

I Spy Spooky Night

Rebecca L. Thomas

I Spy Spooky Night Jean Marzollo, 2005 This I Spy book takes children through a spooky old house at night where they search for spooky items. Children look for bats, lizards, frogs, owls and tombstones. From its rickety gate to its cobwebbed attic, this haunted house contains 13 spooky environments. Readers will marvel at Walter Wick's beautifully executed photographs as they travel through each enchanting scene and solve the rhyming riddles, reading the story along the way. Over two million I Spy books have been sold to date.

I Spy Spooky Night , 1996 Rhyming verses ask readers to find hidden objects in the photographs.

I Spy Halloween Book for Kids Ages 4-8 Lurro,2021-08-04 I spy with my little eye something starting with H. It's Halloween time! ♦♦♦ * Does your child enjoy playing games? * Are you looking for a Halloween-themed gift for your child? * Do you want a product where your child can concentrate and color at the same time? If one of the answers is yes, then this product is just for you □ * What is this product? The book refers to the game i spy in which the child chooses a character, object, related to a letter. Each page has different letters and pictures with a Halloween theme. The pictures are created in such a way that they are perfect for coloring. Thanks to this product, not only the child guesses but also colors the picture, which will cause even more fun and joy. * Why should you buy this product? The pictures on each page are created to be colored with crayons or markers. Each page contains a new puzzle for a different letter of the alphabet so that fun does not become boring. The book is created for coloring with different types of markers, so the back of each page is printed in black so that the ink does not show through on the other pages, which makes the book more aesthetic and comfortable to use. An ideal Halloween-themed gift for children, so that they learn about the characters and objects associated with this holiday while having fun. * For whom is this book? The book is designed for children who enjoy guessing and coloring. The pictures are created in such a way that they are comfortable to color, and the back of the page does not allow the ink to break through to the other pages. What is more, the pictures are adapted to children so that they do not scare them. * What does this product contain? Cover page Puzzle pages related to Halloween and the letters of the alphabet Solutions to the riddles ♦♦♦ * Features include: Over 40 pages to have fun High-quality paper Small size perfect to bring everywhere High-quality cover perfect for gift The other side of the chart is black high-quality gift cover ♦ Click the cover to reveal what's inside! ♦ □ Please note, if you don't like this book, you can always return it for free. A to Zoo Rebecca L. Thomas, 2018-06-21 Whether used for thematic story times, program and curriculum planning, readers' advisory, or collection development, this updated edition of the well-known companion makes finding the right picture books for your library a breeze. Generations of savvy librarians and educators have relied on this detailed subject guide to children's picture books for all aspects of children's services, and this new edition does not disappoint. Covering more than 18,000 books published through 2017, it empowers users to identify current and classic titles on topics ranging from apples to zebras. Organized simply, with a subject guide that categorizes subjects by theme and topic and subject headings arranged alphabetically, this reference applies more than 1,200 intuitive (as opposed to formal catalog) subject terms to children's picture books, making it both a comprehensive and user-friendly resource that is accessible to parents and teachers as well as librarians. It can be used to identify titles to fill in gaps in library collections, to find books on particular topics for young readers, to help teachers locate titles to support lessons, or to design thematic programs and story times. Title and illustrator indexes, in addition to a bibliographic guide arranged alphabetically by author name, further extend access to titles.
