The Merchant Prince Armin Shimerman,Michael Scott,2000-06-01 For seven years, Armin Shimerman played the diminutive entrepreneur Quark on Star Trek. Deep Space Nine®. Now, he teams up with author Michael Scott to chronicle the tale of a diminutive entrepreneur straight out of Earth history: Dr. John Dee. Despite his lack of physical stature, the five-foot-tall Dee was a towering figure in Renaissance Europe: alchemist, necromancer, scientist, philosopher, adviser to royalty, enemy to the vicious de Medici clan -- and confidant of Dyckon, a member of the alien race known as the Roc. Ancient and wise, the Roc have come to Earth to observe the evolution of humanity, not to interfere. But during the course of his studies, Dyckon has come to call John Dee friend. When the de Medicis arrest Dee in Venice, Dyckon chooses to save his friend from prison and leave him in suspended animation until the year 2099. The philosopher of Albion wakes in a confusing future where humanity is on the brink of developing the ultimate weapon -- a weapon that will mean the destruction of the human race! The only thing that can prevent Armageddon in the future is a genius from the past -- but can even the great John Dee save humanity from itself?

Once the treasures of the gods of creation, they have been for eons lost to both gods and men. Properly used, they can defeat the rising tide of evil that is sweeping the world. Within Michael Scott,2005-01 Within is a story of the forces of the innermost spirits that reside in each and every one of us, guiding our lives down the paths that make the choices that we strive to make in our everyday lives. There are many roads to choose from on that tree of life, some are choices of a lifetime, others are a little less desirable in nature. The being that dwells in our hearts and minds is like an engine controlling the accomplishments and disappointments that we all as a society do possess. Norman Wells is a man facing such altercations, but at a much higher level, Code Purple if you will. Within is set in the 1990s, based on the life of an English teacher named Norman Wells, an ordinary man whose life is centered around the simpler things in life. The story behind the story chronicles the trials and tribulations associated as a direct result to the special gifts that he inherited in the most unlikely of circles. This path of life would lead him down roads that only dreams and fantasies have residence at and details the way that he deals with the tragedies that encompass his life. The self-realization in the end would lead to the ultimate sacrifice to be relinquished to society.
