Face to Face with Shiva Dr. Abhinav Aggarwal, 2016-10-21 Face to Face with Shiva - scientific perspective of a spiritual

experience: A real life account of being face to face with Lord Shiva: the highest among all known beings. An event that took place in 1970, is given in as-is form. It was among rarest of the rare experiences. Ever since then, the continuous dialog with Lord Shiva has been unfolding, and has provided revelation to the mysteries of life and defining its very purpose. In the dilemma of being a scientist who must find a scientific explanation to every phenomenon, I had refrained from publicly sharing this unique experience. Over forty five years of an ongoing dialog with Lord Shiva has yielded a scientific hypothesis to this rare happening, and time has now come to share this experience for larger benefit of humanity. In this brief presentation, the hypothesis and experience are shared alike. Bridging the gap between science and spirituality, physical and metaphysical, un-manifested and visible existence, abstract and defined, Lord Shiva answers the most unanswered questions like: Is there God? If so, who is that? Who made God? What is the purpose of Life? Who are we? What can one do as an individual to make a difference in this world? Why do tragedies happen? Why do living beings have desires? How do we participate in the universal divine plan? What happens after death? Are we the only living beings and is there life elsewhere in this inter-galactic universe? Are we being observed? Am I empowered to change the universe? What is the end-all of existence? What is our responsibility in this life? How is the universe managed? Who controls the universe? What lies beyond edge of the universe? Atheists, believers, and scientists can all benefit by drawing insight to the reality of all that is and discover the truth beyond science and religion. Brought to you by IEEE Author of the Year.

The Song Seekers Saswati Sengupta,2012-06-25 As the monsoon rains wash over the city of Kolkata, four women sit and read and talk in the kitchen of Kailash—the old mansion of the Chattopadhyays where Uma comes to live after her marriage in the summer of 1962. Her husband’s silence about his mother and the childhood tragedy that beckons him from the shadowy landing of Kailash, the embroidered handkerchiefs in an old soap box in her father-in-law’s room and the presence of the old, green-eyed Pishi intrigue Uma. But it is only as she begins to read aloud the traditional Chandimangal composed by her husband’s grandfather to celebrate the goddess that the smothered stories begin to emerge... The novel weaves in the history of the militant goddess recast as wife, the Portuguese in Bengal, the rise of print and the making of memories from the swadeshi movement to the turbulent sixties in Bengal as Uma discovers that the foundation of Kailash is not only very deep but also camouflages the stink of death. Published by Zubaan.

Mayathee 1 Preethi Mohan,2019-11-21 Five-year-old Dharani was popular in and around Mahadevpur for a rare skill she learned from none other than Lord Shiva. It was a skill she could use in all her lives and in each life, destiny would bring her to Mahadevpur. Years went by and one fateful evening, Dharani stumbled into the village with a deadly arrow stuck in her heart. The truth behind her death remained unknown and the people awaited her return to the village in a new life. Fifty years later, the people of Mahadevpur are excited to see National Award winner, Bhavaani’s picture in the newspaper. Is she really Dharani? Will she be able to solve the mystery of her death?
