Detox Your Circle, Activate Your Destiny Ernest Sears Jr,2019-01-14 After doing over fifteen years of hard time in a cubicle or office, you and your laptop have found Nirvana at the Starbucks around the corner. Mercifully, the career is over; the kids are gone. Now there is nothing left to distract you from the elephant in the room. You stare at your significant other with the most disconcerting doubts about whether the relationship has run its natural course. You own up to your part in friendships that have become more like placeholders. Years of meaningless, if tenuous, connection have left you hollow. Detox Your Circle, Activate Your Destiny establishes the premise for removing thirteen toxic elements—people, self-sabotaging behaviors, baggage, and meaningless rituals, to name a few—and demonstrates how decluttering can trigger a very powerful clarity. When we detox our Rolodex, our true nature and essence attract more of who we are. What ensues is a resonance that sets the tone and cosmic parameters for fulfilling destiny.

Imperceptible Reality Connie Bertelsen Young, 2021-12-02 The book, IMPERCEPTIBLE REALITY - A Longing for Spiritual Vision, is an adult Bible study that is meant to draw attention to the incredibly broad subject of who God is, our relationship to Him, and what He has created, particularly that which we can't see with our physical eyes. "So we fix our eyes not on what is seen, but on what is unseen, since what is seen is temporary, but what is unseen is eternal." (2 Corinthians 4:18 NIV). Since Adam and Eve, we have been ever learning and discovering more about life, and though our knowledge may seem extensive, it remains slight as we try to understand this universe, the scope of all living things, and the boundlessness of eternity. "Even Solomon, one of the wisest men who ever lived, indicated that "No one can fathom what God has done from beginning to end." (Ecclesiastes 3:11 NIV) Although we can't see everything, The truth which we are given in the Bible will help free us from blindness, deception and ignorance. In IMPERCEPTIBLE REALITY, A Longing for Spiritual Vision, there is emphasis on our great need for faith, growth, and awareness of the mysterious and magnificent immensity of God and our response to Him.

Reality Check Carlo Mahfouz, 2022-05-12 Reality Check is a book I wish I had 15 years ago. It's packed with examples and insights on how to get your questions right in order to improve and change. — Ola Helland, Writer of the comedy/science TV show Brille. Amidst the constant whirlwind of change, clarity feels elusive as we desperately grasp for answers when it's the transformative power of questions that we truly need. Author Carlo Mahfouz, a fervent believer in the art of inquiry, invites us on a voyage to uncover the profound clarity within these catalytic moments—epiphanies he terms Reality Checks. Synthesizing decades of change leadership experience with research-backed frameworks, Carlo Mahfouz reverse-engineered these moments and laid bare the hidden preparations, allowing anyone to formulate the right strategic questions at the right time — bringing a philosophical perspective down to earth through Carlo's own immigrant journey, his unlikely opera training, and more to humanize each rich concept. Mahfouz taps unconventional wisdom from interviews with global innovators from across the world, such as the CEO of the world's first mind-controlled bionic arm, VP of strategy at a Fortune 500 science and technology innovator, and senior executive at one of the world's leading EdTech companies in Healthcare... and many more with experience ranging from working at NASA to Nonduality coaching and selfless leadership. You'll examine overlooked elements like context, time, and self-awareness through a potent new lens designed to upgrade your sense-making skills in chaotic times. Combining extensive, rigorous research with vulnerable stories, Reality Check meets you in the uncomfortable ambiguity of not knowing — modeling raw introspection as Carlo guides you through paradigm-flipping perspectives and tools to apply immediately. You'll learn to observe subtle signals in shifting realities, catch your own biases masking complex problem-solving, and lean into moments of clarity. Mahfouz aims to help you experience your own Reality Check through the spirit of the lessons to unlock the art of precision and insight in your leadership, innovation, and life.
