The Four Horses of the Apocalypse Benjamin Dock Jr., 2022-08-01 The sentiment as the book closes packed with information breathed into heart and mind is to desire you have found our Lord to be honest and full of love toward his creation. He honestly informs us of the end coming as the church prepared for her resurrection trumpet to sound. The scriptures pertaining to the first three and a half years of seven-week years of Daniel is so full of imagery and the conclusion must have had many words taken from imagery through visions that are hard to understand. Consequently, the same vision of John's revelation are written plainly and simple, rolling up all of Daniel's entities into two basic ones. One is the appearance of the beast out of the sea having seven heads and ten horns are both the Antichrist and beast. Secondly, the beast out of the land is the false prophet sent for the destruction of Israel. The scarlet woman is Jerusalem or Babylon. That is

pretty much it made simple so any one reading should comprehend the book. Those who read and study the book of Revelation are offered salvation through Christ as one finishes the book. As well, those who miss the catching away of the bride of Christ will need the information written in God's word. Not much mention of this by modern ministers. You will need information written in my book in order to find your way through the maze and obey the only promise through the terrible times coming on the world for the safety of your soul! Not only do you have to refrain from the 666 mark and the worship of the beast you must also obey the everlasting gospel Jesus teaches in Mathew 25:31-46. Evidently with so many failures of souls saved during the first half, God sends an angel close to the first half ending of tribulation to announce the everlasting gospel. Many people have hoarded food and other supplies but are only concerned with themselves. It must have been that many people were unaware of this sheep and goat judgment in force. Those who will not share with folks in need are goats and will be cast out of the kingdom. You survived the 666 mark and the beast worship but failed to share! God help you!

Retelling Stories, Framing Culture John Stephens, Robyn McCallum, 2013-01-11 What happens to traditional stories when they are retold in another time and cultural context and for a different audience? This first-of-its-kind study discusses Bible stories, classical myths, heroic legends, Arthurian romances, Robin Hood lore, folk tales, 'oriental' tales, and other stories derived from European cultures. One chapter is devoted to various retellings of classics, from Shakespeare to *Wind in the Willows*. The authors offer a general theory of what motivates the retelling of stories, and how stories express the aspirations of a society. An important function of stories is to introduce children to a cultural heritage, and to transmit a body of shared allusions and experiences that expresses a society's central values and assumptions. However, the cultural heritage may be modified through a pervasive tendency of retellings to produce socially conservative outcomes because of ethnocentric, androcentric and class-based assumptions in the source stories that persist into retellings. Therefore, some stories, such as classical myths, are particularly resistant to feminist reinterpretations, for example, while other types, such as folktales, are more malleable. In examining such possibilities, the book evaluates the processes of interpretation apparent in retellings. Index included.

The Itofit David Anirman, 2012-08 Three children become lost in the woods where they encounter a creature from the fabulous land of It who soon leads them on the adventure of a lifetime. The Itofit is a fantasy tale about three curious children who, after getting lost in the woods, meet a creature named It from the land of It. The Itofit is also lost. He cannot remember much from the past, and is trying to find his way back home. It is a perfect day for an adventure, so the children decide to help the Itofit, and together they all embark on a magical journey through woods, and swamps, and the amazing land of It. En route, they encounter strange opinionated and kooky characters, some of whom are quite horrific. Beside the Itofit and the children, are buoyant Baloomerangs who float on air, and curious Snigglesnorfs who sniggle - not to mention a dreadful

district inquisitor, and the Durjge Dorque, both riding evil vegetable monsters. These devious people tangle with the children, leading them off into a series of adventures and misadventures.

Tag Along Tom Ryan,2013-09-01 It's junior prom night. Andrea is grounded for getting her older brother to buy booze for her, Paul is having panic attacks, Roemi has been stood up by his Internet date, and Candace is busy tagging a building (before she gets collared by a particularly tenacious cop). By happenstance, the four near-strangers end up together, getting into more trouble, arguing and ultimately helping each other out over the course of eight madcap hours.
