practical tips and strategies, he demonstrates the importance of organizational alignment within the churches, especially in the area of learning and development. Among these pages you'll discover topics about: • Why Jesus was called the Master Teacher and not the Master Preacher • Dealing with “church folk” who only want to hear, but don't want to do • The importance of teachers and trainers in your church • Why your church meetings have increased socializing but decreased results • Pastoral relationships with the teachers and trainers, and pitfalls for all • Teaching and Training are ministries! While many shy away from what they call a “corporate” approach, this book demonstrates through scripture how God is a businessman. Be prepared to put away the thinking that the church should not operate with standard business practices. But also, be prepared to let go of the business practices that you encounter outside of the church, as those negative, unproductive, and sometimes divisive practices do not have to continue within the church. This book is an excellent resource for teachers, trainers, and even pastors because it will help to identify areas that need to be discussed. Don't shy away from the conversations!

Ginger Snapped Jennifer Brown, 2025-08-22 Ginger Snapped is a sharp, funny, and unapologetically honest look at what happens when patience finally runs out—thanks to a global pandemic, menopause, and a world that seems to have collectively lost its manners. With wit as fiery as her red hair, the author takes readers on a laugh-out-loud journey through the absurdities of modern life, aging, and the fraying social fabric that once held us together. Part memoir, part social

commentary, and part comedic rant, *Ginger Snapped* peels back the curtain on everything from pandemic etiquette (or lack thereof) to generational shifts in behavior, from shrinking attention spans to the dying art of courtesy. The stories move seamlessly between personal moments—navigating middle age, grappling with changing priorities, and trying not to throttle people in the grocery store—and bigger cultural observations that leave readers nodding in recognition. At its heart, this book is about more than just irritations; it's about resilience, humor, and the universal quest to stay sane in an increasingly chaotic world. Through candid storytelling, sharp one-liners, and cultural references that ground each essay in a very real time and place, the author reminds us that losing your cool can sometimes be the sanest response of all. Whether you've ever felt personally victimized by pajama-wearers at the mall, "breaking news" alerts that never stop breaking, or the baffling refusal of strangers to hold a door open, *Ginger Snapped* offers solidarity—and a whole lot of laughter. It's a book for anyone who's ever wanted to scream "enough already!" while still finding a way to laugh at the madness. A perfect blend of humor, honesty, and cultural critique, *Ginger Snapped* is for readers who loved *Furiously Happy*, *I Feel Bad About My Neck*, or anyone who needs a reminder that they're not the only ones about to snap.

City of Soldiers Kate Fearon, 2012-01-10 A deeply affecting memoir and a unique contribution to our understanding of Afghanistan. Behind the headlines, the strategies, the surges, what is life really like in Afghanistan? What is it like to live and work there as a civilian on state-building with its people, fighting the Taliban with flip-charts and pens, not guns? In her account of sixteen months in the capital of Helmand province, Lashkar Gah, working for the Provincial Reconstruction Team, Kate Fearon records everyday life on the frontline. Amid the violence she unearths extraordinary stories of how ordinary Afghans live and what they think, both inside and outside the walls of military bases. From the thrills and risks of getting there to exploring Helmand and its history, this book follows the author's daily life as she gets to know the people behind the war. She learns Pashto, visits the Districts, meets the US Marines, observes elections and evades suspected suicide bombers. She describes working with the tribal Elders on informal justice and policing issues, and building local democracy with them. She also listens to the musings of young men on marriage (and nightclubs), discovers what Afghan women really think of

their burqas, and discusses poppy growing, pornography, forbidden love-notes, drinking and dancing. Tragic and touching but also wryly observed, *City of Soldiers* tells of the camaraderie and courage of those working under extreme conditions, foreigners and locals, civilians and military alike. It evokes the despair-and the guilt-that comes with targeted political murders in response to the process of democratization. Kate Fearon explains how the key driver for Afghans is pragmatism, their overriding goal survival, and reveals how women-and men-assert themselves in a seemingly impossibly restrictive culture with humor and hope.

Football in Long Beach Mike Guardabascio,2012-08-14 The roots of football run deep in Long Beach, where Long Beach Polytechnic High School has produced more players who have played in the National Football League than any other high school in the United States. Poly's storied program has fed the NFL a wide variety of top players, including such receivers as Johnny Morris, Gene Washington, Tony Hill, Stephone Paige, Marcedes Lewis and DeSean Jackson. This authoritative citywide pigskin history by Mike Guardabascio includes the football sagas of other area high schools, as well as the legacies of Long Beach State and Long Beach City College, which have enjoyed their own brands of national recognition.

The Leader's Handbook A Christian's Guide to Strategic Leadership Justin D. Loyd DSL,2023-11-27 Leadership is never easy, and tomorrow's leaders will need to be the very best possible to deal with the volatile, uncertain, complex, and ambiguous (VUCA) realities they will awaken to every day. The COVID-19 pandemic has been called by some a black swan event--something extremely rare that only happens once and could not have been foreseen. Meteorology, however, tells us that those once-in-a-lifetime storms are beginning to happen once a decade as the historical patterns seem less relevant with

each passing season. Similarly, leaders will need to be more strategic now than ever to deal with challenges ranging from diversity to AI to hybrid work environments. Their ability to synthesize their belief system, cultural experience, and worldview will be necessary as they operate in authenticity and humility at the head of their organizations and strive to leave a legacy and long-lasting impact. This book offers support to leaders of all seasons and experience levels. No matter where you are in your leadership journey, it can help you with the next step. With an emphasis on blending the science and art of leadership, it provides tools and techniques to help deal with the most difficult leadership challenges. Part coaching manual and part field manual, it combines case studies, philosophy, motivation, and step-by-step instruction in a clear and concise, easy-to-read book that you will reference repeatedly. Pulling examples off the front page of today's new normal while expounding on biblical stories to demonstrate real-world truths, it seeks to draw the leader into a deeper relationship with God and strengthen their call to leadership. This book is broken down into three sections: The Past, The Present, and The Future. Each of which examines relevant topics on the leader's journey, enabling them to use it as a resource for a specific topic or to read it through for a holistic approach in their own journey. Today's Christian leader was put here on this earth for such a time as this, and this book seeks to provide strategic tools to help them be the leaders that change the world and usher in the kingdom of heaven.
