**QB Steve Young**, Jeff Benedict, 2024-03-19 Steve Young is a hero of mine. . . His perseverance, intelligence, and, most of all, grace under pressure, NFL-style, make this book a fascinating read. —Tom Brady In the most candid and compelling sports memoir since Andre Agassi's riveting bestseller *Open*, former San Francisco 49er, Super Bowl champion, NFL MVP, and Hall of Famer Steve Young gives readers an unprecedented and stunning inside look at what it takes to become a super-elite professional quarterback. Steve Young produced some of the most memorable moments in NFL history. But his most impressive victories have been deeply personal ones that were won when no one was watching. His remarkably revealing memoir is the story of a Mormon boy with a 4.0 GPA, a photographic memory, and a severe case of childhood separation anxiety. As an eighth-string quarterback at Brigham Young University, it was doubtful that he would ever see any playing time. But Young became an All-American, finished second in the Heisman voting, and was the top draft choice out of college. Then, after signing the largest contract in sports history, anxiety nearly drove him to walk away from football completely. In short, Young's quest in life was always about grit. Now, he shares the experience of being inside his helmet while he faces down his toughest adversaries, both on and off the field. This book is gold. —Peter King Intense. — San Francisco Chronicle Young's battles with anxiety make you forget you are reading about a Hall of Famer, and make you root for him at every turn. This is a revealing, honest, compelling book that any fan will enjoy. —Michael Rosenberg, senior writer, *Sports Illustrated*

**My Life in Football** Kevin Keegan, 2018-10-04 The phenomenal Sunday Times bestselling autobiography by Kevin Keegan, one of the greatest players in English football history, famed for his style on the pitch, his relentless ambition and passion for the game. 'And I'll tell you, honestly, I will love it if we beat them. Love it!!!' Kevin Keegan, 1996 In *My Life in Football* Keegan tells the story of his remarkable rise through the sport, from the Peglers Brass Works reserve team in Doncaster to helping Liverpool become the kings of Europe, winning a Bundesliga title with Hamburg and captaining England. Keegan was recognized around the world as one of the sport's genuine superstars and remains the only Englishman to win the Ballon

d'Or twice. As a manager, Keegan's five-year spell in charge at Newcastle is now legendary; he led the club from the depths of the old Second Division to the brink of the Premier League title with a breathtaking vision and flamboyant style that saw his team dubbed 'The Entertainers'. Fifty years since making his professional debut, Keegan tells the full story of the exhilarating highs and excruciating lows, from that epic battle with Sir Alex Ferguson and Manchester United in the 1995-6 season, as well as the pain of managing England and, finally, the shattering truth about his unhappy return to Newcastle in the controversial Mike Ashley era. Brilliant, funny, passionate, deeply moving and incredibly honest, *My Life in Football* is the story of the miner's son from Doncaster who became a superstar and was known to his adoring fans as 'King Kev'.

*Dan Marino* Dan Marino, 2007-09 Complemented by hundreds of personal photographs, a memoir by the Hall of Fame quarterback describes his legendary career with the Miami Dolphins, his life on and off the field, his dedication to his family and community affairs, and his lifelong love affair with football. Reprint.

**THE GAME OF MY LIFE; FOOTBALL** PRISCILLA OSEI, 2020-07-10 I'm a young girl with extraordinary football skills. I love playing football and it's my most loved game. The story tells how far I went to play football because of my love for it.

Ted Buxton - My Life in Football Ted Buxton, 2017-09-07 As a professional football coach and football scout, Edward 'Ted' Buxton is well-known in the world of professional football. He has travelled the world, scouting, assessing and negotiating for players working in the UK, USA and China. But had it not been for football, Ted's prospects would have been no better than other working class lads from South London... A tough Docklands upbringing during the Blitz, and subsequent conscription for national service, led 18-year-old Ted away from playing football, to Malaya and the brutal realities of war. But it is here that he developed his instinct to survive: kill or be killed. After the war, knowing he'll never make the big time as a player, Ted realised his aptitude for coaching and spotting talent. From ordinary butcher boy and soldier, to Chief Scout and assistant to Terry Venables at the England squad, this inspiring book recounts life alongside many legendary football managers - Gordon Jago, Bobby Robson, Brian Clough, Sir Alex Ferguson, Sven-Göran Eriksson and Arsène Wenger. Not forgetting the numerous players - from George Best to Rodney Marsh, Alan Shearer, Paul Gascoigne, Glenn Hoddle, Ossie Ardiles, Pele, Beckenbauer, Maradona - to name but a few. The book is packed with anecdotes and encounters with the famous and infamous - from Ella Fitzgerald to the Kray Twins, and behind-the-scenes at Downing Street and Buckingham Palace.

Audibles Joe Montana, Bob Raissman, 1988 The life story of one of football's biggest stars covers his personal life, what it was like to grow up on the playing field and before the cameras, and bringing the San Francisco 49ers to their first-ever world championship

**Nothing Comes Easy** Y. A. Tittle, 2009-09-01 Before cable television, artificial turf, multimillion-dollar contracts, and Are You Ready for Some Football? pro football players' lives were not much different from those of the fans in the bleachers. Back in football's Golden Era, the game they played was much simpler but far tougher than anything seen today. Y.A. Tittle began

his career in that simpler era, when players were expected to play both offense and defense and had to hold off-season jobs to make ends meet. Following a stellar career that lasted from 1948 until 1964, he retired from the game at 38 after starring for the Baltimore Colts, the San Francisco 49ers, and the New York Giants. Although he was the quarterback in the 49ers famous million dollar backfield, he is best remembered for his three years in New York and for his willingness to take the field when badly hurt. Y.A. took the Giants to three NFL Championship Games.

**What It Takes** Mark Herzlich, 2015-06-02 In 2011, he became starting linebacker for the New York Giants and triumphed in the Super Bowl—after being told his cancer diagnosis meant he would never play football again.... As a child, Herzlich found true meaning in football, eventually turning his passion into a first-team All-American spot at Boston College. But the budding star was sidelined by persistent, debilitating pain in his left leg. The shocking diagnosis: He had Ewing's sarcoma, a rare bone cancer. Doctors put his odds of survival as low as ten percent—and no one thought he would be able to run, much less play football, again. Then Herzlich learned of a radical treatment that would give him the best chance to regain his strength and maybe even play football again, but it could cost him his life. Relying on family, friends, faith, and deep wells of determination to help him through treatment, his plan worked. Not only could he run, but he was physically stronger than ever, and mentally ready to battle his way into the NFL. When he was passed over by all thirty-two teams in the draft, he dug deeper and continued his training, winning a spot in the Giants' training camp and, eventually, on the team. Mark Herzlich fought a battle against cancer, against statistics, and some days against himself. Told with candor and raw emotion, *What It Takes* is a story for anyone who has ever fought to beat the odds, for anyone who has ever been told that what they are about to attempt is next to impossible. INCLUDES PHOTOS With a foreword by New York Giants head coach Tom Coughlin

**Head Ball Coach** Steve Spurrier, Buddy Martin, 2016 The pioneering college football coach shares the story of his life in sports, describing his Tennessee youth, championships with two SEC schools, and unique approaches to leadership.

The Dark Side of the Game Tim Green, 2008-11-15 In this book, 8-year veteran of the NFL Tim Green reveals for the first time the scandals, the horrors, the abuses and also the wonders of playing football

Analytical Psychology of Football John O'Brien, Nada O'Brien, 2021-08-12 Jungian psychology of football is a new and cutting edge approach being applied by Champions league teams and used in youth football training. Implications for the wider role of football organisations in society as models for the diagnosis and management of trauma and tension in our changing world are highlighted. Analytical Psychology of Football: Professional Jungian Football Coaching provides for youth trainers, accessible, scientifically based tools and techniques to develop resilience and sustain motivation in grass roots and elite footballers. The values and psychological make-up of best in class international trainers are revealed, and commented upon by a Champions League manager. Theory is traced from the early history of the game through to the present day, equipping trainers with the guiding psychological concepts which are shaping the future of the sport. Case examples of how the game can support society through periods of change, and in fact, advance civilisation are described. A Jungian appreciation of the transformational power of the football is a step forward for psychologists, and educators who wish to keep up with advancements in their professions, for football students and for trainers wishing to remain competitive.
