**You Can't Joke About That** Kat Timpf, 2023-04-18 What happens when we can't joke about some of the most important stuff in life? In a 2019 study, 40% of people reported censoring themselves out of fear that voicing their views would alienate them from the people they care about most. Those people should probably not read this book in public. In *You Can't Joke About That*, Kat Timpf shows why much of the way we talk about sensitive subjects is wrong. We've created all the wrong rules. We push ourselves into unnecessary conflicts when we should feel like we're all in this together. When someone says "you can't joke about that," what they really mean is "this is a subject that makes people sad or angry." hilariously and movingly, Timpf argues that those subjects are actually the most important to joke about. She shows us we can find healing through humor regarding things you probably don't want to bring up in polite conversation, like traumatic break-ups, cancer, being broke, Dave Chappelle, rape jokes, aging, ostomy bags, religion, body image, dead moms, religion, the lab leak theory, transgender swimmers, gushing wounds, campus censorship, and bad Christmas presents. This book is Kat Timpf with her hair down, except since hers is mostly extensions, this book is Kat Timpf with her hair out. Read it because you want to get to know her better. Read it because it's the best book on free speech and comedy in a generation. Read it because you want to laugh out loud... even at the kind of stuff we're afraid to say out loud. Just read it, and you'll be glad you did.

*I Used to Like You Until...* Kat Timpf, 2025-09-09 THE INSTANT NEW YORK TIMES BESTSELLER A "whip-smart" (USA TODAY) exploration of the dangers of binary thinking and how it threatens to take over our institutions, relationships, and freedoms—alongside hilarious and illustrative personal stories from New York Times bestselling author Kat Timpf. We've become a society of non-thinkers. After all, we've largely limited ourselves to just two options when it comes to complex issues. As an independent, libertarian voter who has spent the last ten years at Fox News, Kat has faced this phenomenon too many times to count. She's learned that surprising things can happen when you refuse to choose a team, especially when you work at a place some people call an existential threat to America. Binary thinking is much more than just the enemy of critical thinking, it's also an immediate danger to our political discourse, our institutions, our way of consuming news, our relationships, our creativity, and even to our freedoms. All too often, we will let a single difference in viewpoint, an assumption, or an association be enough to write off another person entirely. We miss out on opportunities to connect and collaborate, all while the people in power benefit from our division. Through humorous examples from her own life and

insight only someone in her bizarre position can possess, Kat reminds us that the world doesn't have to be so black and white. In her signature witty voice, Kat inspires us to lean into thoughtful consideration, genuine conversation, vulnerability, and only hating people when they really deserve it.

*I Used to Like You Until...* Kat Timpf, 2024-09-10 In this whip-smart follow-up to the ruthlessly honest exploration of comedy and cancellation (Dr. Drew) You Can't Joke About That, New York Times bestselling author Kat Timpf examines the dangers of binary thinking, and how it threatens to take over our institutions, relationships, and even our freedoms--

**Not Just Political** Douglas Young, 2025-05-05 In this perceptive, provocative, and witty collection of fifty-nine essays, political science professor emeritus Dr. Douglas Young examines a variety of personal topics, educational and free-expression issues, and works of art and entertainment. On the home front, he explores family matters, comical dating mishaps, a hilarious tour of strip clubs, religion, how he earned his very own FBI file, his love of cemeteries, a fascination with UFOs, and many other offbeat interests and adventures. On the educational front, he focuses on the corrosive forces corrupting our vast educational-industrial complex. On the free speech front, Dr. Young details the mounting efforts to restrict our liberties and argues why we must zealously defend our constitutional rights. On the fine arts and entertainment fronts, he reviews many books, films, and records, including works by or about Bob Dylan, Brian Jones, Jimi Hendrix, George Harrison, Fleetwood Mac, Bernie Taupin, Woody Allen, Ron Howard, Mel Gibson, Kat Timpf, Greg Gutfeld, Tyrus, Jimmy Failla, and Bill Maher. Also touched on are artists as dissimilar as Emily Dickinson, F. Scott Fitzgerald, Salvador Dali, Bela Lugosi, Ed Wood, John Kennedy Toole, John Lennon, Sir Paul McCartney, Sir Ringo Starr, Nick Drake, Sir Mick Jagger, Keith Richards, Gene Hackman, Sir Elton John, and Kurt Cobain.

*Moms Love Cats* Desi Northup, 2015-03-13 This is a series of books designed especially for mom. Isn't mom hard to buy for sometimes? Haven't you bought her enough of the same thing every year for her birthday or for Mother's Day? Well, you can still buy her those things, flowers and chocolate never really get old, but it would be nice to spice it up with something a little different that would, also, bring joy to her heart, a book that would give her a good old fashioned chuckle. A book is the perfect supplement to the same old thing you give mom every year. Sure, flowers and chocolates are nice, but a book is something she can keep forever. These are not books to read only once and then be put up on the shelf to collect dust, they will be read time and time again. Ageless humor that will never grow old.

A charmingly line-drawn, highly humorous, and personality-filled kitty presents all the reasons why I can't. I'm shedding, I'm salivating, I'm kneading (but not needing) you, my ears are rotating, Or she can't be bothered listening because she's having an intense catnip experience. Cat lovers will recognize every funny scenario...and their pets will want to sneak a peek to discover new ideas.
