## EW Minium

**Tokyo Ghoul Manga Special Preview** Sui Ishida,2015-08-04 Ghouls live among us, the same as normal people in every way—except their craving for human flesh. Ken Kaneki is an ordinary college student until a violent encounter turns him into the first half-human half-ghoul hybrid. Trapped between two worlds, he must survive Ghoul turf wars, learn more about Ghoul society and master his new powers. Enjoy this sneak peek of Tokyo Ghoul volume 1 along with an inside look of Tokyo Ghoul volume 2. -- VIZ Media

**Tokyo Ghoul, Vol. 4** Sui Ishida,2015-10-20 Kaneki meets Shu Tsukiyama, known as The Gourmet for his interesting and sadistic tastes. And Kaneki learns more about what happened to Rize and what it means to be a One-Eyed Ghoul. -- VIZ Media

**Tokyo Ghoul: re, Vol. 7** Sui Ishida,2018-10-16 Sen Takatsuki's newest novel has hit the stands and a video of her admitting to being a Ghoul has gone viral! And if that news hasn't done enough to shake things up, the contents of her book are sowing civilian distrust of the CCG. How can investigators effectively take on the Ghoul threat if the public has lost faith in them? And what if Sen Takatsuki's veiled accusations about the CCG brass are true...? -- VIZ Media

**Tokyo Ghoul, Vol. 10** Sui Ishida,2016-12-20 While Kaneki and his friends tangle with the ghouls from the Aogiri Tree organization, the Commission of Counter Ghoul's ongoing investigations bring them dangerously close to discovering Kaneki's secret. -- VIZ Media

**Understanding Manga** Mari Bolte,2026-01-01 In the last few decades, manga has exploded in popularity around the world. Weekly serialized magazines have paved the way for iconic series such as One Piece, Naruto, and Demon Slayer. Other titles such as Sailor Moon find enduring success with fans. Explore the history of manga, from its earliest forms to the thousands of series available in modern libraries, bookstores, and online. Discover famous mangaka who pioneered the field—as well as art styles that have become a mainstay in certain genres or tropes that have become popularized over the years. As print and digital media grows around the world, so too will manga and its increasing influence on global pop culture and beyond.

**Tokyo Ghoul: re, Vol. 5** Sui Ishida,2018-06-19 The Qs Squad once again proves its worth by going undercover to collect vital Ghoul information, allowing the CCG finally move forward with a massive eradication campaign. But this strike pushes the Qs to their limits, bringing all their weaknesses to the forefront. And Haise is the hardest hit when his hidden past rushes

forth to impact his future! -- VIZ Media

**Selestria 3** Sarah Day,2022-08-01 After a lifelong rivalry with the Evolin kingdom and the constant betrayals that Saige has faced with its people, she is never expected to form an alliance with the prince of the kingdom, Austin Maleki. With Saige no longer being the only one on the Alev throne and having to share it with the new king, she is now left with only one responsibility, for her and Austin to achieve the ultimate power together and bring peace to Selestria once and for all.

*The Routledge Companion to Children's Literature and Culture* Claudia Nelson, Elisabeth Wesseling, Andrea Mei-Ying Wu,2023-11-30 Focusing on significant and cutting-edge preoccupations within children's literature scholarship, *The Routledge Companion to Children's Literature and Culture* presents a comprehensive overview of print, digital, and electronic texts for children aged zero to thirteen as forms of world literature participating in a panoply of identity formations. Offering five distinct sections, this volume: Familiarizes students and beginning scholars with key concepts and methodological resources guiding contemporary inquiry into children's literature Describes the major media formats and genres for texts expressly addressing children Considers the production, distribution, and valuing of children's books from an assortment of historical and contemporary perspectives, highlighting context as a driver of content Maps how children's texts have historically presumed and prescribed certain identities on the part of their readers, sometimes addressing readers who share some part of the author's identity, sometimes seeking to educate the reader about a presumed "other," and in recent decades increasingly foregrounding identities once lacking visibility and voice Explores the historical evolutions and trans-regional contacts and (inter)connections in the long process of the formation of global children's literature, highlighting issues such as retranslation, transnationalism, transculturality, and new digital formats for considering cultural crossings and renegotiations in the production of children's literature Methodically presented and contextualized, this volume is an engaging introduction to this expanding and multifaceted field.

**Introducing Teachers' Writing Groups** Jenifer Smith, Simon Wrigley,2015-11-06 Teachers' writing groups have a significantly positive impact on pupils and their writing. This timely text explains the importance of teachers' writing groups and how they have evolved. It outlines clearly and accessibly how teachers can set up their own highly effective writing groups. In this practical and informative book, the authors: share the thinking and practice that is embodied by teachers' writing groups provide practical support for teachers running a group or wishing to write for themselves in order to inform their practice cover major themes such as: the relationship between writing teachers and the teaching of writing; writing as process and pleasure; writing and reflective practice; writing journals and the writing workshop. The authors provide a rationale for the development of writing groups for teachers and for ways of approaching writing that support adult and child writers and this rationale informs the ideas for writing throughout the book. All writing and teaching suggestions have been extensively tried and tested by class teachers, and will be of enormous interest to any teacher or student teacher wishing to

run their own successful writing group.

**The Metaphor of the Monster** Keith Moser, Karina Zelaya, 2020-10-15 The Metaphor of the Monster offers fresh perspectives and a variety of disciplinary approaches to the ever-broadening field of monster studies. The eclectic group of contributors to this volume represents areas of study not generally considered under the purview of monster studies, including world literature, classical studies, philosophy, ecocriticism, animal ethics, and gender studies. Combining historical overviews with contemporary and global outlooks, this volume recontextualizes the monstrous entities that have always haunted the human imagination in the age of the Anthropocene. It also invites reflection on new forms of monstrosity in an era epitomized by an unprecedented deluge of (mis)information. Uniting researchers from varied academic backgrounds in a common effort to challenge the monstrous labels that have historically been imposed upon the Other, this book endeavors above all to bring the monster out of the shadows and into the light of moral consideration.

*Riley's Ghost* John David Anderson, 2022-01-11 From John David Anderson, acclaimed author of *Posted*, comes a ghost story pulled from the darkest shadows of middle school. Riley Flynn is alone. It feels like she's been on her own since sixth grade, when her best friend, Emily, ditched her for the cool girls. Girls who don't like Riley. Girls who decide one day to lock her in the science closet after hours, after everyone else has gone home. When Riley is finally able to escape, however, she finds that her horror story is only just beginning. All the school doors are locked, the windows won't budge, the phones are dead, and the lights aren't working. Through halls lit only by the narrow beam of her flashlight, Riley roams the building, seeking a way out, an answer, an explanation. And as she does, she starts to suspect she isn't alone after all. While she's always liked a good scary story, Riley knows there is no such thing as ghosts. But what else could explain the things happening in the school, the haunting force that seems to lurk in every shadow, around every corner? As she tries to find answers, she starts reliving moments that brought her to this night. Moments from her own life...and a life that is not her own.
