Powers of the Psalms Anna Riva, 1982

Mystical Power of the Psalms Nathaniel J. Harris, 2013-10-05 Wise men throughout the generations have recognized the power of the Psalms to get results: from attracting love and wealth, to overcoming adversaries, to banishing the powers of evil. Yet these are not mere incantations, to be repeated with an empty heart. Pay heed to these words, and follow their advice closely. To those who trust in the LORD, and who faithfully hold his precepts, great favours shall be granted.

The Secret Power of the Psalms animatarot, This book reveals how the Psalms are a path to access the power of God, His blessings, and His miracles—whether for healing, protection, love, prosperity, or any other need that afflicts you. A BOOK TO DISCOVER THE MIRACULOUS POWER OF THE PSALMS The Secret Power of the Psalms is a book that reveals the immense power of God's word through the Psalms. "The Psalms are the word of God turned into prayer." - Benedict XVI People often read the Psalms without really knowing their uses, powers, and secrets; yet the Psalms are much more than simple prayers of praise found in the Bible—they contain the power of God's word, capable of transforming our lives. MIRACLES AND HEALING WITH THE PSALMS The purpose of this book is to bring us closer to God, allowing us to experience His blessings, love, and protection. We want each person to discover the power of God's word and how the Psalms, through their power, are an inexhaustible source of protection and blessing. Each Psalm is a door opened to divine grace, an invitation to enter the presence of God and receive His gifts. THE BOOK OF PSALMS: A WELL-KEPT SECRET When studying the Psalms, one quickly discovers that for every situation there is a Psalm that symbolizes and represents it—one that contains the precise word capable of working miracles. This is a practical guide to using the Psalms: whether you are seeking peace in times of distress, protection in moments of uncertainty, a blessing, or simply a deeper connection with the divine, the Psalms can offer a spiritual solution to any need that afflicts you. The idea of this section is to help you find the Psalm you need to pray. You will know which Psalms to read to obtain: □Friendship and Love □Blessing and Protection □Home, Family, Children, and Pregnancy □Healing, Recovery, and Help □Battle, Justice, or Peace against Enemies □Paths and Changes □Study, Business, and Prosperity □Against Witchcraft, Magic, and Spirits □Nature (protection of animals) □Spiritual needs, gifts, virtues or troubles (faith, anxiety, patience, happiness, etc.) And much more! A book to learn how to ask God for what you need —and for God to hear you!

The Power in the Book of Psalm Andrew B. Adeniji, 2017-10 It is shame that the modern world have lost the edge when it comes to the power of prayer. Prayer is so powerful that in the hand of a righteous person, that a man like us named Elijah prayed earnestly that it will not rain and it did not rain for three and half year. And to show how effective prayer can be, he prayed again and the heavens gave rain. The bible shows us time and time again how the less powerful have used prayer to conquer their adversaries. Our Lord and savior, Jesus Christ told us Mathew 17:20, I tell you the truth, if you have faith as small as a mustard seed, you can say to this mountain, 'Move from here to there' and it will move. Nothing will be impossible for you. Why will Jesus give us such an assurance? It is because, the weapon we fight with are not the weapons of the sinful world, we the children of God use divine power of God to tear down the strong hold of the evil one. So we must continue to pray even when you think your answers are not coming as quickly as you wanted. Remember when Martha and Mary send a message to Jesus that Lazarus is sick, his sisters sent unto him, saying, Lord, behold, he whom thou lovest is sick even though the answer took two days to get to the sisters. The most important thing is that Jesus was called and that is when action was put in process and they did not put their request on the righteousness of Lazarus or his status in the ministry or how hard he works or even what he has given to the Church. The appeal was based on the love of Jesus Christ. The one whom you love is sick, that is our clue; we must always focus our prayers on the love of God. We also have the confidence that God will answer our prayers if they are in agreement with His will. So I know that anything I ask that is according to His will be answered no matter how sinful the person praying may be. Even though we don't always get yes, but His answer are always in our best interest. And we don't have to follow any secret incantation before praying or offer some unnecessary repetition while praying. And the eloquence of our prayer will not make God answer our prayer. That is why in Matthew 6:7-8, Jesus rebukes those who pray using repetitions, And when you pray, do not keep on babbling like pagans, for they think they will be heard because of their many words. Do not be like them, for your Father knows what you need before you

ask him. The Word of God is full of accounts describing the power of prayer in various situations. The power of prayer has overcome enemies (Psalm 6:9-10), conquered death (2 Kings 4:3-36), brought healing (James 5:14-15), and defeated demons (Mark 9:29). God, through prayer, opens eyes, changes hearts, heals wounds, and grants wisdom (James 1:5). The power of prayer should never be underestimated because it draws on the glory and might of the infinitely powerful God of the universe! Daniel 4:35 proclaims, All the peoples of the earth are regarded as nothing. He does as he pleases with the powers of heaven and the peoples of the earth. No one can hold back his hand or say to him: 'What have you done?' So pray and God who loves you first will answer your prayers.

Magical Secrets of the Psalms Shelia Monroe, 2017-12-06 KEPT SECRET FOR THOUSANDS OF YEARS...THIS NEW INTERPRETATION OF THE MAGICAL POWERS OF THE PSALMS IS REVEALED AT LAST! For centuries the Church has kept hidden the process of using the Psalms for magical purposes. Even though religions of the Book often practiced magic, such as the ringing of church bells to avert storms, the rest of the population could suffer dire consequences if caught using magical spells, especially spells involving the use of the Bible. However, learned men and women discovered how to work the formulas and spells of Psalm magic from forgotten books of Jewish wisdom that are hidden behind the written words of the Psalms. It is thought that the Angels of the Lord were commanded to teach the secret, mystical knowledge contained within the Psalms. This is so that we could understand that the spark of creation is contained within all of us, and with that, we can attain wisdom, riches, love, joy, health, and success through the power of the Psalms. This new interpretation of magical secrets of the Psalms will show you simple methods to fulfill your inner most desires, dreams and wishes. The *Magical Secrets of the Psalms* can be worked anywhere and at anytime. Using the magic of candle burning, these beautiful Psalms can be used to bring great success and happiness, which is exactly what God intended for all of us.

Abbot Julio's Legacy Filippo Goti, 2022-10-25 Dear Reader, the purpose of this brief treatise is to introduce Abbot Julio,

to describe his experience and to expose his view on the magical use of Psalms. The Psalter shows, in Abbot Julio's vision, a connection with many significant events of everyday life and vicissitudes of fate, which in every instant absorb the devout man's mind and soul; moreover, it consists of a large number of prayers and supplications, suitable for various needs and occasions. The Psalms are gathered here in an easily accessible form, along with their content, blessing effect, areas of application. Abbot Julio stressed the importance and the power of prayer, essential to us to resist Evil influences and avoid misfortune: a medium to attract positive energies and good luck. We are speaking about an ancient practice, included in numerous traditions; the Psalmist acts like a powerful magical catalyst, with the clear intention of accumulating and channeling the spiritual and magical substance embedded in the hymns, a kind of energy that is growing in power over the millennia. We compiled a short vademecum providing usage instructions for each Psalm (in numerical order) and showing its connection (in alphabetical order) to a specific request/supplication. Along with every prayer/supplication we indicated the most suitable Psalm (whole original text in Latin). Our intent is to offer to the Reader an instrument of immediate and clear application, according to her/his needs, frames of mind and particular feelings, showing up at every instant of our uncertain existence. In the last section of this book is dedicated to the historical background of The Book of Psalms in the version presented by Abbot Julio, belonging to the Psalter collection from the Clementine Bible. As a conclusion of this short introduction, we find of fundamental importance to remind how like to recall how Abbot Julio asserted that this particular use of the Psalms is absolutely not to consider unrelated to the religious tradition, but rather as a part of their essential nature. The Psalms should not be confined to a mere devotional sphere. However, their magical use is appropriate for a devout who finds in the figure of Jesus Christ the symbolic, moral and spiritual center of his life. When the above-mentioned conditions are respected, the application of the Psalms is suitable for anyone, regardless of their religious or secular condition, and it is not to be intended as a magical operation, but rather as a spiritual practice.

Prayers in the Psalm Pat Glasper, 2009-04-20 Our most powerful weapon is prayer. Finally, my brethren, be strong in the Lord, and in the power of his might. Put on the whole armour of God that ye may be able to stand against the wiles of the devil. One of the things, we must understand is, what is the whole armour of God. The whole armour of God is the Word of God and His Word is transitioned back to Him through prayer. When placed in the hands of a believer Prayer will become the ultimate defense against disobedience, sin and the works of Satan. We find that the principalities, ungodly powers, the works of the rulers of darkness, and the works of spiritual wickedness in high places, tends to encapsulate the people who neglect to pray. The works of the enemy is to kill steal and destroy. But the Word of God is to bring forth life and deliverance. We all

know that the enemy entices the heart of man and provokes him to sin. This usually happens because man fails to utilize the privileges that God has given him to come into the divine connection of prayer. It is time to pray so that the things that exist within our lives that is not of God can be turned around. We have got to pray before anything can be truly fulfilled in our life. Remember it is only what's of God that is going to last. It is said that we are drifting into a recession and the burst of an economical crisis is trying to consume the land. But when man decide to release his hands and truly pray and allow the hands of God flourish the land we will see the dynamics turn in the favor of God. If my people which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land. (2Chronicles 7:14 KJV)

Theopoetry of the Psalms C.J.A. Vos,2005-10-10 In Theopoetry of the Psalms Cas J.A. Vos explores the beauty of the Psalms and examines their meaning within the context of exegesis, homiletics and poetry. By investigating the structure, literary genre, history and theology of the Psalms he traces the ways in which they continue to be relevant to contemporary readers and to modern worship. Vos scrutinizes the Psalms as a volume of poetry and a work of art; considers hermeneutical approaches and difficulties, providing not only a verse-by-verse analysis but also a contextual history; outlines a comprehensive homiletic theory for preaching the Psalms; and concludes with a study of the Psalms in liturgy. Theopoetry of the Psalms is valuable to those Biblical scholars who wish to explore the theological and exegetical interpretation of the Psalms as well as to those readers who are interested in liturgics and practical theology for preaching and worship.
