Booklist's 1000 Best Young Adult Books since 2000 Gillian Engberg, Ian Chipman, 2014-05-15 With the explosion in YA publishing, it's harder than ever to separate good books from the rest. Booklist magazine's editors' deep and broad knowledge of the landscape offers indispensable guidance, and here they bring together the very best of the best books for young adults published since the start of the 21st century. Drawing on the careful judgment of expert YA librarians, this book includes a foreword by best-selling YA lit authority Michael Cart, who demonstrates how we have entered a new golden age of books for young adults. Collects reviews which showcase the most stimulating contemporary YA titles. Features an essay in each section, grouped by genre, presenting an overview and examining relevant trends. Indexes selections by author, title, and genre for handy reference. The thoughtful professional review coverage for which ALA's Booklist is known makes this volume an ideal tool for YA readers' advisory and collection development.

Confessions of a Book Reviewer Michael Cart, 2018-12-19 Foreword by Francesca Lia Block For more than 20 years, Michael Cart's column for Booklist has delighted YA literature enthusiasts and bibliophiles in general with an engaging mixture of wit, insight, and good old fashioned publishing industry gossip. Spotting Cart's unique perspective as both devoted book reviewer and self-proclaimed book addict, this "Carte Blanche" compilation offers readers the chance to trace the blossoming of YA lit into a bona fide phenomenon that continues to grow in popularity. In the columns gathered here, he explores reading, writing, and book collections and collecting; the past, present and future of YA lit; a multitude of genres, including historical fiction, fantasy, science fiction, humor, and comics; and memories of notable figures in the world of publishing through tributes and memorials. These pieces remain as engaging and fun to read as when they first appeared.
