**Money. Wealth. Life Insurance.** Jake Thompson, 2014-01-01 America's elite have been using cash value life insurance to stockpile wealth for centuries. Used correctly, it is better described as a personal bank on steroids, and a financial bunker for tough times. To be clear, this book is not about the typical garbage peddled by most insurance agents. Rather, an alternative to the risky investment strategies taught by Wall Street. It details a highly efficient form of cash value life insurance designed to supercharge your savings and stockpile wealth. A product so powerful it's responsible for the success of Walt Disney, JC Penney, Ray Kroc, and thousands of others. Here's what you'll discover: •How the wealthy use this vehicle to create more wealth, take less risk, and create predictable income they can't outlive •Why banks and corporations place billions of dollars in this powerful vehicle •How I earned over 300 percent returns leveraging my life insurance policies •How you can create a safe, predictable foundation to enhance every financial decision you make •How to win with taxes and keep more of the money you make While the information compiled into this book is valuable, you'll also find three case studies that show you exactly how it works. You'll be able to visually see how it grows, how it's accessed, as well as the future income that can be taken. \_\_\_\_\_ Influencers of this book are Nelson Nash, his book *Becoming Your Own Banker: Unlock the Infinite Banking Concept*; Pamela Yellen, her book *Bank on Yourself*; Dwayne Burnell, his book *Financial Independence in the 21st Century - Life Insurance \* Utilize the Infinite Banking Concept \* Compliment Your 401K - Retirement Planning With Permanent Whole Life versus Term or Universal - Create Financial Peace*; and my Father Dan Thompson, and his book *The Banking Effect: Acquiring wealth through your own Private Banking System*. I was introduced to these financial strategies at a young age, and this book represents the effort and energy on both the part of everyone of my mentors, these authors here, as well as my own diligence in learning about and implementing these very same strategies into my personal finances. This book is designed to simplify some of the concepts surrounding cash value life insurance, such as Infinite Banking and Bank on Yourself, and make them easier to understand, stripping them down to the core benefits of cash value life insurance.

*Summary of Jake Thompson's Money Wealth Life Insurance*, 2024-06-26 Get the Summary of Jake Thompson's Money Wealth Life Insurance in 20 minutes. Please note: This is a summary & not the original book. Money Wealth Life Insurance by Jake Thompson explores the historical and financial significance of cash value life insurance. Originating in the 18th century, this financial tool has provided stability and protection through economic turmoil, including the Great Depression. Wealthy

individuals and businesses, such as Walt Disney and JCPenney, have leveraged life insurance to secure and grow their wealth. The book highlights the pitfalls of traditional retirement plans like 401ks, which often result in higher taxes during retirement. It contrasts this with the benefits of cash value life insurance, which offers tax-free growth, accessibility, and a death benefit...

The Hidden Secret to Wealth with Cash Value Life Insurance Shane Collins, 2020-11-15 Discover The Hidden Secret to Wealth with Cash Value Life Insurance With Foolproof Life Insurance Strategies. Dear friend, Everyone knows that life insurance is a great way to protect your loved ones financially if anything ever happens to you. But, did you know that life insurance can also act as an investment and amass you a massive pile of cash? Cash-value life insurance policies provide monetary coverage while you are living, as well as a death benefit that will go to your loved ones after you die. Unlike regular life insurance, the cash value life insurance has a built-in savings component. This cash component gains value, tax-deferred with interest, as the years go by and can be borrowed against or used as collateral, similar to a loan when you need some extra cash. But what if you could go a step further and use the cash value to earn lots of money? Well, with this book in your hands, you can do precisely that. This book contains expert knowledge and proven strategies to use cash value life insurance to maximize benefits. Despite the popular belief, cash value insurance policies are not just for the rich. If you use them correctly, a cash value life insurance plan can become a lucrative savings account that can be used to withdraw funds, attain

a loan, or even pay off your very own insurance premiums. And this book will reveal all secrets of how to do that! Here is what this cash value life insurance guide can offer you: All relevant information on cash value life insurance Reasons why to choose cash value life insurance Guide on analyzing which type of life insurance will suit you best Expert strategies on how to make money with cash value If you want to give your loved ones financial protection with life insurance, you don't have to wait for something to happen to you.
