Come With Me Ronald Malfi, 2021-07-20 A masterful, heart-palpitating novel of small-town horror and psychological dread from a Bram Stoker nominee. Malfi is a modern-day Algernon Blackwood... I'm gonna be talking about this book for years JOSH MALERMAN, author of Bird Box Aaron Decker's life changes one December morning when his wife Allison is killed. Haunted by her absence—and her ghost—Aaron goes through her belongings, where he finds a receipt for a motel room in another part of the country. Piloted by grief and an increasing sense of curiosity, Aaron embarks on a journey to discover what Allison had been doing in the weeks prior to her death. Yet Aaron is unprepared to discover the dark secrets Allison kept, the death and horror that make up the tapestry of her hidden life. And with each dark secret revealed, Aaron becomes more and more consumed by his obsession to learn the terrifying truth about the woman who had been his wife, even if it puts his own life at risk.

Black Mouth Ronald Malfi, 2022-07-19 A group of friends return to their hometown to confront a nightmare they first stumbled on as teenagers in this mesmerising odyssey of terror. An atmospheric, haunting page-turner from the bestselling author of Come with Me For nearly two decades, Jamie Warren has been running from darkness. He's haunted by a traumatic childhood and the guilt at having disappeared from his disabled brother's life. But then a series of unusual events reunites him with his estranged brother and their childhood friends, and none of them can deny the sense of fate that has seemingly drawn them back together. Nor can they deny the memories of that summer, so long ago – the strange magic taught to them by an even stranger man, and the terrible act that has followed them all into adulthood. In the light of new danger, they must confront their past by facing their futures, and hunting down a man who may very well be a monster.

Little Girls Ronald Malfi, 2017-06-27 The Bram Stoker Award finalist delivers a chilling horror novel of a childhood revisited, memories resurrected, and fears reborn. Years ago, Laurie escaped the troubled house where she was raised. Now she is returning, with her husband and ten-year-old daughter, to claim the estate. But even though her father exorcised his demons in a final act of desperation, the past refuses to die. Laurie can feel it lurking in the broken moldings and empty picture frames. She even hears it laughing in the moldy greenhouse deep in the woods . . . At first, Laurie thinks she's imagining things. But when she meets her daughter's new playmate, she notices her uncanny resemblance to another little girl who used to live next door—and died next door. As Laurie's uneasiness grows stronger, her thoughts get more

disturbing. Is she slowly losing her mind like her father did? Or is something truly unspeakable happening?

Ghostwritten Ronald Malfi, 2022-10-11 Four brand-new horror novellas from “a modern-day Algernon Blackwood” all about books, stories, manuscripts – the written word has never had sharper teeth... **BOOKS CAN BE DEADLY** From the bestselling author of *Come with Me*, four standalone horror novellas set in a shared universe! In *The Skin of Her Teeth*, a cursed novel drives people to their deaths. A delivery job turns deadly in *The Dark Brothers’ Last Ride*. In *This Book Belongs to Olo*, a lonely child has dangerous control over an usual pop-up book. A choose-your-own adventure game spirals into an uncanny reality in *The Story*. Full of creepy, page-turning suspense, these collected novellas are perfect for fans of Paul Tremblay, Stephen King and Joe Hill.

December Park Ronald Malfi, 2012-01-01 Suspense and sexy fun await in Beth Ciotta’s *Friends and Lovers* bundle. In *Jinxed*, beautiful socialite Afia St. John has been plagued with bad luck since her birth on Friday the thirteenth. After losing her father and two older husbands in freak accidents, she discovers her business manager has absconded with her fortune. Afia refuses her godfather’s help and jumps at an unexpected job with Leeds Investigations. Jake Leeds can’t turn down the hefty secret retainer Afia’s godfather offers him to hire her. Quickly seeing beyond her wacky superstitions and sensationalized personal history, Jake realizes Afia is as generous as she is misunderstood. Will the sexy PI be the good luck charm that puts her on a winning streak? In *Charmed*, the princess is in danger. Lulu Ross champions nonviolence. Just her luck, she’s tiara-over-glass-slippers for a man who carries a gun: Colin Murphy. Too bad the sexy professional bodyguard is delusional. Who would want to hurt Princess Charming, a low-profile, goody-two-shoes who performs as a storybook character at children’s birthday parties? Surely the sexy gifts from a secret admirer are meant for her bombshell sister. Or are they? In *Seduced*, Sofia Marino is a kick-ass heroine. Her role on the cheesy TV sitcom *Spy Girl* has garnered her a male cult following, fan sites, and a hefty bank account, but faster than a director yells, “Action,” her life goes from Hollywood to Hollyweird. She wakes up in Arizona, disoriented and caked with blood. The last thing Joe Bogart, a burned-out FBI agent on his last undercover case, wants is more intrigue. The last thing he needs is Sofia Marino. Now he’s smack dab in the middle of a murder mystery and in danger of losing his heart. Sofia and Joe embark on a mission to save not only themselves but also their friends and family.

Bone White Ronald Malfi, 2017-07-25 A landscape of frozen darkness punctuated by grim, gray days. The feeling like a buzz in your teeth. The scrape of bone on bone. . . Paul Gallo saw the report on the news: a mass murderer leading police to his victims’ graves, in remote Dread’s Hand, Alaska. It’s not even a town; more like the bad memory of a town. The same bit of wilderness where his twin brother went missing a year ago. As the bodies are exhumed, Paul travels to Alaska to get closure and put his grief to rest. But the mystery is only beginning. What Paul finds are superstitious locals who talk of the devil stealing souls, and a line of wooden crosses to keep what’s in the woods from coming out. He finds no closure because

no one can explain exactly what happened to Danny. And the more he searches for answers, the more he finds himself becoming part of the mystery. . . Praise for *Little Girls* “Best horror novel of the year.” —Hunter Shea “Much more than a haunted house story.” —Cemetery Dance “Takes well-known tropes and completely turns them around.” —IHeartReading

They Lurk Ronald Malfi, 2023-07-18 From the bestselling author of *Come with Me*, five collected novellas from the master of terror, featuring possession, parasites and something monstrous lurking outside... COME CLOSER... Five terrifying collected horror novellas newly reissued from the “modern-day Algernon Blackwood”. *Skullbelly* After three teenagers disappear in a forest, a private detective is hired and uncovers a terrible local secret. *The Separation* Marcus arrives in Germany to find his friend up-and-coming prizefighter Charlie in a deep depression. But soon Charlie's behavior grows increasingly bizarre. Is he suffering from a nervous breakdown, or are otherworldly forces at work? *The Stranger* Set a rural Florida parking lot, David returns to his car to find a stranger sat behind the wheel. The doors are locked and there's a gun on the dashboard. And that was when then the insanity started... *After the Fade* A girl walked into a small Annapolis tavern, collapsed and died. Something had latched itself to the base of her skull. And it didn't arrive alone. Now, the patrons of *The Fulcrum* are trapped, held prisoner within the tavern's walls by monstrous things, trying to find their way in. And one more novella to be revealed!

The Night Parade Ronald Malfi, 2016-07-26 First the birds disappeared. Then the insects took over. Then the madness began . . . They call it *Wanderer's Folly*--a disease of delusions, of daydreams and nightmares. A plague threatening to wipe out the human race. After two years of creeping decay, David Arlen woke up one morning thinking that the worst was over. By midnight, he's bleeding and terrified, his wife is dead, and he's on the run in a stolen car with his eight-year-old daughter, who may be the key to a cure. Ellie is a special girl. Deep. Insightful. And she knows David is lying to her. Lying about her mother. Lying about what they're running from. And lying about what he sees when he takes his eyes off the road . . .

What Kind of Mother Clay McLeod Chapman, 2023-09-12 A New York Times Book Review Best Horror of 2023 selection. “Packed with profoundly unsettling scenes that’ll slither under your skin and stay there long after you turn the last page.”—Gabino Iglesias, author of *The Devil Takes You Home* After striking out on her own as a teen mom, Madi Price is forced to return to her hometown of Brandywine, Virginia, with her seventeen-year-old daughter. With nothing to her name, she scrapes together a living as a palm reader at the local farmers market. It’s there that she connects with old high school flame Henry McCabe, now a reclusive local fisherman whose infant son, Skyler, went missing five years ago. Everyone in town is sure Skyler is dead, but when Madi reads Henry’s palm, she’s haunted by strange and disturbing visions that suggest otherwise. As she follows the thread of these visions, Madi discovers a terrifying nightmare waiting at the center of the labyrinth—and it’s coming for everyone she holds dear. Combining supernatural horror with domestic suspense into a visceral exploration of parental grief, *What Kind of Mother* cements Clay McLeod Chapman's reputation as a “star” (Vulture)

and “the twenty-first century’s Richard Matheson” (Richard Chizmar, Chasing the Boogeyman.)

Small Town Horror Ronald Malfi, 2025-06-03 Five childhood friends reunite, 20 years later, in their Chesapeake fishing town and are forced to confront their own dark past as well as the curse placed upon them in this paranormal horror masterpiece from the bestselling author of *Come with Me*. Maybe this is a ghost story... Andrew Larimer has left his past behind. Rising up the ranks in a New York law firm, and with a heavily pregnant wife, he is settling into a new life far from Kingsport, the town in which he grew up. But when he receives a late-night phone call from an old friend, he has no choice but to return home. Coming home means returning to his late father’s house, which has seen better days. It means lying to his wife. But it also means reuniting with his friends: Eric, now the town’s sheriff; Dale, a real-estate mogul living in the shadow of a failed career; his childhood sweetheart Tig who never could escape town; and poor Meach, whose ravings about a curse upon the group have driven him to drugs and alcohol. Together, the five friends will have to confront the memories—and the horror—of a night, years ago, that changed everything for them. Because Andrew and his friends have a secret. A thing they have kept to themselves for twenty years. Something no one else should know. But the past is not dead, and Kingsport is a town with secrets of its own. One dark secret... One small-town horror...

Senseless Ronald Malfi, 2025-04-15 A page-turning, supernaturally-tinged LA puzzle-box thriller – Zodiac with teeth, from the Bram Stoker Award-nominated and bestselling author of *Come with Me*. Perfect for fans of Riley Sager and Lauren Beukes. What do you see...? When the mutilated body of a young woman is discovered in the desert on the outskirts of Los Angeles, the detective assigned to the case can't deny the similarities between this murder and one that occurred a year prior. Media outlets are quick to surmise this is the work of a budding serial killer, but Detective Bill Renney is struggling with an altogether different scenario: a secret that keeps him tethered to the husband of the first victim. What do you hear...? Maureen Park, newly engaged to Hollywood producer Greg Dawson, finds her engagement party crashed by the arrival of Landon, Greg’s son. A darkly unsettling young man, Landon invades Maureen’s new existence, and the longer he stays, the more convinced she becomes that he may have something to do with the recent murder in the high desert. What do you feel...? Toby Kampen, the self-proclaimed Human Fly, begins an obsession over a woman who is unlike anyone he has ever

met. A woman with rattlesnake teeth and a penchant for biting. A woman who has trapped him in her spell. A woman who may or may not be completely human. In Ronald Malfi's brand-new thriller, these three storylines converge to create a tapestry of deceit, distrust, and unapologetic horror. A brand-new novel of dark suspense set in the City of Angels, as only "horror's Faulkner" can tell it.

Floating Staircase Ronald Malfi, 2021-01-05 "Deserves to stand alongside a Stephen King or a Dean Koontz—at their best . . . A mature horror yarn" from the award-winning author of *Bone White* (New York Journal of Books). Horror writer Travis Glasgow and his wife, Jodie, have bought their first house in Westlake, Maryland, just steps from Travis's older brother's home. Travis is buoyed by the thought of renewing his relationship with his estranged sibling and overcoming the darkness from his past. But the house has other plans for him. Travis is soon awakened by noises in the night and finds watery footprints in the basement that lead him to the nearby lake, which has a strange staircase emerging from its depths. When Travis discovers that a former occupant of his house—a ten-year-old boy—drowned in the lake, he draws connections to his own childhood tragedy. As his brother and wife warn him to leave well enough alone, Travis is pulled into a dark obsession, following the house's secrets to the floating staircase—and into the depths of madness . . . "It would not be an overstatement to say that *Floating Staircase* is a modern classic ranking among some of the best supernatural affairs ever committed to print. . . . The story and setting sizzle to life through Malfi's unparalleled literary talent." —*Dreadful Tales* "Malfi gives a few deft twists to the traditional haunted house theme with eerie, unpredictable, and exciting results." —*Publishers Weekly* "Profoundly moving, terrifying and life-affirming, this is a glorious example of what the genre of horror fiction can accomplish in the right hands." —*Horror Novel Reviews*

The Hive Ronald Malfi, 2026-04-14 An epic, otherworldly horror novel in the vein of *Black River Orchard* and *American Elsewhere* about a wave of collective obsession and paranoia taking over an American suburb. From the Bram Stoker award-nominated and bestselling author of *Come with Me*. The residents of Mariner's Cove are changing... In the aftermath of a violent storm, a collective obsession is rapidly developing among the people of this quaint suburban neighborhood. Random, everyday items left scattered upon the lawns, the streets, and the shoreline all seem to call out to them. There is an item for

almost everyone, and each item has a certain hold over the person who finds it—a hold that soon turns into unwavering infatuation. They hide their items from each other, obsess over them, and they will do anything—anything—to protect them. The collective hum of bees’ wings... A young boy finds himself the possessor of a strange and inexplicable power. Is the arrival of this power linked to the increasingly odd and dangerous behavior of the residents of Mariner’s Cove? Has he been granted this power in order to thwart whatever is about to happen in this small, bayside community, or is there a more sinister purpose? All hail the Dragon... All eyes are on him now. The residents of Mariner’s Cove are watching. They move as one, like a solitary organism, and will do anything to succeed in their single-minded purpose. They will not be stopped.

Beats: Book Reviews 2014 Manuel Augusto Antão,2015-03-06 What it means to me to be a critic/reviewer? For a lot of readers, a reviewer or critic is an embittered failed novelist or worse, a barely restrained serial rapist. Book critics may take the form of a dilettante, theorist, essayist, or even historian, but almost never reviewers, who sometimes lack the distancing from the text required by the demands of academia synthesis.
