John Ruskin

Proud of Me Sarah Hagger-Holt, 2021-02-04 An accessible child-centred story about self-acceptance and the importance of opening up to those closest to you. Becky and Josh are almost-twins, with two mums and the same anonymous donor dad. Josh can't wait until he's eighteen, the legal age when he can finally contact his donor, and he'll do anything to find out more - even if it involves lying. Becky can't stop thinking about her new friend, Carli. Could her feelings for Carli be a sign of something more? Becky and Josh both want their parents to be proud of them...but right now, they're struggling to even accept themselves. Praise for Sarah Hagger-Holt's debut, *Nothing Ever Happens Here* A barrier-breaking, empathy-inducing story for all. LoveReading4Kids I can't wait for kids to read it - it's a book a lot of people need right now. Jay Hulme, award-winning poet Compassionate and sweet and full of people trying their best. Highly recommended. Robin Stevens Pitch perfect as far as I'm concerned. I wish there'd been books like this in my day. Christine Burns MBE, British Political Activist

Wake Up to Your Passions Fabian Markl, 31 Uncommon Questions That Reveal Your Hidden Passions (That You Are Not Aware Of) You are just 31 uncommon questions away from having a crystal clear idea of some of your hidden passions - that you don't know you have. Want to discover your passions to make a career change or start a business? Want your work to be more fulfilling and exciting? Or, you just want to enjoy your daily life more and use some of your free time to have more fun? If you answered "Yes!" to any of the above questions, then you need to know how to find your passions. Most people know what their passions are. Or, they just take a quick personality test or a quiz by a career expert, and they know their passions. Other people - like me (and you?) - don't get anywhere with such tests and quizzes. They struggle with finding their passions for years. Regardless of whether you've always been struggling with identifying with what you are passionate about. Or, whether you don't consider yourself a person full of passion, or whether you've lost some of your passions as you went through some major life challenges and transitions, this book is going to help you. Specifically, with the help of this book, you will:

- Remove the 5 biggest obstacles that prevent you from finding your passions
- Learn why making a list of your "interests" or "things you love to do" didn't work to find your passions
- Have a clear idea what some of your passions are that you have not been aware of
- Know what to do if your passions aren't "profitable" or "productive"
- Get started with integrating your newly discovered passions into your life even if you have no time

You are just 31 uncommon questions away from having a crystal clear idea of some of your hidden passions - that you don't know you have.

Fear and Faith Trillia J. Newbell, 2015-03-17 We will never be short on fears. Failure, rejection, sickness, losing a loved one, being alone—the fears we carry are many and heavy. Fear can be a tyrant, a bully we can't hide from. It can paralyze our spirit, damage our relationships, and hinder our faith. Trillia is no stranger to fear. She has known its harsh grip on her life, but she has also known the gentle hand of God, a peace and a faith from the One who conquers fears. In *Fear and Faith*, Trillia will encourage you as she reflects on Scripture and her own story. She will show you Jesus, who was tempted like you in every way. She will show you the character of God and how it inspires faith. And she will show you real women who have walked the road of fear—or are still walking it—and how they have found security in the Lord to be their strength. Whatever your fear, you are not alone, nor are you without hope. You have the One who can replace your fear with faith.

United Trillia J. Newbell, 2014-02-14 What's the view from where you worship—racially diverse or racially monochrome? On the Last Day every tongue and tribe will be represented in the glorious chorus praising God with one voice. Yet today our churches remain segregated. Can we reflect the beauty of the last day this day? *United* will inspire, challenge, and encourage readers to pursue the joys of diversity through stories of the author's own journey and a theology of diversity lived out. It's time to capture a glimpse of God's magnificent creativity. In the pages of *United*, Trillia Newbell reveals the deeply moving, transforming power of knowing—really knowing—someone who is equal yet unique. As we learn to identify in Christ rather than in our commonalities, we begin to experience the depth and power of gospel unity.

Proud to be an American Mirjana Nikolovski, 2019-10-14 It is always easier to write rather than read. I'd rather give it to Dan Rather. Some days you feel sick and sometimes you feel like running away and meeting everyone. That scares me because it makes me feel like I am saying there are only five people on the planet which there are more. Is that correct? Like more than a hundred. Feels like a small world. So it is true that I need to read more and I will.

What to Do when Your Children Turn Into Teenagers David Bennett, Leanne Rowe, 2003 Every parent wonders if they are doing a good job. When their kids become teenagers, they begin to doubt themselves even more. By 16, one in three Australian teenagers has had sex. By 14, one in two drinks alcohol weekly. The statistics are frightening - and even worse if you are the parent of a teenager. **WHAT TO DO WHEN YOUR CHILDREN TURN INTO TEENAGERS** gives parents answers they desperately need. It covers the key issues

that arise with each stage of the teenage years including:* the physical and emotional highs and lows of puberty* diet, health and eating disorders* problems at school and university* drugs and risk taking* how to protect your marriage when the children are out of control* tips for resolving conflicts with your teenagers.* where to go when you need to call in the professionals.If you ever wanted to get your teenager to clean their room - without a huge argument - this is the book for you. If you want them to still love you as they become empowered adults, you can't do without it.
