Fairy Godmothers Aren't Cheap: A Sweet Romantic Comedy Romantasy Jean Oram,2025-05-08 If wishes were free... No, really. I've done a lot of wishing in my time: for hunky security guard James to like me back, for that cute skirt to zip all the way up, for my colleague to shut up about her amazing love life already, for my father to show up on my tenth birthday... The list goes on. And on. But so does the bill that's just arrived from my own personal fairy godmother. Sure, my life has been semi-charmed up to this point, but a fairy godmother? I don't think so. There's only one way to prove this lady's not real: wish for James to ditch his date and ask me out instead. Easy peasy. Fairy godmothers are all just a scam. Except within minutes of making my wish, James breaks his date and asks me out. And yeah, that pricey wish just went on my tab. Fairy godmother debt. Secret interactions with the magical world. And a new boyfriend who might be under a spell... What's real? And can true love break the binds of a magical spell? A light romantasy with paranormal twists, and sweet, heartwarming moments. This is also a friends to lovers romantic comedy that gets help from the paranormal magical world of fairy godmothers. And maybe a few ogres in accounting, too, since nobody wants to get fed to one if they default on their bill.

Secrets Can be Murder Jane Velez-Mitchell,2008-06-10 A respected television news journalist dissects the nations most fascinating recent trials and court cases, unearthing the disturbing secrets of criminals and victims and revealing how little separates a so-called normal life from that of a sociopath.

Just Like You Louise Haller,2012-09-13 If you are inspired by a story that combines determination, courage, vulnerability and emotional resilience; while overcoming lifes greatest challenges; then this is a must read! Vividly told from the authors own experience; youll travel with her through the heart wrenching lows and conquering highs. In this intimate, surprisingly honest and often stirring look at one womans journey beyond damaging relationships and a life mired with shame, grief and guilt; she ultimately discovers the healing power of self acceptance and genuine forgiveness. Overcoming her fears, she opens her heart to connect with others again; and is finally free to live the life she has always imagined.

Now I Can Die in Peace Bill Simmons,2009-03-24 NEW YORK TIMES BESTSELLER • Bill Simmons replays the years leading up to the Boston Red Sox historic championship season and says goodbye to a lifetime of suffering. At least for now. The Red Sox won the World Series. To Citizen No. 1 of Red Sox Nation, those seven words meant No more 1918 chants. No more smug glances from Yankee fans. No more worrying about living an entire life -- that's 80 years, followed by death

without seeing the Red Sox win a Series. But once he was able to type those life-changing words, Bill Simmons decided to look back at his Sports Guy columns for the last five years to find out how the miracle came to pass. And that's where the trouble began. Why didn't he see it coming? Why didn't it happen sooner? What was the key deal, the lucky move, the funny bounce, the sign from above that he failed to spot? Pretty soon, The Sports Guy was second-guessing himself, rewriting history, sniping at his own past predictions, pounding the table -- that's what sports guys do, right? And doing so, he let himself get sidetracked by the suffering of the Boston Bruins, frustrated by the false promise of the Celtics -- and driven into a state of ecstasy by the dynastic New England Patriots. The result is *Now I Can Die in Peace*, a hilarious and fresh new look at some of the best sportswriting in America, with sharp critical commentary (and fresh insights) from the guy who wrote it in the first place.

Eat Drink And Be My Best; Forget The Rest Theo Annika Knillsson, 2019-03-21 Years of abuse and neglect have affected my eating and drinking and what was best for me overall. It is hard to eat healthy when there is not enough money to do so. Also, when a victim is an emotional mess, it is hard to eat healthily. In reality, the abuser pretty much dictates what, when, and if you eat at all. Abusers force victims to eat foods that make a victim never want to eat that food again, and some of those foods are healthy foods. There are so many factors in why victims of abuse eat the way they do and why they have eating disorders. Eating healthily is a big deal, especially when a victim becomes malnourished due to abuse. I was anorexic for a few years because of the long-term horrific abuse. At this time I had just had my last child, down to ninety pounds and not able to gain weight no matter what I ate after I got out of the abusive situation. It took years of eating enough healthy food to get my weight back to a normal weight. And then of course, I unintentionally got back into another abusive situation. His control and abuse put me far into debt because I was not going to eat unhealthily and go back to being anorexic ever again. I was forced not to work in this final abusive marriage. I will never get into an abusive marriage again even if I had been lured into abusive marriages in my past by them over and over again. Forced not to work made it so I had to use credit cards in order to eat enough healthy food. At least I was not damaged again by anorexia. No matter how forceful or abusive my husband was then, my kids were not going to go without healthy food even if I was on a tight budget. I would go into debt all over again so they could eat healthy! I keep thinking, I will pay it off and go to work as soon as I am safe enough to get out of this abusive marriage! Finally out of that my last abusive marriage, I am slowly but surely paying off the debt. Yes, with a lot of interest charge, but I am going to be out of debt eventually. I work as much as I can even if I am physically disabled, unlike my last abusive husband; I have to work to eat healthy! I can't worry about the debt or I won't get out! I eat healthy and in time, I will become wealthy enough to be out of debt! Because healthy is wealthy! That is why I wrote this book, to give you the reader, ideas on what and how: to eat, drink, and be the best; forget the rest! I will always be on a tight budget and that is how I will get out of debt. SMART SPENDING HAPPY ENDING!
