Savvy Sheldon Feels Good as Hell Taj McCoy, 2022-03-22 "This feel-good, uplifting read is filled with positive messages about self-care and self-love. It is sure to please foodies, home-makeover buffs, and anyone looking for a light-hearted romantic read." -USA Today A sexy romance about a plus-size sweetheart who gets a full-life makeover after a brutal breakup and falls for the incredibly hot contractor renovating her home. Savvy Sheldon spends a lot of time tiptoeing around the cracks in her life: her high-stress and low-thanks job, her clueless boyfriend and the falling-apart kitchen she inherited from her beloved grandma—who taught her how to cook and how to love people by feeding them. But when Savvy's world starts to crash down around her, she knows it's time for some renovations. Starting from the outside in, Savvy tackles her crumbling kitchen, her relationship with her body, her work-life balance (or lack thereof) and, last but not least, her love life. The only thing that doesn't seem to require effort is her ride-or-die squad of friends. But as any home-reno-show junkie can tell you, something always falls apart during renovations. First, Savvy passes out during hot yoga. Then it turns out that the contractor she hires is the same sexy stranger she unintentionally offended by judging based on appearances. Worst of all, Savvy can't seem to go anywhere without tripping over her ex and his latest upgrade. Savvy begins to realize that maybe she should've started her renovations the other way around: beginning with how she sees herself before building a love that lasts. A heartfelt, hopeful, and humorous exploration of the importance of learning to love yourself...a joy to read." -Booklist, STARRED review Don't miss Taj McCoy's spicy new rom-com, *The Dating Prohibition*, where an ambitious entrepreneur working to get her speakeasy supper club off the ground is pushed off balance when her childhood crush turns up...hotter than ever--then tells her she's off-limits. The Dating Prohibition Taj McCoy, 2025-09-02 "Taj McCoy's writing positively crackles with energy, wit and humor." —Jayci Lee, author of *Booked on a Feeling* In this spicy new rom-com, an ambitious entrepreneur working to get her speakeasy supper club off the ground is pushed off balance when her childhood crush turns up, hotter than ever--then tells her she's off-limits. Now that Kendra's returned home, she can't help feeling like a kid again—back in her big brother's shadow, trying to get her restaurant off the ground while his new venture is flying high right out the gate. It doesn't help that everyone refuses to stop calling her Keke, the childhood nickname she loathes. The only bright spot is her longtime crush BJ. He's been her big brother's best friend for most of her life, and he's always been that cool, chill guy who was easy to talk to and made her laugh. Now he's looking at her like she's all grown up, and there's nothing childish about the chemistry brewing between them. Even better, he takes her dreams seriously, and he's ready to help her make her supper club a reality. But then BJ extinguishes the sparks flying between them, insisting nothing romantic can ever happen because she's "off limits." As her investors fall through and her best chance at fulfilling her professional dreams points toward leaving home again for a fresh start, will BJ be ready for love before Kendra moves on? Or will he sweep her off her feet when she least expects it? For fans of: *Brother's Best Friend* Spicy Rom-Com Childhood Crush Off-limits Romance Ambitious Heroine Second Chances

The Good Ones Are Taken Taj McCoy, 2024-04-23 "[An] exceptionally entertaining, superbly sexy love story that also freely embraces other important things in life, like friendship, family, and food." —Booklist When Maggie's best friend admits he's in love with her, she'll have to decide whether it's worth giving up something good for something that could be amazing in this laugh-out-loud friends-to-lovers rom-com. After a bad breakup, Maggie wants to find her Prince Charming, but all she's finding are frogs. When her best friends, Savvy and Joan, apply pressure and demand she find a date worthy of attending their respective weddings, she agrees to take her own advice and try online dating. Since she's the maid of honor for both weddings, her bridal party duties are massive, but both brides insist that Maggie prioritize finding a date. After an onslaught of maybes, noes and hell noes, she's close to giving up, when she meets a handsome doctor at the gym who just

might be the one. Meanwhile, her college bestie, Garrett, throws salt in everyone's game. At every turn, he points out the red flags and tells Maggie to keep looking. Things come to a head when Maggie demands that Garrett be happy for her, and he finally admits that he can't. Not when he's not with her. When he blurts out his feelings, Maggie's world is turned upside down. Now she must choose between the perfect guy and a friendship that is the foundation for everything she's ever wanted. A romp offering readers a heroine who knows what she deserves and two men competing to measure up." —Entertainment Weekly "Zora find herself in a love triangle with [a] writer and his seemingly grumpy best friend in this flirty rom-com read." —EBONY "McCoy Doesn't miss a romantic beat." —Publishers Weekly, Starred Review A heart-pounding, curvy romance about an indie bookstore owner who finds herself in a love triangle when she meets the author she's had a crush on for years...and his best friend. Zora has committed every inch of her life to establishing her thriving DC bookstore, making it into a pillar of the community, and she just hasn't had time for romance. But when a mystery author she's been crushing on for years agrees to have an event at her store, she starts to rethink her priorities. Lawrence is every bit as charming as she imagined, even if his understanding of his own books seems just a bit shallow. When he asks her out after his reading, she's almost elated enough to forget about the grumpy guy who sat next to her making snide comments all evening. Apparently the grouch is Lawrence's best friend, Reid, but she can't imagine what kind of friendship that must be. They couldn't be more different. But as she starts seeing Lawrence, and spending more and more time with Reid, Zora finds first impressions can be deceiving. Reid is smart and thoughtful—he's also interested. After years of avoiding dating, she suddenly has two handsome men competing for her affection. But even as she struggles to choose between them, she can't shake the feeling that they're both hiding something—a mystery she's determined to solve before she can find her HEA. Swing Full Circle Chesley Wilson,1954 A boat trip down the river from Woosung to Shanghai to Hankow, and on, affords a harsh close-up of the country where poverty and famine has left its lines, and politics a dirty stain. This is the story of Tully Sheldon, who is hired by the China Water Transport under World Relief to sail a ship carrying supplies; of Alia, a Harbin born White Russian, whom he didn't think could love but knew all there was to know about it; of the cutthroat crew he hires- save for Peliga, his quartermaster, who watches over Sheldon and his Russian whore with faithful vigilance and disapproval; and of the new China- crowded and cluttered with homeless natives and unprincipled internationals. And as Sheldon sails his L.S.T. and picks up a cargo of refugees at one port, loses Alia at another, and takes on a cargo for a Red Chinese, he heads into dangerous waters- but Alia shares in the bargain he has made. But when he faces Kuomintang gunfire, and comes to the late realization that it's guns- not gasoline- he's carrying to a Communist beachhead, he refuses- in spite of Alia- to land the cargo, leaves the ship with the orders that the guns are to be scuttled, and is left with nothing except the dead body of the girl he loved.... A story which has its irony, its anger, and its disillusion, in lean, masculine terms.--Kirkus Review.
