

English A World Language

Thomas Burns McArthur, Roshan McArthur

English as a Global Language David Crystal, 2012-03-29 David Crystal's classic *English as a Global Language* considers the history, present status and future of the English language, focusing on its role as the leading international language. English has been deemed the most 'successful' language ever, with 1500 million speakers internationally, presenting a difficult task to those who wish to investigate it in its entirety. However, Crystal explores the subject in a measured but engaging way, always backing up observations with facts and figures. Written in a detailed and fascinating manner, this is a book written by an expert both for specialists in the subject and for general readers interested in the English language.

How English Became the Global Language D. Northrup, 2013-03-20 In this book, the first written about the globalization of the English language by a professional historian, the exploration of English's global ascendancy receives its proper historical due. This brief, accessible volume breaks new ground in its organization, emphasis on causation, and conclusions.

How and why did English come to be a global language? Cornelia Richter, 2008-09-02 Seminar paper from the year 2007 in the subject English Language and Literature Studies - Culture and Applied Geography, grade: 2,0, Martin Luther University (Institut für Anglistik und Amerikanistik), course: English Rules the World? The Globalisation of English, language: English, abstract: The role of the English language among all other languages is constantly examined, researched and written about. It appears that no other language has ever had such an amazing and massive impact on other cultures, languages and world history. Statements like "English is today a truly global language" (Rubdy 2006: 5) and "World English exists as a political and cultural reality" (Crystal 2003b: xii) underpin the notion of the possibility of a language that connects all people, a notion and perhaps also a wish that is almost as old as mankind. This paper will investigate the question of what defines a language as a global one and what factors are convincing or definite. David Crystal's explanation makes it quite obvious: "A language achieves a genuinely global status when it develops a special role that is recognized in every country" (Crystal 2003b: 3). However, he himself admits that this is not precise enough; a 'special role' can mean many things. The concept usually refers to political aspects, like, for example, the status of the language of the state defined by law, or the language being the only one in some states for historical reasons (cf. Crystal 2003b: 66). But in all cases, it can be argued, the population is living in an environment in which the English language is routinely in evidence, publicly accessible in varying degrees, and part of the nation's recent or present identity (Crystal 2003b: 66). It also has to be clarified what

processes can lead to a global status of a language, and if so-called “naïve” theories hold true. For the purpose of examining this question further, the concept of the lingua franca and the role of English as such will also be looked at. Talking about English and its world influence, it is inevitable to consider the roles and history of Britain and the United States. In order to make the attempt of getting more precise, numbers of speakers will be shown and it will be explained how these numbers came about and what they mean. ... As obvious as it may seem, English is dominant in so many spheres that it appears impossible to account for all of them thoroughly. However, the most significant domains will be explained as such in order to draw a connection between history, present and future.

English in the World Philip Seargeant, Joan Swann, 2013-03-01 English in the World: History, Diversity, Change examines the English language as it has developed through history and is used across the globe today. The first half of the book outlines the history of the language from its fifth-century roots through its development as a national, a colonial, and now a global language. In the second half, the focus shifts to the diversity of the language today. The book explores varieties of English across the English-speaking world, as well as English-related varieties such as pidgins and creoles. It also examines complex processes of variation, hybridity and change in English, and in the shifting styles of individual speakers. Throughout, the focus is on the international nature of English and its use alongside other languages in a diverse range of communities. Drawing on the latest research and The Open University's wide experience of writing accessible and innovative texts, this book: explains basic concepts and assumes no previous study of English or linguistics contains a range of source material and commissioned readings to supplement chapters includes contributions from leading experts in their fields including Joan Beal, Suresh Canagarajah, David Crystal, Jonathan Hope, Kay McCormick, Miriam Meyerhoff, Rajend Mesthrie, Robert Podesva and Jennifer Smith has a truly international scope, encompassing examples and case studies from the UK and North America, Australia and New Zealand, Europe, Asia, and Africa is illustrated in full colour to bring the fascinating study of the English language alive includes a comprehensive index as well as useful appendices showing the historical timeline of English and a brief introduction to the description of linguistic features English in the World: History, Diversity, Change is essential reading for all students of English language studies.

The Politics of English as a World Language Christian Mair, 2003 The complex politics of English as a world language provides the backdrop both for linguistic studies of varieties of English around the world and for postcolonial literary criticism. The present volume offers contributions from linguists and literary scholars that explore this common ground in a spirit of open interdisciplinary dialogue. Leading authorities assess the state of the art to suggest directions for further research, with substantial case studies ranging over a wide variety of topics - from the legitimacy of language norms of lingua franca communication to the recognition of newer post-colonial varieties of English in the online OED. Four regional sections treat the Caribbean (including the diaspora), Africa, the Indian subcontinent, and Australasia and the Pacific Rim. Each

section maintains a careful balance between linguistics and literature, and external and indigenous perspectives on issues. The book is the most balanced, complete and up-to-date treatment of the topic to date.

Global English: English is Changing the World - In what Way is the World Changing the English Language and the Way it Will be Taught? Marc Hempel, 2010-02 The history and wide distribution of the English language - originally an Anglo-Frisian dialect first taken to Southern Britain by Germanic settlers in the 5th century and spoken by only a few - has been a most remarkable and unparalleled one. Nowadays, English is the world language, influencing each and every single aspect of the daily and professional lives of millions of people on an international scale. The metaphor of the Global Village often represents the ubiquitous process of globalisation - a phenomenon that has shaped the existence of mankind in the last couple of decades. Communication in all areas is ensured mostly through the use of the English language. It is remarkable, though, that English is only in the fourth place in terms of native speaker ranking and that its proportion is decreasing steadily. Yet what makes English so important is its use as a lingua franca - an international language that is used for communication by speakers of different languages. Estimates claim that about 1 billion people - that is about one sixth of the world population - have at least some knowledge of English and in most countries it has become one of the basic necessities in professional life. Does this development have any influence on the way we as future professionals explore, describe and - above all - teach the English language? Do native speakers still 'own' English or is it rather 'Globish', 'Franglais' or 'Denglisch' that should be taught? In this term paper I aim to offer some answers to these questions and examine different theories of teaching English as a global language.--p. 1, Introduction.

English: The Prototypical World Language for the Twenty First Century Ph. D. John Fraser, 2009-08-05 ABSTRACT: Global language communication has always been a topic of great interest. How and why majority languages evolved is an intriguing topic that has evolved over the centuries. Evidence has been rapidly mounting that suggest that there are only a handful of spoken languages that receive more utility than that of the thousands available today. Indeed, there are a remarkable 6,912 world languages in existence today spoken in approximately 245 countries, including territories and disputed lands by over 6.7 billion people. However, for as many languages as there exist today, there are numerous languages that go unused or are only spoken by a few people and are headed for extinction.

Introducing Global Englishes Nicola Galloway, Heath Rose, 2015-01-09 Introducing Global Englishes provides comprehensive coverage of relevant research in the fields of World Englishes, English as a Lingua Franca, and English as an International Language. The book introduces students to the current sociolinguistic uses of the English language, using a range of engaging and accessible examples from newspapers (Observer, Independent, Wall Street Journal), advertisements, and television shows. The book: Explains key concepts connected to the historical and contemporary spread of English. Explores the social, economic, educational, and political implications of English's rise as a world language. Includes

comprehensive classroom-based activities, case studies, research tasks, assessment prompts, and extensive online resources. Introducing Global Englishes is essential reading for students coming to this subject for the first time.

The Impact and Future of English as a Global Language denis kastrati,2020-07-22 Essay from the year 2017 in the subject English Language and Literature Studies - Linguistics, grade: 10, , course: Lexicology and Etymology, language: English, abstract: This paper reviews and discusses English as a global language, as we know that English language is one of the most spoken languages in the world. Language is said to be the mirror of mind, language is a part of communication. English language is part of the Indo-European language family. English language is branch of the Germanic family. This paper is divided into three main sections. The first section gives an introduction on English as a global Language, then English as a lingua franca, and the future of English.

English Around the World Edgar W. Schneider,2011 A lively and accessible introduction to world Englishes, setting a range of global varieties in their historical and social contexts.

Perspectives on English as a World Language D. J. Allerton,Paul Skandera,Cornelia Tschichold,2002 English, originally just the language of England, has become the most international of all languages. Along with this expansion has come diversification of its forms and functions, as well as rivalry with other languages. In this volume an attempt is made to present a cross-section of case studies of English as it is used in different parts of the world, showing how varieties of the language differ and under what conditions they are used. The book is aimed at students and general readers as much as specialists, so that its range has been kept within modest proportions; nevertheless it encompasses selected aspects of the types of English found in Scotland, the United States, Canada, Australia, New Zealand, the Caribbean, Africa, France and Switzerland. In addition, there are papers on the more general issues of learner English, dictionaries for non-major varieties of English, Ogden's Basic English, and cultural and ideological aspects of English as a world language. The editors believe they have put together a stimulating and informative introduction to this fascinating and rapidly developing field.

The ^ARise of English Rosemary Salomone,2021-11-17 The Rise of English is a masterful account of the spread of English as the dominant lingua franca worldwide, its intimate connections with globalization and neoliberalism, and its effects on linguistic justice, opportunity, and identity. Deeply researched and wide-ranging in scope, this book shows how English has privileged some and disadvantaged others, but ultimately offers the promise of transcending cultural and linguistic borders in a multilingual world.

World English Janina Brutt-Griffler,2002-01-01 This text traces the history of English language spread from the 18th to the beginning of the 21st century, combining that with a study of its language change. It links linguistic and sociolinguistic variables that have conditioned the evolution and change of English, putting forward a new framework of language spread and change.

English in the World Rani Rubdy, Mario Saraceni, 2006-04-24 Examines different conceptions of English as an international language, looking at world Englishes, native-speakers and 'standard' English. This book also covers the pedagogical implications of English as an international language; and addresses key questions with regard to the teaching of English.

World Englishes Gunnel Melchers, Philip Shaw, 2013-11-12 World Englishes, Second Edition provides you with an engaging overview of the global variations in vocabulary, grammar, phonology and pragmatics of English as it is used worldwide. It introduces you to the principles of linguistics variation and provides coverage on the roots of English (including Scots), the spread of English, variation of English as a second language, and trends for the future. Thoroughly updated in line with recent research, World Englishes Second Edition also includes: additional material on small native communities, the anglicization of EU agencies and the effects of media exposure full discussion throughout of internet-mediated communication, such as the language used on Facebook and in chat-rooms descriptions of twenty-first century developing varieties such as China English chapters that begin with a 'focus' question and end with a 'discussion' question to encourage you to reflect on what you are learning, chapter by chapter a revised glossary of technical terms that allows you to revise meanings quickly and easily 20 audio examples of speakers of native and non-native English from all five continents, available for you to download from <http://www.routledge.com/cw/melchers/> Offering a thorough and detailed descriptive account of all the main varieties of English across the globe, World Englishes, Second Edition provides a balanced discussion of political issues and the socio-linguistics background to the varieties of English spoken and written, face-to-face, on paper and online, in the twenty-first century. Gunnel Melchers is Professor Emerita, Department of English, Stockholm University. Philip Shaw is Professor, Department of English, Stockholm University.

The Cambridge Handbook of World Englishes Daniel Schreier, Marianne Hundt, Edgar W. Schneider, 2020-01-02 The plural form 'Englishes' conveys the diversity of English as a global language, pinpointing the growth and existence of a large number of national, regional and social forms. The global spread of English and the new varieties that have emerged around the world has grown to be a vast area of study and research, which intersects multiple disciplines. This Handbook provides a comprehensive and authoritative survey of World Englishes from 1600 to the present day. Covering topics such as variationist sociolinguistics, pragmatics, contact linguistics, linguistic anthropology, corpus- and applied linguistics and language history, it combines discussion of traditional topics with a variety of innovative approaches. The chapters, all written by internationally acclaimed authorities, provide up-to-date discussions of the evolution of different Englishes around the globe, a comprehensive coverage of different models and approaches, and some original perspectives on current challenges.

Concise Oxford Companion to the English Language Thomas Burns McArthur, Roshan McArthur, 2005 From Sanskrit

to Scouse, this book provides a single-volume source of information about the English language. The guide is intended both for reference and for browsing. The international perspective takes in language from Cockney to Creole, Aboriginal English to Zunder, Estuary English to Caribbean English and a historical range from Beowulf to Ebonics, Chaucer to Chomsky, Latin to the World Wide Web. There is coverage of a wide range of topics from abbreviation to Zeugma, Shakespeare to split infinitive and substantial entries on key subjects such as African English, etymology, imperialism, pidgin, poetry, psycholinguistics and slang. Box features include pieces on place-names, the evolution of the alphabet, the story of OK, borrowings into English, and the Internet. Invaluable reference for English Language students, and fascinating reading for the general reader with an interest in language.

A Million Words and Counting Paul J. J. Payack, 2008 English is growing at a rate unprecedented in its 1500-year history. Now, for the first time ever, a compendium of English language miscellany that identifies the most fascinating recent developments in the language, from the realms of entertainment, technology and business to the mixing of English with foreign languages. As president of the Global Language Monitor, author Paul Payack knows his stuff and includes fun facts about word origins and usage all over the globe.

The English-speaking World, 1920

The Dominance of English as a Language of Science Ulrich Ammon, 2001 The text shows to what degree English is now the dominant language of science. It gives a world-wide overview of various countries on all continents aiming beyond description at explanation and even prediction of future developments.

English A World Language Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading English A World

Language free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading English A World Language free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading English A World Language

free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading English A World Language. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading English A World Language any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About English A World Language Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can

I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
