Hearing God Dallas Willard, 2024-04-23 How do we hear God's voice? How can we be sure that what we hear is not our own subconscious? What if what God says to us is not clear? In this Signature Collection edition of a beloved classic, bestselling author Dallas Willard offers rich spiritual insight into how we can hear God's voice clearly and develop an intimate partnership with him in the work of his kingdom.

Hearing God Dallas Willard, 2021-12-07 How do we hear God's voice? How can we be sure that what we hear is not our own subconscious? What if what God says to us is not clear? In this Signature Collection edition of a beloved classic, bestselling author Dallas Willard offers rich spiritual insight into how we can hear God's voice clearly and develop an intimate partnership with him in the work of his kingdom.

Hearing God Dallas Willard, 1999-10-01 God spoke to me. The Spirit spoke to my heart. God revealed the idea to me. Being close to God means communicating with him--telling him what is on our hearts in prayer and hearing and understanding what he is saying to us. It is this second half of our conversation with God that is so important but that can also be so difficult. How do we hear his voice? How can we be sure that what we think we hear is not our own subconscious? What role does the Bible play? What if what God says to us is not clear? The key, says best-selling author Dallas Willard, is to focus not so much on individual actions and decisions as on building our personal relationship with our Creator. In this updated classic, originally published as *In Search of Guidance*, the author provides rich spiritual insight into how we can hear God's voice clearly and develop an intimate partnership with him in the work of his kingdom.

Hearing God Bible Study Dallas Willard, 2021-12-07 How can we hear and understand God's voice? This six-session Bible study delves deeper into the biblical texts and themes contained in bestselling author Dallas Willard's beloved classic *Hearing God*. Written by longtime spiritual formation author Jan Johnson, these studies will help you encounter what Scripture says about listening to God and what it means for your today.

Hearing God, Updated and Expanded Dallas Willard, 2012-11 In this updated and expanded edition of Dallas Willard's beloved book, you'll gain rich spiritual insight into how to hear God's voice clearly and develop an intimate partnership with him. Including new material from Willard's teaching at Renovar and reformatted for easier reading, this classic is still one of today's best spiritual resources.

Summary of Dallas Willard's Hearing God Everest Media, 2022-06-13T22:59:00Z Please note: This is a companion version & not the original book. Sample Book Insights: #1 The author's wife, Mema, was a devout Christian who had a richly interactive life with God. However, she had never been able to relate her experience of God's presence to the idea of God speaking with her. #2 I used to be very confident in my preaching, but as I grew into the ministry, I learned to wait on the word of God to come to me. I learned to expect his speaking through me to others. #3 The idea of God speaking to us created problems for some of the most faithful adherents of the church. They could not understand why people had trouble hearing God, except perhaps as a sign of weakness of faith or rebellion. #4 I believe that people are meant to live in an ongoing conversation with God. This can be abundantly verified in experience when rightly understood. God's visits to Adam and Eve in the Garden, Enoch's walks with God, and Moses' face-to-face conversations with Jehovah are all examples of the normal human life God intended for us.

Hearing God Through the Year Dallas Willard, 2015-09-18 Being close to God means telling him what is on our hearts and understanding what he is saying to us. But how do we hear God? In these daily devotionals Dallas Willard helps us understand how we can know the voice of God and act on it, with daily Scripture readings and suggestions for prayer, journaling and reflection to draw you into God's presence.

Hearing God Dallas Willard, 2003 Dallas Willard explains how to listen for God's voice in unexpected places, how to experience the still small voice, and how to become a mature person of discernment. 1999.

Hearing God in Conversation Sam Williamson, 2016-06-27 I picked it up out of curiosity and I couldn't put it down.-- Eugene Peterson Christians are comfortable saying that Christianity is about a relationship with God. Yet many might also say that they sense little meaningful relationship with God in their own lives. After all, the foundation of good relationship is communication—but conversation with God often seems to go only one way. We may sing of walking and talking with God in the garden, His voice falling on our ears, but few have heard that beloved voice themselves. Sam Williamson acknowledges the fundamental human longing to hear God's voice and offers a hopeful supposition: God is always speaking—we've just never been taught how to recognize His voice. Williamson handles this potentially heady topic with his characteristic straightforwardness and leavening humor. This book deftly bridges the gap between solid biblical theology and practical application, addressing topics such as how to truly pray without ceasing, how to brainstorm with God, how to navigate our emotions, how to answer God's questions, and how to hear God's voice for others. *Hearing God in Conversation* offers simple, step-by-step lessons on how to hear God. Williamson begins with Scripture meditation. He then expands the practice of listening for that voice everywhere—in the checkout line, on the job, in a movie theater, and even in silence. From there, he demonstrates how to hear God's guidance when making any decision. By the end, readers' eyes and ears will be opened to the limitless methods through which God speaks.

Hearing God Through the Year Dallas Willard, 2004 Being close to God means communicating with him--telling him what is on our hearts in prayer and understanding what he is saying to us. The second half of this conversation is so important--and so difficult. How do we hear God? In these daily devotionals Dallas Willard helps us understand how we can know the voice of God and act on it. Each day you'll read Scripture on this topic and find suggestions for prayer, journaling and reflection to draw you into God's presence. You may be surprised--and even transformed--by what you discover.

Hearing God's Voice: Towards a Theology of Contemporary Pentecostal Revelatory Experience Tania M. Harris, 2023-09-25 The revelatory experience or in common parlance, "hearing God's voice," is prized by Pentecostal-Charismatic Christians for its contribution to spirituality, yet remains one of the most problematic areas of church life. Theological tensions and pastoral fallout have plagued the experience since the time of the New Testament. Drawing on the tools of practical theology, this book presents the findings of a unique and ground-breaking study among Australian Pentecostals. With a theological framework modelled on New Testament practice and undergirded by the accountability of the local church, many of the problems associated with revelatory experience can be addressed and the experience fully harnessed for kingdom purpose.

Knowing Christ Today Dallas Willard, 2009-05-26 At a time when popular atheism books are talking about the irrationality of believing in God, Willard makes a rigorous intellectual case for why it makes sense to believe in God and in Jesus, the Son.

Can You Hear God Now? Susan Roberts, 2019-04-02 "Based firmly on biblical truth . . . Practical steps to enter into an interactive relationship with God—where we talk to Him, and yes, He talks to us" (Dr. Craig Von Buseck, editor at Inspiration.org). Can You Hear God Now? addresses the specific question of whether or not Christians believe God speaks to them individually. Many people pray, but few listen to God. Susan Roberts surveyed hundreds of people from various backgrounds, religious affiliations, genders, and ages, from twenty-four states and three foreign countries, to determine if and how they communicate with God. The survey reveals interesting trends in today's thinking about hearing God and how God speaks in a variety of fascinating ways. Many of those surveyed even share stories about their personal interaction with God. Can You Hear God Now? combines these stories with Biblical principles to encourage readers to develop their own two-way communication with God, making their spiritual lives come alive. "The world is full of noise, but Susan Roberts's prayerful Can You Hear God Now? cuts through it all to find some needed holy clarity . . . It imparts confidence that hearing God's voice is a result of preparedness and openness to hearing what God has to say." —Foreword Reviews "May be one of the most useful recent books on Christian faith and living . . . A book very much worth reading, studying, and applying." —Col. Alexander Shine (ret. army), lay leader for military chapels and Officer Christian Fellowship "Susan Roberts' stories are credible and provide inspiring examples of God's interactions with normal and sane people. Her book brings acuity to our

ears.” —Dr. Marshall Shelley, director of the Doctor of Ministry Program, Denver Seminary

Holy Walks Stephen C. Simon, 2019-07-02 Prayers that lead to a growing intimacy with God. Heart-learning, not just more head knowledge. Walking conversations with God. These are a few of the fruits produced by a spiritual practice called holy walks. Rooted in the ancient art of praying the Psalms, holy walks enrich our understanding and practice of prayer by integrating prayer-walking and learning the Psalms by heart. In a practical, deeply personal, and at times humorous manner, Steve Simon shares how holy walks have transformed his own prayer life and revitalized his walk with God—and how they can do the same for the reader. In addition to explaining the spiritual practice of holy walks, *Holy Walks* also provides an introduction to the book of Psalms, which will be especially valuable for those with limited knowledge of the Bible. Exploring five types of psalms, *Holy Walks* describes how God uses them to shape our heart in life-giving ways no matter what peaks we’re climbing or valleys we’re traversing. The book concludes with a discussion on what the Psalms teach about God’s relationship with us as our creator, leader, and rescuer.

Renovation of the Heart Dallas Willard, 2014-02-27 As Christians, we know that we are new creations in Jesus. So we try to act differently, hoping this will make us more like Him. But changing our outward behavior doesn’t change our hearts.

Only by God's grace can we be transformed internally. Renovation of the Heart lays a biblical foundation for understanding what best-selling author Dallas Willard calls the "transformation of the spirit"—a divine process that "brings every element in our being, working from inside out, into harmony with the will of God." This fresh approach to spiritual growth explains the biblical reasons why Christians need to undergo change in six aspects of life: thought, feeling, will, body, social context, and soul. Willard also outlines a general pattern of transformation in each area, not as a sterile formula but as a practical process that you can follow without the guilt or perfectionism so many Christians wrestle with. Don't settle for complacency. Accept the challenge Renovation of the Heart offers to become an intentional apprentice of Jesus Christ, changing daily as you walk with Him.

The Divine Conspiracy Dallas Willard, 2009-10-06 The Divine Conspiracy has revolutionized how we think about the true meaning of discipleship. In this classic, one of the most brilliant Christian thinkers of our times and author of the acclaimed The Spirit of Disciplines, Dallas Willard, skillfully weaves together biblical teaching, popular culture, science, scholarship, and spiritual practice, revealing what it means to apprentice ourselves to Jesus. Using Jesus's Sermon of the Mount as his foundation, Willard masterfully explores life-changing ways to experience and be guided by God on a daily basis, resulting in a more authentic and dynamic faith.

Eternal Living Gary W. Moon, 2014-12-04 Curated by Dallas Willard's long-time colleague and friend Gary Moon, this medley of images, snapshots and Dallas-isms moves readers toward deeper experiences of God. Whether influenced by him as a family member, friend, professor, philosopher or reformer, contributors bring refreshing insight into his ideas, what shaped him and also his contagious theology of grace and joy.
