## Eileen Power

**Stories of Women in the Middle Ages** Maria Teresa Brolis, 2018-12-03 An insightful window into the lives of women in the Middle Ages.

**DONNA & DIRITTI** Beatrice Pecora, 2017-04-13 L'opera ha lo scopo di illustrarvi la donna nel mondo del lavoro Italiano, dalle origini fino ai giorni nostri, mettendo in luce le condizioni di subordinazione e disuguaglianza. Le donne hanno contribuito in maniera notevole allo sviluppo e alle trasformazioni economiche. Il libro vuole essere un supporto a chiunque si approcci all'evoluzione della condizione giuridica della donna. È doveroso iniziare il nostro "viaggio" di emancipazione attraverso la narrazione dello status di donna nei vari periodi storici. Il volume è essenzialmente basato sulla storia mettendo in luce le condizioni di subordinazione e disuguaglianza che hanno caratterizzato la presenza delle donne nel mondo del lavoro. Quella del lavoro femminile è una storia nella quale il riconoscimento del ruolo di donna è proceduto molto lentamente ma che non si è mai arrestato. In appendice, il lettore si troverà un elenco delle varie tappe fondamentali dell'emancipazione femminile.

**Donne del Medioevo** Eileen Power, 1978

**La Tavola Ritonda tra intrattenimento ed enciclopedismo** Giulia Murgia, 2015-09-29 La Tavola Ritonda, anonima compilazione toscana trecentesca, rappresenta, nel panorama dei Tristani italiani, la riscrittura più originale del Tristan en prose (XIII secolo). In questa singolare rivisitazione della leggenda tristaniana, la "verità" del messaggio romanzesco discende da un'operazione di razionalizzazione e di moralizzazione del mito di Tristano e Isotta: il merveilleux breton viene rifunzionalizzato in senso "scientifico"; la società arturiana appare esemplata su quella comunale italiana; si moltiplicano le allusioni alla produzione lirica, filosofica, religiosa dell'Italia due-trecentesca; lo stesso protagonista Tristano viene sottoposto a un processo di agiografizzazione. La Tavola Ritonda si divide insomma tra intrattenimento ed enciclopedismo, officiando ancora una volta, un po' sul serio e un po' per gioco, i riti del romanzo cavalleresco, chiamati a farsi veicolo di nuovi ideali e di nuovi saperi, da consegnare a un pubblico che nella letteratura ricerca una rappresentazione di sé, delle proprie aspirazioni sociali, civili e morali. p.p1 {margin: 4.2px 0.0px 0.0px 0.0px; text-align: justify; font: 28.0px 'Frutiger LT Std'} p.p2 {margin: 4.2px 0.0px 0.0px 0.0px; text-align: justify; font: 10.5px 'Frutiger LT Std'}

**Il vizio dello stupro. L'uso politico della violenza sulle donne** Renzo Paternoster, 2021-08-03 Un saggio che affronta

l'infinito sgranarsi dei dolori delle donne, da sempre relegate in un soffocante spazio simbolico: un simbolico che ha permesso un terribile reale. Se già in tempo di pace la considerazione della donna come essere umano autonomo, indipendente e uguale al maschio fa fatica a emergere e realizzarsi, figuriamoci in tempo di contese politiche. Partendo da una disamina su quali e cosa sono in generale le prepotenze sulle donne, l'autore ricerca i significati di queste violenze in politica. È un lavoro, quindi, che porta fuori dall'ombra i tormenti di chi la luce è stata tolta, per rischiararli e ricostruire spiegazioni che fanno comprendere che non sono "bestialità naturali", ma brutalità razionali che assolvono funzioni precise: non violenze sessuali, dunque, ma violenze sessualizzate. Nella storia delle donne ogni volta che si pensa di aver raggiunto il fondo, arriva sempre qualcosa che fa ricredere, comprendendo che il fondo proprio non c'è.

Egemonia di imprese Giovanni Cabras, 2025-06-18T00:00:00+02:00 L'autore illustra come le tecnologie ed internet abbiano cambiato i caratteri giuridici ed economici delle imprese, divenute oramai digitali ed interconnesse, dandosi regole, spesso imposte anche a chi vi si rivolge. Nell'opera non c'è una valutazione negativa del fenomeno, ma, anche in base ai grandi classici del passato ed ai moderni romanzi e film di fantascienza, c'è una ragionata constatazione dell'egemonia raggiunta dalle imprese nell'era dell'automazione e di internet: strumenti messi a disposizione di persone e istituzioni, sempre da imprese, spesso multinazionali, come una sorta di "stargate" per l'accesso al mondo virtuale. L'opera si avvale di un grande apparato di studi e ricerche soprattutto straniere e mostra come le imprese siano in grado di ricorrere alla meccanizzazione, non solo per svolgere fasi operative, ma pure per governarsi con l'intelligenza artificiale generativa.

*A Life of Ill Repute* Maria Serena Mazzi, 2020-03-19 Prostitution is often called the oldest profession in the world. Even in the Middle Ages, people believed that there would always be women willing to use their bodies for profit. But who were these women who offered themselves up to men? In *A Life of Ill Repute* Maria Serena Mazzi traces and reconstructs prostitution in the early fourteenth century, describing how in medieval European society women - often extremely poor and overwhelmed by debt, or victims either of predatory men full of duplicitous intentions or simply of rape - were traded as commodities. Prostitutes, according to Mazzi, were despised and condemned but considered necessary in an ambiguous and contradictory society that tolerated their sexual exploitation to safeguard the virtue of honest women and counter the vice of homosexuality, while allowing men to vent their own impulses. The theory of the lesser evil - encouraged by both the church and the state - is the grounds on which prostitution flourished in medieval Europe. In the Middle Ages prostitution was censured and considered disgraceful, but at the same time it was deemed inevitable and even necessary. *A Life of Ill Repute* uncovers the hypocrisy and speciousness of ecclesiastical, political, and social arguments for the justification of the existence of public prostitution.

**A che punto è la storia delle donne in Italia** Annarita Buttafuoco, 2003 La ricca produzione di storia delle donne e di genere nel nostro paese rende ormai non solo utile ma anche necessario un esame critico dei suoi principali percorsi e nodi problematici. I saggi qui raccolti - nati dal seminario Annarita Buttafuoco tenutosi a Milano nel 2002 - analizzano, oltre ai rapporti tra la storia delle donne e il femminismo, i risultati e i metodi di ricerca, i rapporti con le tradizioni storiografiche, l'elaborazione di nuove categorie interpretative. I primi tre saggi esaminano gli studi seguendo le grandi partizioni cronologiche; gli altri analizzano alcuni dei temi storiografici sui quali le ricerche italiane si sono maggiormente sviluppate. Sfoglia un'anteprima

**L'Orca e la regina** AA. VV., 2021-05-13T00:00:00+02:00 L'opera narrativa di Stefano D'Arrigo - il colossale epos tardonovecentesco di Horcynus Orca e lo smilzo, reticente Cima delle nobildonne - ha intrattenuto un rapporto ambiguo con il canone della letteratura contemporanea. L'insieme degli scritti raccolti in questo volume affronta da varie prospettive (antropologiche, socioculturali, traduttologiche) lo scrittore di Ali, nell'intenzione di mostrare quanto il suo lavoro di artista orgogliosamente autosegregato - o "culo di pietra", secondo una sua colorita definizione - intersecasse i dibattiti culturali più vivi del secondo Novecento, tuffandosi nella materia traumatica del secolo, ovvero il combinato di guerra totale e tecnica invasiva. La nomea di romanziere bizzarro e inavvicinabile che per molto tempo ha accompagnato D'Arrigo, già a più riprese revocata in dubbio dall'ultimo ventennio di studi, qui si conferma una volta per tutte frutto di un equivoco. Di cui l'appendice iconografica e bibliografica - con immagini mai raccolte prima in volume - esibisce la dinamica di formazione, tra letture frettolose e pregiudiziali ideologiche e estetiche legate alla stagione che vide uscire l'Orca. Doppiato il capo del centenario della nascita (1919), bisogna continuare a leggere D'Arrigo come una figura cruciale che ha interpretato in profondità il nostro tempo con i soli mezzi della letteratura.

**Dizionario biografico degli Italiani: Verrazzano-Vittorio Amedeo III** Alberto Maria Ghisalberti, 2020 This scholarly biographical encyclopedia is the standard source for information on prominent men and women from Italian history.

*La Calabria dalla Tarda Antichità al Medioevo* Cristiana La Serra, 2021 La conoscenza archeologica della Calabria nel Medioevo è ancora poco approfondita rispetto al resto dell'Italia meridionale, e questo rende difficile giudicare il ruolo che questa regione ha assunto nella crescita del nuovo Mediterraneo medievale dopo la disgregazione del mondo antico. L'area denominata Altopiano del Poro, nell'odierna provincia di Vibo Valentia, è al centro di questo studio. Questo libro presenta una serie di dati raccolti per ricostruire le caratteristiche di questo territorio in fasi storiche omogenee. Lo studio definisce le tipologie degli insediamenti, le reti di siti esistenti al suo interno, le loro relazioni ed evoluzioni nel corso dei secoli. È accompagnato da uno studio campionato di materiale ceramico importato e locale. The archaeological knowledge of Calabria in the Middle Ages is still not very thorough compared to the rest of the Southern Italy, and this makes it difficult to judge the role that this region assumed in the growth of the new medieval Mediterranean after the shattering of the ancient world.

The area called Hilltop of Poro, in the modern province of Vibo Valentia, is the focus of this study. This book presents a series of data collected to reconstruct the features that characterized this territory in homogeneous historical phases. The study defines the types of settlements, the networks of sites existing within it, and their relationships and evolutions over the centuries. It is accompanied by a sampled study of imported and local ceramic material.

**La figura della donna nel Medioevo** Jean Leclercq, 1994

**Bibliografia nazionale italiana**, 2011-07

**Donna nel Medioevo** Maria Consiglia De Matteis, 1986

*Matilde e il tesoro dei Canossa* Arturo Calzona, 2008 The Matilde Donna Europea is the most important female figure in Medieval Europe and one of the leading figures recounted by history. The Grand Duchess was courageous, learned, of noble birth and had an international cultural outlook. She was actively involved in European political affairs, having a profound influence at a social and cultural level. The Matildic dominions, lying between the Emperor's territories and those of the Church, were of significant strategic value, forming a buffer zone highly sought-after by both sides. Matilde played a fundamental role as mediator, culminating in the famous meeting in January 1077 between the Emperor Henry IV and Pope Gregory VII at Canossa Castle. The charisma and fascination of a woman who embodied what it means to be a woman in the heart of the Middle Ages has given rise to a legend extending over almost a thousand years and has ended up by also being an important part of contemporary European history (not only Emilian).
