The Life You Were Born to Live Dan Millman, 1993

The Life You Were Born to Live - Revised 25th Anniversary Edition Dan Millman, 2018-08-20 Years ago, Millman had the good fortune to be tutored by a number of mentors as mysterious and wise as his best-known teacher he called Socrates. One of those masters revealed to him (and a few other close disciples) a previously secret (and more accurate) method of numerological insight that bordered on psychic abilities, and in fact opened doorways to profound insight into the core issues at the heart of one's own life and the lives of others. Millman worked with this system for a decade, providing spiritual law alignment readings for countless people, before teaching this system to a relatively small group of people — and finally, the time came to write *The Life You Were Born to Live*. In this book he presents the method and revelations of The Life Purpose system, a modern method based on ancient wisdom that has helped hundreds of thousands to find new meaning, purpose and direction. *The Life You Were Born to Live* describes:

- the thirty-seven paths of life
- a precise method to determine your own life path and the paths of others
- the core issues, innate talents and special needs related to each path, including areas of health, money and sexuality
- guidelines for approaching a career consistent with your innate drives and abilities
- the hidden purpose behind your own primary relationships
- how to live in harmony with the cycles of your life
- the key spiritual laws to help you understand your past, clarify your present, and empower your future.

The Seven Levels of Truth Bill Heinrich, 2022-03-09 How would it feel to live 100% of the time with passion, purpose, fulfillment and abundance. At some level, everyone desires to live this way, but the truth of the matter is we continually have disruptions and disturbances in our lives that only create more upsets, pain and suffering. Throughout life, we have been given guidance on how to live from parents, teachers and other authoritative people. The truth is that a majority of this guidance was given to assist at that moment in time, and now it no longer serves you. We are spiritual beings whose Divine Gifts are pure energy that flow through us, fueling our thoughts, words, and actions. Our energy is the vibration that connects us to everything in our lives. When we increase our vibration, we attract more possibilities, potential, and abundance. Our distinctive talent springs from the unique combination of our Divine Gifts that we are here to share with the

world. This book is for anyone seeking answers, solutions, and success in life. Our birthright is abundance, love, peace and joy, and *The Seven Levels of Truth* provides a direct blueprint to your life purpose. For nearly thirty years, Bill Heinrich has been dedicated to identifying the resources which are available to everyone and will allow them to live an authentic life and fulfill their destiny. Living your True Life Purpose is what creates your authentic self-expression and this is your most powerful representation in life. For nearly thirty years, Bill Heinrich has been dedicated to identifying the resources which are available to everyone and will allow them to live an authentic life and fulfill their destiny. In I Can See Clearly Now, she shares her twelve-year spiritual odyssey that began with an awareness of these mysterious forces that guide, validate, and help us live our lives. You'll be amazed by her many stories of nearly unbelievable occurrences of perfectly timed, exquisite signs, including those that miraculously and repetitively delivered a monumental message of hope for our future.
