The Secrets We Left Behind Susan Elliot Wright, 2015-05-05 It was a summer of love, and a summer of secrets. She has built a good life: a husband who adores her, a daughter she is fiercely proud of, a home with warmth and love at its heart. But things were not always so good, and the truth is that she has done things she can never admit. Then one evening a phone call comes out of the blue. It is a voice from long ago, a man from a past that she has tried so hard to hide. He knows who she really is and what she has done. Now he is dying and he gives her an ultimatum: either she tells the truth, or he will. And so we are taken back to that long hot summer of 1976 to a house by the sea on the southern coast of England, where her story begins and where the truth will be revealed. . . . Told in dual narratives that jump back and forth in time, Elliot Wright has crafted a story with secrets that unfold through the very last page. Compelling, immersive, and thoroughly surprising, *The Secrets We Left Behind* is a stunning follow up to the author's acclaimed UK debut *The Things We Never Said*. Skyhorse Publishing, as well as our Arcade, Yucca, and Good Books imprints, are proud to publish a broad range of books for readers interested in fiction—novels, novellas, political and medical thrillers, comedy, satire, historical fiction, romance, erotic and love stories, mystery, classic literature, folklore and mythology, literary classics including Shakespeare, Dumas, Wilde, Cather, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

The Secrets We Left Behind Susan Elliot Wright, 2014-05-08 *** From the author of the acclaimed *The Flight of Cornelia Blackwood* *** It was a summer of love, and a summer of secrets... She has built a good life: a husband who adores her, a daughter she is fiercely proud of, a home with warmth and love at its heart. But things were not always so good, and the truth is that she has done things she can never admit. Then one evening a phone call comes out of the blue. It is a voice from long ago, from a past that she has tried so hard to hide. Scott knows who she really is and what she has done. Now he is dying and he gives her an ultimatum: either she tells the truth, or he will. And so we are taken back to that long hot summer of 1976 to a house by the sea, where her story begins and where the truth will be revealed... Praise for *The Things We Never Said*: 'Passionate, intriguing and beautifully written, *The Things We Never Said* deserves to stand on the shelf next to Maggie O'Farrell's books. The Secrets We Left Behind Soraya M. Lane,2021-05-20 How far will they go for family, friendship, and love? Occupied France, 1940. When the staff at a field hospital draw straws to find out who will join the evacuation from Dunkirk, Nurse Cate is left behind. But when the Nazis arrive to claim prisoners of war, she takes her chance and flees into the night, taking one patient with her. Fifty miles away, the surrendering soldiers of the Royal Norfolk Regiment are shot dead by the advancing Germans. Beneath the pile of bodies two men survive, crawling to the safety of a nearby farmhouse, where sisters Elise and Adelaide risk their lives to take them in. When Cate, too, arrives at their door with her injured soldier, the pressure mounts. The sisters are risking everything to keep their visitors safe. But with the Nazis coming ever closer and relationships in the farmhouse intensifying, they must all question the sacrifices they are willing to make for the lives of others. How far will they go for family, friendship, and love?

The Secrets We Carried Mary McNear,2018-09-25 Readers who love Susan Wiggs and Susan Mallery will adore New York Times bestselling author Mary McNear newest novel. A young woman travels home to Butternut Lake, confronting her past and the tragedy she and her friends have silently carried with them for over a decade while also facing an unknown future. Butternut Lake is an idyllic place—but for one woman, her return to the lake town she once called home is bittersweet... Sometimes life changes in an instant. Quinn LaPointe grew up on beautiful Butternut Lake, safe, secure, sure of her future. But after a high school tragedy, she left for college and never looked back. Becoming a successful writer in Chicago, she worked to keep out the dark memories of an accident that upended her life. But now, after ten years, she's finally returned home. Butternut is the same, and yet everything is changed. Gabriel Shipp, once her very best friend, doesn't want anything to do with her. The charming guy she remembers is now brooding and withdrawn. Tanner Lightman, the seductive brother of her late boyfriend, wants her to stick around. Annika Bergstrom, an old classmate who once hated Quinn, is now friendly. Everyone, it seems, has a secret. Determined to come to terms with the tragedy and rebuild old relationships, Quinn settles into Loon Bay Cabins, a rustic but cozy lakeside resort, where she begins writing down her memories of the year before the accident. Her journey though the past leads her to some surprising discoveries about the present. As secrets are revealed and a new love emerges, Quinn finds that understanding the past is the key to the future.

The Bones of Grace Tahmima Anam,2016-06-28 From the award-winning, nationally bestselling author of *A Golden Age*

and *The Good Muslim* comes a lyrical, deeply moving modern love story about belonging, migration, tragedy, survival, and the mysteries of origins. On the eve of her departure to find the bones of the walking whale—the fossil that provides a missing link in our evolution—Zubaida Haque falls in love with Elijah Strong, a man she meets in a darkened concert hall in Boston. Their connection is immediate and intense, despite their differences: Elijah belongs to a prototypical American family; Zubaida is the adopted daughter of a wealthy Bangladeshi family in Dhaka. When a twist of fate sends her back to her hometown, the inevitable force of society compels her to take a very different path: she marries her childhood best friend and settles into a traditional Bangladeshi life. While her family is pleased by her obedience, Zubaida seethes with discontent. Desperate to finally free herself from her familial constraints, she moves to Chittagong to work on a documentary film about the infamous beaches where ships are destroyed, and their remains salvaged by locals who depend on the goods for their survival. Among them is Anwar, a shipbreaker whose story holds a key that will unlock the mysteries of Zubaida's past—and the possibilities of a new life. As she witnesses a ship being torn down to its bones, this woman torn between the social mores of her two homes—Bangladesh and America—will be forced to strip away the vestiges of her own life . . . and make a choice from which she can never turn back.
