

Agent Of Righteous Might

Hiram Orcutt

Other Worlds and Their Relation to This World Tobias Nicklas, Joseph Verheyden, Erik M.M. Eynikel, Florentino Garcia Martinez, 2010-09-06 Is there a future after death and what does this future look like? What kind of life can we expect, and in what kind of world? Is there another, hopefully better world than the one we live in? The articles collected in this volume, all written by leading experts in the field, deal with the question how ancient Jewish and Christian authors describe "otherworldly places and situations". They investigate why various forms of texts were created to address the questions above, how these texts functioned, and how they have to be understood. It is shown how ancient descriptions of the "otherworld" are taking over and reworking existing motifs, forms and genres, but also that they mirror concrete problems, ideas, experiences, and questions of their authors and the first readers.

The Severity of God Paul K. Moser, 2013-02-14 Explores what role severity plays in God's character, and how difficulties in life relate to the concept of divine salvation.

Holiness and Ecclesiology in the New Testament Kent Brower, Andy Johnson, 2007-10-26 Throughout the biblical story, the people of God are expected to embody God's holy character publicly. Therefore, holiness is a theological and ecclesial issue prior to being a matter of individual piety. Holiness and Ecclesiology in the New Testament offers serious engagement with a variety of New Testament and Qumran documents in order to stimulate churches to imagine anew what it might mean to be a publicly identifiable people who embody God's very character in their particular social setting.
