Análisis gramatical Kenneth Lee Pike,Evelyn G. Pike,1991

Gramática analítica avanzada Ana Teresa Pérez-Leroux,Yadira Álvarez-López,2024-03-21 La Gramática analítica avanzada: Construyendo significados en español ofrece una cobertura descriptiva amplia de los temas gramaticales fundamentales del español, a la vez que proporciona un tratamiento detallado de las estrategias de análisis necesarias para que los lectores puedan desarrollar sus destrezas analíticas y su propio pensamiento gramatical. Esta gramática no asume conocimiento previo de la lingüística. Para ayudar al lector, los materiales están organizados desde los conceptos más básicos a los más complejos. Las herramientas analíticas que acompañan los diferentes temas pueden aplicarse a nuevos fenómenos que surjan durante el proceso de aprendizaje del español como segunda lengua, ofreciéndoles a los lectores la garantía de poder seguir aprendiendo. Cada capítulo contiene una síntesis, tablas de resumen y ejercicios que sirven para repasar los conceptos estudiados. La Gramática analítica avanzada será de utilidad tanto para los estudiantes avanzados de español como segunda lengua que busquen profundizar su comprensión de la gramática del español, así como para hablantes nativos y futuros maestros que deseen reforzar su conocimiento de los fundamentos de la gramática descriptiva. Gramática analítica avanzada: Construyendo significados en español provides a comprehensive descriptive coverage of core grammatical topics in the Spanish language while simultaneously offering an in-depth analytic treatment to support readers in developing their own grammatical thinking. This grammar assumes no previous familiarity with linguistics and organizes the materials from the more basic to more complex concepts to help readers understand the building blocks of the language. The analytic toolkit provided for the topics covered within the book can be applied to novel phenomena encountered in the second language acquisition process, setting readers up for lifelong independent learning. Each chapter includes a chapter summary, summary tables, and exercises to reinforce and review the concepts covered. Gramática analítica avanzada will be useful to advanced speakers of Spanish as a second language seeking to deepen their conscious understanding of Spanish grammar as well as native speakers and future teachers who wish to strengthen their foundational knowledge of descriptive

grammar.

El bilingüismo en el mundo hispanohablante Silvina Montrul, 2013-10-30 Esta amplia introducción al bilingüismo en español abarca los contextos sociales, políticos y culturales del español en EEUU, España y Hispanoamérica. Escrito para estudiantes no nativos de español, es el primer libro de texto de estas características para los estudiantes de lingüística hispánica. Este libro de texto en español presenta los temas fundamentales en el estudio del bilingüismo a estudiantes y profesionales Explora comunidades bilingües en Estados Unidos, Hispanoamérica y España Crea conciencia crítica sobre la complejidad del bilingüismo como un fenómeno sociopolítico y cultural Se organiza en tres secciones principales centradas en la sociedad y el individuo: el bilingüismo y la sociedad; el bilingüismo y el individuo; y la política y la educación Incluye mapas, recuadros de resumen del capítulo, vocabulario y conceptos clave y preguntas de comprensión, así como preguntas para reflexionar, investigar y comentar al final de cada capítulo This wide-ranging introduction to Spanish bilingualism covers the social, political, and cultural contexts of Spanish in the US, Spain, and Hispanoamérica. Written for non-native Spanish learners, it offers the first textbook of its kind for students of Hispanic linguistics. This Spanish-language textbook introduces students and professionals to the fundamental issues in the study of bilingualism Explores bilingual communities in the United States, Hispanoamérica, and Spain Raises critical awareness of the complexity of bilingualism as a sociopolitical and cultural phenomenon Organized in three main sections which focus on both society and the individual: bilingualism and society; bilingualism and the individual; and politics and education Includes maps, chapter summary boxes, key terms and concepts, and comprehension questions, as well as questions for reflection, research and discussion at the end of each chapter
