Hid from Our Eyes Julia Spencer-Fleming, 2020-04-07 THE USA TODAY BESTSELLER New York Times bestseller Julia Spencer-Fleming returns to her beloved Clare Fergusson/Russ Van Alstyne mystery series with new crimes that span decades in *Hid from Our Eyes*. New parents Clare Fergusson and police chief Russ Van Alstyne tackle three copycat murders and one testy baby in this riveting addition to an acclaimed series —People magazine 1952. Millers Kill Police Chief Harry McNeil is called to a crime scene where a woman in a party dress has been murdered with no obvious cause of death. 1972. Millers Kill Police Chief Jack Liddle is called to a murder scene of a woman that's very similar to one he worked as a trooper in the 50s. The only difference is this time, they have a suspect. Young Vietnam War veteran Russ van Alstyne found the body while riding his motorcycle and is quickly pegged as the prime focus of the investigation. Present-day. Millers Kill Police Chief Russ van Alstyne gets a 911 call that a young woman has been found dead in a party dress, the same MO as the crime he was accused of in the 70s. The pressure is on for Russ to solve the murder before he's removed from the case. Russ will enlist the help of his police squad and Reverend Clare Fergusson, who is already juggling the tasks of being a new mother to her and Russ's baby and running St. Alban's Church, to finally solve these crimes. Readers have waited years for this newest book and Julia Spencer-Fleming delivers with the exquisite skill and craftsmanship that have made her such a success.

Through the Evil Days Julia Spencer-Fleming, 2013-11-05 In *Through the Evil Days*, New York Times bestselling author Julia Spencer-Fleming raises the stakes for Russ and Clare, putting their new marriage, their unborn child, a missing teen, and their very own lives on the line. On a frigid January night, Chief of Police Russ Van Alstyne and Reverend Clare

Fergusson are called to the scene of a raging fire. The extent of the tragedy isn't known until the next day, when the charred remains of a man and woman are recovered—along with evidence showing they were shot execution style. The last thing Russ needs are two potential homicides. He's struggling with the prospect of impending fatherhood, and his new wife is not at all happy with his proposal for their long-delayed honeymoon: a week ice-fishing at a remote Adirondack lake. St. Alban's Church is still in turmoil over the Reverend Clare Fergusson's news that she's five and a half months pregnant—but only two and a half months married. Worried her post-deployment drinking and drug use may have damaged the baby, she awaits the outcome of the bishop's investigation into her unpriestly behavior: a scolding, censure, or permanent suspension. Officer Hadley Knox is having a miserable January as well. Her on-again, off-again lover, Kevin Flynn, has seven days to weigh an offer from the Syracuse Police Department that might take him half a state away. And her ex-husband's in town—threatening to take custody of their kids unless Hadley pays him off with money she doesn't have. When Hadley discovers that the dead couple fostered an eight-year-old girl who was a recent liver donee, the search for the killer takes on a new and terrible urgency. With no access to immunosuppressant drugs, transplant rejection will kill the girl in a matter of days. As a deadly ice storm downs power lines and immobilizes roads, Russ and Clare search desperately for the truth about the missing child, but the hunters will become the hunted when they are trapped in the cabin beside the frozen lake and stalked through the snowbound woods by a killer.

At Midnight Comes the Cry Julia Spencer-Fleming, 2025-11-18 New York Times bestseller Julia Spencer-Fleming returns to her beloved Clare Fergusson/Russ Van Alstyne mystery series It's Christmas time in Millers Kill, and Reverend Clare Fergusson and her husband Russ van Alstyne - newly resigned from his position as chief of police - plan to enjoy it with their baby boy. On their list: visiting Santa, decorating the tree, and attending the church Christmas pageant. But when a beloved holiday parade is crashed by white supremacists, Clare and Russ find themselves sucked into a parallel world of militias, machinations and murder. Meanwhile, single mom and officer Hadley Knox has her hands full juggling her kids and her police work. She doesn't want to worry about her former partner - and sometimes lover - Kevin Flynn, but when he takes leave from the Syracuse PD and disappears, she can't help her growing panic that something has gone very wrong. Novice lawyer Joy Zhao is keeping secrets from her superiors at the state Attorney General's Office. She knows they wouldn't condone her off-the-books investigation, but she's convinced a threatening alt-right conspiracy is brewing - and catching the perpetrators could jump start her career. NYS Forest Ranger Paul Terrance is looking for his uncle, a veteran of the park service gone inexplicably missing. He doesn't think much of an ex-cop and out-of-town officer showing up in his patch of the woods, but he's heard the disturbing rumors of dangerous men in the mountains. In New York Times Julia Spencer-Fleming's latest novel, as Christmas approaches, these five people will discover their suspicions hang on a single twisting thread, leading to the forbidding High Peaks of the Adirondacks. As the December days shorten and the nights grow long, a

disparate group of would-be heroes need to unwind a murderous plot before time runs out.
