Animal Spirits George A. Akerlof,Robert J. Shiller,2010-02-01 From acclaimed economists George Akerlof and Robert Shiller, the case for why government is needed to restore confidence in the economy The global financial crisis has made it painfully clear that powerful psychological forces are imperiling the wealth of nations today. From blind faith in ever-rising housing prices to plummeting confidence in capital markets, animal spirits are driving financial events worldwide. In this book, acclaimed economists George Akerlof and Robert Shiller challenge the economic wisdom that got us into this mess, and put forward a bold new vision that will transform economics and restore prosperity. Akerlof and Shiller reassert the necessity of an active government role in economic policymaking by recovering the idea of animal spirits, a term John Maynard Keynes used to describe the gloom and despondence that led to the Great Depression and the changing psychology that accompanied recovery. Like Keynes, Akerlof and Shiller know that managing these animal spirits requires the steady hand of government—simply allowing markets to work won't do it. In rebuilding the case for a more robust, behaviorally informed Keynesianism, they detail the most pervasive effects of animal spirits in contemporary economic life—such as confidence, fear, bad faith, corruption, a concern for fairness, and the stories we tell ourselves about our economic fortunes—and show how Reaganomics, Thatcherism, and the rational expectations revolution failed to account for them. Animal Spirits offers a road map for reversing the financial misfortunes besetting us today. Read it and learn how leaders can channel animal spirits—the powerful forces of human psychology that are afoot in the world economy today. In a new preface, they describe why our economic troubles may linger for some time—unless we are prepared to take further, decisive action.

Capitol Fever Wendy Lucca,2022-07-15 My most epic mistake is also my greatest chance to find love again! In hindsight, I should not have been caught having lusty relations with Arrow McCue in the back of his UPS delivery truck. My reckless meltdown got me fired from my first-year teaching job. But my embarrassment after the lurid videos went viral on social media paled in comparison to being abandoned by my husband for his legal secretary. When my Great Uncle Dax passed and willed me his real estate firm in Austin, Texas, I packed up my pride and my goldfish and headed for the Lone Star State, an awesome place for a fresh start. I vowed to stay on a straight path to no more drama from then onwards. So, I keep trying to distract myself by having a fling with this hot drummer, John, a guy I met at a club in Austin. Falling for my new head of security, Jesse Dalton, was never part of my plan. Sure, Jesse's easy on my eyes and hard in the sack, (also my new office sofa, his bedroom, and the tops of cliffs), but he's a bad boy, free spirit with relationship commitment problems and things are turning into hot lava between us. I am a new girl boss now, and my business must come first. But Jesse makes me feel

beautiful, sensuous, strong, and protected. All the things I never felt in the last years of my failed marriage. Jesse gets me and when I feel his arms around me, I am enticed to trust a man again. To fall in love again. To let Jesse love me without feeling scared. But way down inside of me, I am petrified. Will this all be too much too soon and wreck my heart again? Will the risks of starting over be too great for us both to handle? Or am I an idiot to let a second chance at love pass me by? This is a novella length second chance steamy contemporary romance with first person POV and a happy ending. If you love stories about smart women and sexy bad boys, you will love this one! Perfect for those who love Tessa Bailey, Meghan Quinn, Melanie Harlow, Pippa Grant, Melanie Moreland, Audrey Carlan, Anna Todd, Angela Quarles, Skye Warren, Ivy Smoak and Colleen Hoover. Keywords: contemporary romance, second chance romance, office romance, romantic comedy, bad boy, military, found family, big city, fling, alpha male, lighthearted
