My Mirror Mirages Muthender Velishala,2024-06-20 MIRRORS SHOW THE WAY THINGS ARE AND MIRAGES SHOW THE WAY THINGS AREN'T Life is like two sides of the same coin. One side shows the reality of our lives, and the other shows the pretence in our lives. Both being necessary for life's existence. What could one say? Living a life with rules or living the life while pretending to live with rules

Of Mystics & Mistakes Sadhguru,2012-01-01 "THERE ARE ONLY TWO TYPES OF PEOPLE: MYSTICS AND MISTAKES," says Sadhguru, leaving readers in no doubt of the category to which they belong! That sounds damning. But mistakes can thankfully be rectified. And that's the hope this book holds out to seekers. It reminds us that each one of us can make the journey—from confusion to clarity, from error to enlightenment, from self-deception to self-discovery—if only we choose.

Life and Death in One Breath Sadhguru,2013-11-01 For ages, most of humanity has placed "life" and "death" at two ends of the existential spectrum - favoring one, fearing the other and continuously floundering between the two. Only when someone who has consciously traversed between both life and death offers to articulate some aspects of it, does humanity get a glimpse of what lies beyond the horizon of its normal perception. With his extraordinary insights, coming from a profound inner experience, Sadhguru reveals that life and death are, in fact, two sides of the same coin. It is only by embracing both that we can break the shackles of our selfmade struggles and be set free. In his own words, he says: "Death is a cosmic joke. If you get the joke, when you fall on the other side, it will be wonderful. If you don't get the joke, when you are here you fear the other side, and when the other side comes, you just don't know what it is about. If death becomes a laughing matter in

your life, life becomes an utterly effortless process – there is no need to restrain yourself in the process of life; you can live your life absolutely, totally.” “The distance between your life and death is just one breath, isn’t it?” – Sadhguru

Sri Brahma Dhara Sri Agamya Guru Paramahansa,2014-03-29 This Is A New Release Of The Original 1905 Edition.

A Guru Always Takes You for a Ride Sadhguru,2017-07-11 In the Presence of the Master is a series of stirring and insightful discourses given by Sadhguru. In his willingness to share, Sadhguru offers glimpses of the profound wisdom that is otherwise accessible to enlightened beings only. Offering the rare possibility to go beyond all limitations, a veritable Guru takes the seeker on a mystical journey towards the ultimate liberation. Considering a Guru as someone who is supposed to guide the seeker in his quest for self-realization, the statement “A Guru always takes you for a Ride” may sound provocative, contradictory and unjust, at first sight; however, there are comprehensible, even compulsory reasons for it. In this volume, Sadhguru delivers rare insights into the Guru-shishya relationship.

Sri Brahma-samhita Bhanu Swami, According to Vedic tradition, these Hymns of Brahma were recited or sung countless millennia ago by the first embodied being, Lord Brahma, just before he created the universe. The book consists of a brief description of Brahma's enlightenment by Lord Sri Krsna, the Supreme Personality of Godhead, followed by Brahma's extraordinarily beautiful prayers elucidating the content of his revelation. Although the whole of the Brahma-samhita has not been located, the fifth chapter stands alone as a short but complete work. Srila Jiva Gosvami has written a commentary Dig-darsani-tika which is included.

What is this primal urge within us that demands a bond – physical, mental, or emotional – with another? And how do we keep this bond from turning into bondage? These are the fundamental questions that Compulsiveness to Consciousness looks at as Sadhguru shares with us the keys to forming lasting and joyful relationships, whether they are with husband or wife, family and friends, at work, or with the very existence itself.

Only when ambition is guided by a vision for wellbeing, can our activity become a powerful possibility to create our destiny and touch the lives of everyone around us. This book offers tangible first steps towards the ultimate plan of action – to understand every aspect of our creation and existence, and make ourselves the way we want. And with individual transformation comes universal transformation, opening up a whole new world once we take that step from ambition to vision.
