**S. David Young, Stephen F. O'Byrne**

Future, Engage, Deliver Steve Radcliffe, 2008 This book is an essential read for those wishing to develop their leadership skills.

**Leadership** Steve Radcliffe, 2012-09-07 Leadership isn't complicated - keep it simple and make it count. This new edition of Steve Radcliffe's uniquely powerful, successful and practical framework will show you how to develop faster as a more confident and capable leader. This compact, instantly-applicable guide to developing leadership skills contains practical insights, straightforward actions and plain guidelines to accelerate your growth as a leader. The framework is derived from expert coach Steve Radcliffe's work with real leaders in real leadership situations. It shows you how to: - Be guided by the Future you want and stay focused on your vision - Engage others in productive and stimulating working relationships that make things happen. - Deliver the results you need to really move your business forward.

*HONK: When teams come together, organisations fly* Andy Buck, Fergal Roche, Rob Gibbons, 2019-06-10 When geese fly in formation, encourage one another and share the leadership, they travel further. It's an inspiring metaphor for organisations today. This elegant distillation of the best in current thinking and practice offers a unique insight into effective leadership. Why read ten books when you can read just one? Drawing on the seminal work of the likes of Steven Covey, Patrick Lencioni, Susan Scott and Daniel Pink, HONK offers a powerful synthesis of everything effective leaders of today need to know. As Steve Radcliffe reminds us, whether you are on the first steps on your leadership journey or running an organisation, the essence of effective leadership remains the same: create your vision for the future, get your people engaged and then make great delivery happen. Packed with practical strategies from best-selling author Andy Buck and his team of successful leaders, HONK offers all the ingredients to make your future a reality.

*Thinkers 50: Innovation, Leadership, Management and Strategy (EBOOK BUNDLE)* Stuart Crainer, Des Dearlove, 2013-09-20 Four E-Books in One The World's Leading Business Minds on Today's Most Critical Challenges Thinkers50 is now established as the definitive ranking of global thought leaders. -- Professor Costas Markides, London Business School Innovation used to separate extraordinary companies from average companies. Today, it's making the difference between those that succeed and those that outright fail. Business leaders have no choice: innovate or die. Stuart Crainer and Des Dearlove, creators of Thinkers50, bring you the very latest thinking on the subject of business innovation.

Citing the ideas and insights of the world's leading thinkers and business practitioners, the authors present a guide to business innovation that will put you ahead of the competition. Chapters include: Disruptive Innovation Co-creating the Future Opening Up Innovation Innovating Management Leading Innovation Where Innovation Meets Strategy Where Innovation Meets Society Each book in the Thinkers50 series provides authoritative explanations of the concepts, ideas, and practices that are making a difference today, including specific examples and cases drawn from the original sources. Innovation is where the worlds of business and creativity meet to create new value, Crainer and Dearlove write. Today's customers are more demanding than ever. They want the best, coolest, most advanced product available. If you don't deliver it, your competitor will. Read Thinkers50 Innovation and learn how to apply the best ideas from the brightest minds in business innovation.

Economic Value Added (EVA) and Value Based Management (VBM) are today's hottest management buzzwords. But written information has often been biased and clouded by the authors' hidden agendas. EVA and Value-Based Management is the first book to unflinchingly discuss the pros and cons of EVA and VBM. Covering both implementation and conceptual issues, with a strong emphasis on performance measurement, value drivers, and management compensation, it allows readers to come to their own informed conclusions.
