**The Consolations of Mortality** Andrew Stark, 2016-08-23 For those who don't believe in an afterlife, the wisdom of the ages offers four great consolations for mortality: that death is benign and good; that mortal life provides its own kind of immortality; that true immortality would be awful; and that we experience the kinds of losses in life that we will eventually face in death. Can any of these consolations honestly reconcile us to our inevitable demise? In this timely book, Andrew Stark tests the psychological truth of these consolations and searches our collective literary, philosophical, and cultural traditions for answers to the question of how we, in the twenty-first century, might accept our mortal condition. Ranging from Epicurus and Heidegger to bucket lists, the flaming out of rock stars, and the retiring of sports jerseys, Stark's poignant and learned exploration shows how these consolations, taken together, reveal death as a blessing no matter how much we may love life.

**The Magnificent Goodness of God and How It Will Transform Your Life** Timothy Rowe, 2012-07-10 The goodness of God is one of the most revolutionary truths of the Bible, but our generation has lost faith in the goodness of God. The image you carry in your heart of God and what He is like will dramatically affect your life, character, and destiny. Do you believe God can be your hero? Do you believe God has a good heart? Do you believe that God can transform you into the type of Christian that you always wanted to be? When we begin to understand and believe what it means when the Bible boldly declares that God is good always, our lives will begin a breathtaking transformation, as we rise up to be a mighty witness for our Lord. Anyone who has been touched with the goodness of God cannot come away the same. The goodness of God encompasses everything that God is, and is a perfect representation of all His characteristics. The goodness of God is the foundation of all His works, plans, and purposes. If we are to understand what God is like, we must first know that He is good, and not evil. The devil works tirelessly to keep the truth of the goodness of God lost in the mindset of this world, and marshals all of his forces to cause confusion about the true character of our God. The goodness of God is the pinnacle point of the spiritual battle that rages all around us. Understanding the goodness of God is first and foremost in spiritual warfare, because without this, you can never stand for God faithfully
