Be Gay, Do Crime Molly Llewellyn, Kristel Buckley, 2025-06-03 A follow-up to their runaway success *Peach Pit: Sixteen Stories of Unsavory Women*, editors Molly Llewellyn and Kristel Buckley return with *Be Gay, Do Crime*, a celebration of queer chaos from an all-queer author lineup featuring Myriam Gurba, Emily Austin, Alissa Nutting, and Francesca Ekwuyasi. A trans woman makes increasingly frequent hoax calls to a business where she's had a negative experience, watching the consequences with perverse joy. A group of aging queers turns to bank robbery to stop the sale of their bungalow complex to a development company. As the president prepares to give a speech, two women lurk among the journalists, ready to shoot him. And an aspiring author takes to stealing items from strangers' homes in a kind of cosmic redistribution each time one of her relationships fail. In sixteen brilliant, wild-eyed stories, *Be Gay, Do Crime* delivers a celebration and reckoning of why queer people turn to crime—unintentionally, as a means of survival, as protest, as rescue, or to right injustices big and small.

Be Gay, Do Crime Zane McNeill, Blu Buchanan, Riley Clare Valentine, 2025-09-16 Sometimes it pays to be gay and do crime. As communities are boldly rising to challenge capitalism, white supremacy, and authoritarianism, *Be Gay, Do Crime: Everyday Acts of Queer Resistance and Rebellion* is your ultimate guide to LGBTQ+ resilience and rebellion. Packed with daily snapshots of radical queer history, this book celebrates the bold, the brave, and the beautifully defiant moments that have shaped the fight for justice. Ever wonder why the Stonewall protests became an uprising or what the earliest acts of queer resistance looked like? How about the ways queer communities have organized against oppression across the globe? *Be Gay, Do Crime* dives into these stories and so many more—from fierce acts of resistance to joyful victories—bringing to life the rich, diverse history of LGBTQ+ liberation. By situating readers within a larger pattern of struggle, these everyday acts counter the erasure of queer people from history and serve as a reminder that our struggles are part of a broader fight against systemic violence and dehumanization. But, this isn't just a history book; it's a rallying cry. Flip to any page, soak up some inspiration, and join the legacy of resistance.

Be Gay Do Crime Mary Nardini Gang (Organization), 2008

Be gay do crime The Mary Nardini Gang, 2018 Among the discordant chorus of anons who penned the defining texts of the queer anarchist network *Bash Back!*, none was more fervent in its glorification of criminal desire, decadent hedonism, and social undoing than the Milwaukee-based Mary Nardini Gang. Their fiery “Towards the Queerest Insurrection” still

circulates as an integral manifesto of riotous queerness, while the “Criminal Intimacy” and “Whore Theory” have made their more subterranean way into innumerable conversations and correspondences. Ten years later, the secretive group supplements these collected writings with a subtle retrospective. Carefully unlocking the hidden layers of their theses on insurrection, they face up to what they got wrong, concede that the world ended somewhere between the Greek insurrection of 2008 and now, and insist upon the vital task of ushering new worlds into being as we live amid the decomposition and cataclysmic death throes of the old one. To their theses on insurrection, they prepend a new arcana tooled for opening onto the queerest of outsides. Dedicated to their friends among the dead, this pocket edition is a necromantic mirror, an encrypted message to old loves, and an invitation to those finding these words for the first time. -- publisher's website

It Ain't Over Til the Bisexual Speaks Various, 2024-05-21 The bisexual experience is, by necessity, incredibly diverse - we are likely to be attracted to different genders, form part of multiple marginalised groups, and be perceived (depending on the gender of our partner) in wildly different ways... This anthology is a radical and ambitious attempt to capture the incredible multiplicity of bisexual identities. With essays that unpack the intersectionality and conflict of bisexuality with history, language, sexual violence, class identity, religion, polyamory, gender critical ideology, fatness, trans activism, the asylum system, literature and anarchy - this collection of bi voices demands to be heard. With contributions from Shiri Eisner, Hafsa Qureshi, Zachary Zane, Heron Greenesmith, and many, many more.

A Philosophy of Climate Apocalypticism Jakub Kowalewski, 2025-05-19 This book offers a long-overdue analysis of the ubiquity of eco-apocalypticism in current discourses on the climate crisis. Drawing on a wide range of sources and theoretical traditions from ecological works and radical pamphlets, through political theology and continental philosophy to ancient and medieval apocalypses, the book sheds a comprehensive light on the concepts, processes, and experiences which circulate around the figure of the environmental end of the world. Importantly, this book argues that apocalypticism can provide a productive philosophical framework for addressing the climate catastrophe, enabling us to propose a distinctive answer to the fundamental question which haunts progressive ecological projects: how can we defend the world we find indefensible? Appealing to students, academics, and researchers in philosophy, political theology, and environmental humanities, this book is a timely intervention which hopes to demonstrate that, when all else fails, it is the end of the world which may save the planet.

Hopefully Ever After James Webster, 2025-05-03 “...I made my smile out of hard times and snatched joys. I sanded it down on surviving.” Beginnings and endings. Hard-fought nights and hard-won dawns. As we fall, so we rise. These are stories about hope. In these 52 very short pieces of fiction, James Webster goes looking for hope in the dark places of sci-fi and fantasy. What inspires us to keep moving forward when the road ahead seems endless? When today has hurt us deeply,

how do we keep our hearts open to tomorrow? Where do we find the power to believe in a better world? Packed with bright beauty, wry laughter and deep longing, these are tales to feed your heart's fire to seek joy even amidst sorrow. Because hope is not something you wait for, it's something you make on purpose.

Be Gay, Do Crime Chad Merrell, 2021 *Be Gay, Do Crime* asserts the transgressive nature of queerness and homosexuality by exhibiting the ways many queer people must break away from established familial and religious tradition in order to live authentically. It is a celebration of the joys that accompany authenticity with oneself and with others, as well as the roadblocks that present themselves on the path to queer self-discovery in a heteronormative world. The stories in the collection feature characters searching for sites of authenticity and connection, whether in the form of cults, families, or in queering both public and private spaces. In many stories, however, connection and meaning prove difficult to maintain, often due to character flaws or the impositions of oppressive structures such as religion and toxic masculinity. Additionally, the thesis deals with intersectionality, examining the lives of characters of varying sexualities, genders, religions, and races, and the places where these identities work together and/or work against each other.

Be Gay, Do Crime Karlyn Borysenko, 2025-05 When the Mary Nardini Gang declared Queer liberation is intrinsically tied to the annihilation of capitalism, they weren't making an academic argument. They were declaring a war that would redefine leftist activism for a generation. *BE GAY DO CRIME* uncovers the explosive origin story behind today's most controversial queer activism. In 2008, as America focused on the hope and change of Obama's campaign, a secretive anarchist collective in Milwaukee was crafting a manifesto that would transform fringe ideas into the foundation of modern far-left queer politics. Their anonymous text, *Toward the Queerest Insurrection*, rejected assimilation and equality in favor of insurrection and abolition. While mainstream organizations fought for marriage equality, these militants declared war on marriage itself—along with prisons, police, borders, and capitalism. For them, queerness wasn't about who you loved—it was about how you fought. It wasn't an identity seeking recognition but an insurgency demanding the complete dismantling of economic and social hierarchies. This meticulously researched account reveals how their ideas spread from Midwest anarchist circles to become the intellectual backbone of today's most militant activism. Drawing on rare documents, firsthand accounts, and forgotten archives, *BE GAY DO CRIME* connects the dots between obscure 2000s anarchist experiments and the slogans, tactics, and demands reshaping our cultural landscape. The concepts developed in Milwaukee collective houses now appear in university gender studies programs, social media activism, and increasingly, mainstream political discourse. *BE GAY DO CRIME* is the story of how queerness became weaponized—not as rainbow capitalism or corporate allyship, but as a position from which to attack the foundations of normalcy itself. It chronicles a movement that didn't just want equality within the system but proclaimed that true liberation could only come through the system's destruction. Whether you're trying to understand the origins of today's most divisive cultural battles or simply curious about how fringe ideas gain influence, this book provides

crucial context for making sense of America's increasingly polarized political landscape.
