David Thompson Watson McCord

Lies Al Franken, 2004-07-27 The #1 New York Times bestseller by Senator Al Franken, author of *Giant of the Senate* Al Franken, one of our “savviest satirists” (People), has been studying the rhetoric of the Right. He has listened to their cries of “slander,” “bias,” and even “treason.” He has examined the GOP's policies of squandering our surplus, ravaging the environment, and alienating the rest of the world. He’s even watched Fox News. A lot. And, in this fair and balanced report, Al bravely and candidly exposes them all for what they are: liars. Lying, lying liars. Al destroys the liberal media bias myth by doing what his targets seem incapable of: getting his facts straight. Using the Right’s own words against them, he takes on the pundits, the politicians, and the issues, in the most talked about book of the year. Timely, provocative, unfailingly honest, and always funny, *Lies* sticks it to the most right-wing administration in memory, and to the right-wing media hacks who do its bidding.

A Socio-Political Model of Lies in Russia Jason C. Vaughn, 2016-04-29 This book is written to examine Russian public opinion, culture and society in the context of the lies, liars and untruths consistent with, but not exclusively part of, the rule of Russia’s second (and fourth) post-Soviet President Vladimir Vladimirovich Putin. Then, it is to assess what future there is

for Russia in view of Russia's peculiar 'socio-political' culture of parallel truth and untruth. Based on new research, literature and historical examination of 'untruth' in Russia, using political, social, cultural, media and public opinion analysis, this study develops and applies a new and novel approach, or "model(s)," to the study of lies in Russia. Further, this book seeks to provide an understanding of Russia's socio-political environment to outsiders not versed in the ins-and-outs of the influences, causes and reasoning for the Russian government's, and the Russian public's, reactions to publicized events.

You Lie! Jack Cashill, 2014-10-07 A devastating catalog of Barack Obama's numerous evasions, misleading statements and blatant lies, from statements in his national bestseller *Dreams from My Father* to "You can keep your health plan," *PolitiFact's* 2013 "Lie of the Year." During President Obama's address to Congress in November 2009, Representative Joe Wilson of South Carolina shouted, "You lie!" As Jack Cashill details, the president has been lying about his personal history and his political philosophy from the beginning of his political career. Yet throughout his meteoric rise and the first five years of his presidency, the liberal media turned a blind eye to his numerous evasions, contradictions, misstatements, deceptions, untruths, and outright falsehoods. It wasn't until the disastrous Obamacare rollout that the president's lies caught up with him. Finally, it was impossible even for the mainstream media to ignore the president's repeated assertions that all Americans could keep their health care plans and family doctors if they so chose. In *You Lie!* conservative journalist and author Jack Cashill provides a devastating compendium of the president's false and misleading statements on matters great and small, from the deliberate distortions in his celebrated memoir, *Dreams from My Father*, to his rise to the White House and his years as president.

The Hendrickson Dictionary of New Testament Words and Concepts Jonathan G. Kline, 2025-07-08 What are the major conceptual and thematic categories found in the New Testament, and how does understanding them help us create a mental map of the world in which Jesus lived and the world of the early church? By presenting a broad range of New Testament words and ideas and grouping them according to conceptual and thematic categories, this volume helps readers immerse themselves more deeply in these worlds. The entries present the Greek words that lie behind their English equivalents and indicate or trace where these words occur in the New Testament, thereby providing those who have not studied the original languages of Scripture with new insights into the conceptual world of the New Testament that cannot be gained by only studying English translations.

A Layman's Heart Carlos R. Correa, 2022-01-13 For a man who claims to have no talent, God has surely shed light on his literary ability to bring a delight to the hearts of many. I have known Carlos Correa for many years and have always believed that his wisdom was a hidden jewel waiting to be unearthed. He has a lot to offer to the people of God. To know Carlos is to know that he is a man who delights himself in the Lord. And through that delight, God has blessed him with a glorious talent—a talent that glorifies God with poetry writings that I refer to as spiritual songs. His spiritual songs bless my heart while at the same time glorify God. His spiritual songs make a good addition to my morning devotion. I am confident that the Word of God dwells in this servant “richly” in all wisdom. This book is an excellent addition to my collection of literature that allows me to “delight” myself in the Lord. Anthony E Jenkins, NMT, MD Professor of Anatomy and Physiology This wonderful collection of poems is a compilation of years’ worth of prayer and meditation. The sweet fruit of a surrendered life is provided for all readers to enjoy. With rhythm and rhyme, Carlos harmonizes deep devotion to God with lyrical poetry. The Holy Spirit becomes accessible to the layman, and the reader’s mind is ushered into the realm of the divine. Emanuel Favela, MD University of Illinois at Chicago, College of Medicine Carlos Correa’s *A Layman’s Heart* powerfully demonstrates how “ordinary” human beings can seek, find, and touch God’s heart through rhyme. Taking Scripture as the inspiration, Correa uses the Holy Spirit as the vehicle to carry the “ordinary” reader on a deeper, more intimate journey. These poems are modern-day Psalms and should be read aloud with rhythm and drama for full effect. As you read, you will find that you are praying and speaking bite-sized chunks of spiritual truth in each stanza. Importantly, *A Layman’s Heart* gives us both example and system for studying the Word of God and making it personal. Thank you, Brother Carlos, for helping God’s people grow in grace and knowledge of our Lord Jesus Christ. Dr. Mary Adams Trujillo *A Layman’s Heart: Conversations with God*—this inclusive 366 days of devotion is a must for anyone’s collection of books. Carlos welcomes believers, backsliders, poetry lovers, and everyone else, with the hope to embrace people to the love of God. Every devotion is Carlos’s intimate conversations with God, and he sincerely aspires for all of us to be transformed by the power of the Holy Spirit through these every day. His conversations with God contain compilations of acknowledgement of the Trinity—Father, Son, and Holy Spirit. Formatted clear and easy to read—you will not want to just keep it for a daily reading. Nonetheless, continue reading and be

blessed by each and every conversation. Dr. Lillian Hau-Degand Illinois Institute of Technology Chicago, Illinois
