

# Sara Driscoll K9 Series

## Sara Driscoll

**Storm Rising** Sara Driscoll, 2018 FBI special agent Meg Jennings and her K-9 partner Hawk head to Virginia Beach to help with search and rescue after a hurricane, but they uncover a human trafficking ring run by the powerful and influential.

**Lone Wolf** Sara Driscoll, 2016-11-29 In the first book in a thrilling new series, FBI Special Agent Meg Jennings and Hawk, her loyal search-and-rescue Labrador, must race against time as they zero in on one of the deadliest killers in the country . . . Meg and Hawk are part of the FBI's elite K-9 unit. Hawk can sniff out bodies anywhere—living or dead—whether it's tracking a criminal or finding a missing person. When a bomb rips apart a government building on the National Mall in Washington D.C., it takes all of the team's extensive search-and-rescue training to locate and save the workers and visitors buried beneath the rubble. But even as the duo are hailed as heroes, a mad bomber remains at large, striking terror across the Eastern seaboard in a ruthless pursuit of retribution. As more bombs are detonated and the body count escalates, Meg and Hawk are brought in to a task force dedicated to stopping the unseen killer. But when the attacks spiral wide and any number of locations could be the next target, it will come down to a battle of wits and survival skills between Meg, Hawk, and the bomber they're tracking to rescue a nation from the brink of chaos. "Tense and exciting, Sara Driscoll has created a new power couple, Meg and her FBI K-9, Hawk." —Leo J. Maloney, author of Arch Enemy

**Under Pressure** Sara Driscoll, 2021-11-30 For fans of Michael Connelly and Lisa Gardner comes a riveting new thriller featuring FBI handler Meg Jennings and her K-9 partner, Hawk, as they are drawn into a blood diamond smuggling investigation with an enemy whose power and ruthlessness know no bounds in a case worthy of Jack Reacher or Jason Bourne . . . "Under Pressure has both bark and bite." —Mystery Scene Mag Diamonds are no one's best friend when the jewels in question are smuggled conflict gems. Meg Jennings and her Labrador, Hawk, have undertaken many search-and-rescue missions, but this case has an unusual twist. A Philadelphia syndicate is importing diamonds from war-torn African nations and selling them with fake certificates to Stateside dealers. Agent Finn Pierce of the Organized Crime Program is embedded with the syndicate, but being caught with a wire or tracking device would mean instant execution. If Meg, her partner Brian Foster, and their dogs can track Pierce to a deal location, they can break the smuggling chain while maintaining Pierce's cover. With the syndicate monitoring every move, it's a risky operation with more players than Meg and Brian first assumed—on both sides of the law. And when one of their own gets caught in the line of fire, the team embarks on

a desperate rescue mission, knowing that mere seconds are all that separate life and death . . . “Exceptional . . . Readers will hope this series has a long run.” —Publishers Weekly, STARRED REVIEW on Storm Rising

**Lone Wolf** Sara Driscoll, 2016 FBI Special Agent Meg Jennings and Hawk, her loyal search-and-rescue Labrador, must zero in on one of the deadliest killers in the country, a serial bomber who draws Meg and Hawk into a battle of wits and survival skills.
