The Big Red Book of Beginner Books P.D. Eastman,Al Perkins,Robert Lopshire,Joan Heilbroner,Marilyn Sadler,2010-08-10 What's a better present than a classic Beginner Book? Six of them—for less than the price of two! Following on the success of The Big Blue Book of Beginner Books and The Big Green Book of Beginner Books, we've taken the complete text and art of P. D. Eastman's Sam and the Firefly, Robert Lopshire's I Want to Be Somebody New!, Marilyn Sadler's The Very Bad Bunny, Mike McClintock's Stop That Ball!, Al Perkins's The Digging-est Dog, and Joan Heilbroner's Robert the Rose Horse and bound them together in one sturdy hardcover omnibus. This is a perfect introduction to reading that will whet young readers' appetites for additional books in the Beginner Book series. Beginner Books are fun, funny, and easy to read! Launched by Dr. Seuss in 1957 with the publication of The Cat in the Hat, this beloved early reader series motivates children to read on their own by using simple words with illustrations that give clues to their meaning. Featuring a combination of kid appeal, supportive vocabulary, and bright, cheerful art, Beginner Books will encourage a love of reading in children ages 3-7.

I Can Read It All by Myself Paul V. Allen,2021-05-28 In the late 1950s, Ted Geisel took on the challenge of creating a book using only 250 unique first-grade words, something that aspiring readers would have both the ability and the desire to

read. The result was an unlikely children's classic, *The Cat in the Hat*. But Geisel didn't stop there. Using *The Cat in the Hat* as a template, he teamed with Helen Geisel and Phyllis Cerf to create Beginner Books, a whole new category of readers that combined research-based literacy practices with the logical insanity of Dr. Seuss. The books were an enormous success, giving the world such authors and illustrators as P. D. Eastman, Roy McKie, and Stan and Jan Berenstain, and beloved bestsellers such as *Are You My Mother?*; *Go, Dog. Go!*; *Put Me in the Zoo*; and *Green Eggs and Ham*. The story of Beginner Books—and Ted Geisel's role as “president, policymaker, and editor” of the line for thirty years—has been told briefly in various biographies of Dr. Seuss, but *I Can Read It All by Myself: The Beginner Books Story* presents it in full detail for the first time. Drawn from archival research and dozens of brand-new interviews, *I Can Read It All by Myself* explores the origins, philosophies, and operations of Beginner Books from *The Cat in the Hat* in 1957 to 2019's *A Skunk in My Bunk*, and reveals the often-fascinating lives of the writers and illustrators who created them.

Linguistic Anthropology Alessandro Duranti,2009-05-04 *Linguistic Anthropology: A Reader* is a comprehensive collection of the best work that has been published in this exciting and growing area of anthropology, and is organized to provide a guide to key issues in the study of language as a cultural resource and speaking as a cultural practice. Revised and updated, this second edition contains eight new articles on key subjects, including speech communities, the power and performance of language, and narratives. Selections are both historically oriented and thematically coherent, and are accessibly grouped according to four major themes: speech community and communicative competence; the performance of language; language socialization and literacy practices; and the power of language. An extensive introduction provides an original perspective on the development of the field and highlights its most compelling issues. Each section includes a brief introductory statement, sets of guiding questions, and list of recommended readings on the main topics.
