Undercover Bromance Lyssa Kay Adams,2020-03-10 One of OprahMag.com's Best Romances of 2020 Braden Mack thinks reading romance novels makes him an expert in love, but he'll soon discover that real life is better than fiction. Liv Papandreas has a dream job as a sous chef at Nashville's hottest restaurant. Too bad the celebrity chef owner is less than charming behind kitchen doors. After she catches him harassing a young hostess, she confronts him and gets fired. Liv vows revenge, but she'll need assistance to take on the powerful chef. Unfortunately, that means turning to Braden Mack. When Liv's blackballed from the restaurant scene, the charismatic nightclub entrepreneur offers to help expose her ex-boss, but she is suspicious of his motives. He'll need to call in reinforcements: the Bromance Book Club. Inspired by the romantic suspense novel they're reading, the book club assists Liv in setting up a sting operation to take down the chef. But they're just as eager to help Mack figure out the way to Liv's heart. . .even though she's determined to squelch the sparks between them before she gets burned.

Do Chickens Have Vaginas? Barry Wise,Len Phillips,2020-07-08 Do you need quirky questions to start great conversations when you're on a date, or having a family discussion? Do you ever wonder about things like if animals can be psychotic, or if some ants are lazier than others, or why can't we use our own poop for fertilizer instead of horse manure? Or what about wondering if too much water, or coffee, or chocolate can actually kill you? This book contains 42 wacky questions covering science, trivia, pop culture, and health/wellness, with answers provided with a good dose of humour (humor, if you're American). It's a great jumping-off point for different and unconventional topics to talk about. Plus, I like the idea of making money if you buy the book, instead of trying to find the answers by yourself on the internet. Not as easy as it looks, so enjoy the book, and have some wonderful conversations!

The Story of V Catherine Blackledge,2004 It is the seat of female sexual pleasure, the site of the creation of humankind, and the channel for its birth. Yet we know less about the vagina--its structure and function--than we do about any other organ of the human body. Why?

A Chicken's Guide to Talking Turkey with Your Kids About Sex Kevin Leman,Kathy Flores Bell,2009-10-14 You're already establishing a track record with your kid by how you listen, by what you say when you're angry, and by how you treat your spouse. We like to surprise parents who ask us, "When do I start talking about sex?" The answer is, you've already started.As

difficult as talking with your child about sex, peer pressure, and self-image may seem, you can do it—and you must. Your child's future depends on it. Fortunately, you've got plenty of guidance and insight available in *A Chicken's Guide to Talking Turkey with Your Kids about Sex*. Family psychologist Dr. Kevin Leman and sexuality educator Kathy Flores Bell guide you safely along the sometimes rocky road of pubescence as your child heads toward adolescence. This practical and engaging book covers his or her development not just from the waist down, but also from the neck up, where the important decisions about sex are made. Illustrated with real life scenarios, this book is filled with practical knowledge and biblical wisdom. It is a book of firsts: first bra, first shave, first period, first nocturnal emission, first school dance, first discussion about relating to the opposite sex. *A Chicken's Guide* takes on the difficult things parents face with their kids today, such as dating relationships, sexual activity and "rite of passage" attitudes, STDs, molestation, and more. Leman and Bell take you beyond sex education and frank conversations to cultivating a relationship with your child. Get ready to acquire some unanticipated life skills in the process. Moms, discover how to buy that first athletic supporter for your son in Little League. Dads, learn how to navigate the feminine hygiene aisle at the supermarket for your daughter. You'll do more than meet your child's physical needs. You'll create the trust, support, and security he or she needs in your relationship. And in turn, you'll gain a credible voice on such intimate topics as what sexual intercourse is and why to abstain from sex until marriage. With Bell's expert yet simple knowledge of the dynamics of human sexuality and Dr. Leman's winsome, lighthearted approach, you'll gain confidence for those difficult but essential talks. Here are the tools you need to help your kids not only understand their growing bodies, but cope with the temptations and social pressures that go with them.

Raising the Skirt Catherine Blackledge, 2020-02-20 'A meticulous guide not only to the vagina but to changing perceptions of womanhood' OBSERVER 'An empowering and enlightening book' IRISH TIMES The vagina is the ultimate symbol of female power. Sexual power, creative power and the power to prevent harm. For too long, though, the true extent of vaginal power has been ignored, hidden and misrepresented. *Raising the skirt: the unsung power of the vagina* reveals this revolutionary view of female genitalia and points the way to a new understanding of what it means to be female. An inspiration for millennia, the vagina is actually a muscular marvel of engineering - sensitive and strong, fluid and flexible. Far from being a passive vessel, female genitalia control the most important role of all: the survival of the species. Originally published as *THE STORY OF V: OPENING PANDORA'S BOX*
